Substantial rewording of Declaration. See Article XIII, Section 6, for present text:

Section 6. Leasing of Units by Owners. A Unit shall not be leased without the prior written approval of the Association. The Association may collect a reasonable fee, not to exceed \$50.00, for processing the request for approval. Prior to leasing any Unit, a Unit Owner shall deliver an executed copy of the proposed lease agreement, along with the name and address of each prospective lessee, and other information as the Association may reasonably request, to the Association. All leases shall contain a statement by the lessee acknowledging that the lease is subject to the Declaration of Covenants for Jacaranda Pointe Maintenance Association, Inc., the By-laws of the Association, all Rules and Regulations which may, from time to time, be promulgated by the Association, and that the lessee agrees to abide by same. No Unit may be leased for a period of less than 6 months, nor may any Unit be leased to another lessee more than twice within any 12 consecutive months, except that this provision shall not apply to a Unit wherein the previous lessee has defaulted or been removed through legal process. The total number of persons occupying a Unit under any lease shall not exceed 2 persons per bedroom in the Unit. Within 20 days after receipt of the required documentation and information, the Association shall either approve or disapprove the proposed lessee in writing. If the Association does not approve or disapprove the proposed lessee within the 20 day period, the lessee shall be deemed approved. Approval by the Association does not relieve the Unit Owner from any liability or obligation under the Declaration, By-laws, or Rules and Regulations promulgated by the Association. Any disapproval shall state, in writing, the basis for the decision. In the event a lessee, its guest, or invitee, fails to comply with any provision of the Declaration, By-Laws, or other Rules and Regulations promulgated by the Association, the lessee shall be deemed to have defaulted under the lease. The Association shall notify the lessee in writing of the alleged default or violation, and that the lessee shall correct same within 3 days. If the lessee fails to correct the default or violation, the Association may bring an action to evict the lessee. Eviction shall not be an exclusive remedy and the Association may pursue any other remedy available under the Declaration or applicable statute, at equity or at law. The Association's right to bring an action against the lessee shall be independent of any cause of action the Unit Owner may have against the lessee, and independent of any cause of action the Association may have against the Unit Owner. In the event the Association brings any such action, the Association shall be entitled to recover the costs of bringing the action, including a reasonable attorney's fee, and which shall be assessed to the Unit Owner.

BR25780PG0195

Article XIII, Section 8, of the Declaration is created to read as follows:

Section 8. Sale of Units by Owners. Prior to selling any Unit, a Unit Owner shall notify the Association in writing of the proposed sale. All sales contracts shall contain a statement by the purchaser acknowledging that the sale is subject to the Declaration of Covenants for Jacaranda Pointe Maintenance Association, Inc., the By-laws of the Association, all Rules and Regulations which may, from time to time, be promulgated by the Association, and that the purchaser agrees to abide by same. Within ten (10) days of the sale or transfer of a Unit, the purchaser or transferee shall deliver a copy of the deed or other instrument of conveyance, and other information the Association may reasonably request, to the Association.

COVENANT FOR ASSESSMENTS

Section 1. Payment of Assessments. The Declarant hereby covenants, creates and establishes, and each Owner of a Unit, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner, shall hereafter be deemed to have covenanted and agreed to pay to the Association the following dues, fees, charges and assessments, subject to the provisions of Section 3 of this ARTICLE V:

(a) Any annual assessment or charge for the purpose of operating the Association and accomplishing any and all of its purposes, including the payment of the Association's obligations to the Master Association, as set forth in Article XVI hereof.

(b) Any special assessments for emergencies, or non-recurring expenses; such assessments shall be in equal amounts against the Owners of each Unit.

(c) Charges incurred in connection with the enforcement of any of the terms and conditions hereof, including reasonable attorney fees and costs.

(d) Fees or charges that may be established for such purpose deemed appropriate by the Board of Directors of the Association.

(e) Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. Such assessments shall be in equal amounts against the Owners of each Unit.

Section 2. Creation of the Lien and Liability of Owner. The Declarant, for each Unit owned within the Properties hereby covenants, and each Owner of any Unit by acceptance of a deed or instrument of conveyance for the acquisition of title to a Unit, whether or not it shall be so expressed in such deed or instrument, is deemed to covenant and agree that the annual and special assessments, or other charges and fees set forth in Section 1 hereof, together with interest, late fees, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Unit against which each such assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records, stating the description of the Unit, name of the Owner, amount due and the due dates. Each such assessment, together with interest, late fees, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due, as well as his heirs, legal representatives, successors and assigns.

8K#6143Pc0006

Section 3. Commencement of First Assessment. Assessments provided herein shall first commence as to each Unit on the day of the conveyance of title of each Unit by Declarant to a purchaser thereof (unless otherwise specifically set forth by Declarant in such conveyance to the contrary). The annual assessments in effect at that time shall be adjusted according to the number of months remaining in the calendar year after such date.

Section 4. Establishment of Assessments. The Board of Directors of the Association shall approve and establish all sums which shall be payable by the members of the Association in accordance with the following procedures:

(a) Annual assessments against the Owners of all of the Units shall be established after the adoption of an operating budget, and written notice of the amount and date of commencement thereof shall be given to each Owner not less than thirty (30) days in advance of the date thereof. Annual assessments shall be payable at such time or times as the Board of Directors shall direct which shall be monthly until otherwise directed.

(b) Special Assessments against the Owners and all other fees, dues and charges, including assessments for the creation of reasonable reserves, may be established by the Board of Directors at any regular or special meeting thereof, and shall be payable at such time or times as the Board of Directors shall direct.

(c) The Board of Directors may, from time to time, establish by a resolution, rule or regulation, specific fees, dues or charges to be paid by Owners of Units for any special or personal use of facilities, or to reimburse the Association for the expenses incurred in connection with the enforcement of any of the terms of this Declaration. Such sums shall be payable by the affected member at such time or times as shall be established by the resolution, rule or regulation.

(d) The Association shall prepare a roster of the Units and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. The Association shall, upon request, furnish any Owner a certificate in writing signed by an officer of the Association, setting forth whether his assessment has been paid and/or the amount which is due as of any date. As to parties without knowledge of error, who rely thereon, such certificates shall be conclusive evidence of payment or partial payment of any assessment therein stated having been paid or partially paid.

(e) Declarant shall establish a Working Capital Fund for the initial months of operation of the Association, which shall be collected by the Declarant from each Unit purchaser at the time of conveyance of each Unit to such purchaser in an amount equal to two months of the annual assessment for each Unit. Each Unit's share of the Working Capital Fund shall be collected and transferred to the Association at the time of closing of the sale of each Unit. The purpose of this fund is to assure that the Association's Board of Directors will have cash available to meet any legitimate Association expense, or to acquire additional equipment or services deemed necessary or desirable by the Board of Directors. Amounts paid into the fund at closing are not to be considered advance payment of regular assessments or as a reserve fund pursuant to subparagraphs (a) and (e) of Section 1 of this Article V, and are not refundable or transferable. In the event that during the startup of the Association, the Association does not have adequate working capital to meet its expenses, the Declarant may, but is not obligated, to advance funds on behalf of the Association, and to be reimbursed by the Association from such Working Capital Fund.

Section 5. Effect of Nonpayment of Assessments; Remedies of the Association. If any assessment is not paid within thirty (30) days after the due date, a late fee of \$25.00, beginning from the

BK 6143 PG 007

due date, may be levied by the Board of Directors for each month the assessment is unpaid. The Association may at any time thereafter bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the property. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the assessment all costs and expenses, including attorneys' fees, required to collect same. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Unit.

Section 6. Subordination of the Lien to Mortgages. As hereinabove provided in Section 2, the lien of the Association for assessments and other charges of the Association becomes effective from and after recording of a Claim of Lien in the Public Records. This lien of the Association shall be subordinate to a first mortgage on any Unit or to a mortgage by an Institutional Mortgagee on any Unit, which mortgage is recorded in the Public Records prior to any said Claim of Lien against the same Unit being recorded in the Public Records. A lien for assessments shall not be affected by any sale or transfer of a Unit; provided, however, that in the event of a sale or transfer pursuant to a foreclosure of a first mortgage, a foreclosure of a mortgage held by an Institutional Mortgagee, or a deed in lieu of foreclosure of a first mortgage or of a mortgage held by an Institutional Mortgagee, the acquirer of title, his successors and assigns, shall not be liable for assessments pertaining to the Unit or chargeable to the former owner of the Unit which became due prior to such sale or transfer. However, any such unpaid assessments for which such acquirer of title is not liable, may be reallocated and assessed to all Units (including such acquirer of title) as an Association expense. Any such sale or transfer pursuant to a foreclosure or deed in lieu of foreclosure shall not relieve the Purchaser or Transferee of a Unit from liability for, nor the Unit from the lien of, any assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent assessments from the payment thereof, or the enforcement of collection by means other than foreclosure.

ARTICLE VI

MAINTENANCE OBLIGATION OF ASSOCIATION

Section 1. Landscaping. The Association shall maintain all landscaping, vegetation, grass, plants, trees, and the like, for each Unit within the Properties, including all Units and the Common Area. If any of the foregoing landscaping pertaining to an individual Unit requires replacement, it shall be the responsibility of the Owner of such Unit to do so, at such Owner's expense. There shall not be permitted any changes to the landscaping from the Landscaping Plan as submitted and approved by the City of Plantation, without the prior approval of the Landscape Planning and Review Board of the City of Plantation. In the event the rear yard of a Unit is fenced-in, adequate access to this area shall be provided to enable the Association to perform this maintenance. If adequate access is not so provided, as determined by the Association, the Association may terminate the provision of landscaping services to such area.

Section 2. Common Area Improvements. The Association shall maintain and repair the entry way, the access road, street lights, parking areas, guard house, guard gates, storm water drainage system and all other improvements to the Common Area. It shall be the Association's responsibility to take whatever actions are necessary so as to enforce positive drainage within the Properties. In order to accomplish the foregoing, the Association may prohibit the placement of additional plantings, equipment, structures or the like, in any drainage areas.

Section 3. Sprinkler System. Each Unit shall have its own individual sprinkler system. The Association shall have the right

BKF 6143PG1008

to operate each such system. The Association shall be responsible for the maintenance, repair and replacement of the sprinkler heads only. Each Owner shall be responsible for the maintenance, repair and replacement of all other parts of such individual sprinkler system and for the provision of water and electricity to operate the sprinkler system. In the event of the failure or refusal of any Owner to make required repairs or replacements to his sprinkler system, except as to the sprinkler heads, after reasonable notice to him from the Association to do so or to provide water and electricity to operate the system, the Association may enter upon said Unit and perform such required work to the sprinkler system. The costs thereof, including costs of providing water and electricity, if required, plus reasonable overhead costs to the Association, shall be added to and become part of the assessment to which the Unit is subject.

Section 4. Right of Entry by Association. Whenever it is necessary to enter a Unit for the purpose of performance of any operation or maintenance duties by the Association, the Owner thereof shall permit an authorized agent of the Association to go upon the Unit, provided that such entry shall be made only at reasonable times. In the case of emergency such as, but not limited to, fire or hurricane, entry may be made at any time. Each Owner does hereby appoint the Association as its agent for the purposes herein provided and agrees that the Association shall not be liable for any alleged property damage or theft caused or occurring on account of any entry.

Section 5. Others. Where reasonably possible, and upon request of Declarant, the Association shall also maintain areas which are not within the Properties but abut same and are owned by a utility, governmental authority, or quasi governmental entity so as to enhance the appearance of the Properties, such as swale areas, lake banks or median areas within the right of way of abutting public streets, roads or areas within any water management tracts, drainage canal rights of ways or other abutting waterways.

Section 6. Rights of City of Plantation. Should the Association fail to adequately maintain the landscaping requirements imposed by the Plantation City Council or the roads on the property in this Declaration, after thirty (30) days notice to do so by the City of Plantation, the City of Plantation shall have and is hereby given the same rights and powers that are provided to the Association concerning the right to assess each Owner for the maintenance of the landscaping and the roads, including the creation and enforcement of assessments and liens.

ARTICLE VII

MAINTENANCE OBLIGATION OF OWNERS

Section 1. Maintenance of Residences. Except with respect to landscaping and sprinkler heads, as set forth in Article VI, each Owner is responsible for the repair, maintenance and/or replacement of all portions of the residential dwelling and other improvements of the Unit, including all fences thereon, except the Perimeter Fence described in Article VIII, Section 3, hereof.

Section 2. Landscaping. In the event any landscaping upon a Unit requires replacing, then the Owner thereof shall do so, at the Owner's expense. Each Owner is strictly prohibited from performing any maintenance duties of the Association without prior consent of the Board of Directors and is prohibited from planting any additional landscaping or the like without said consent.

Section 3. Owner Liability. Should any Owner do any of the following:

- (a) Fail to perform any maintenance responsibilities as set forth in this Declaration; or,

(b) Cause any damage to any improvement which the Association has the responsibility to maintain, repair and/or replace; or,

(c) Undertake unauthorized improvements or modifications to his dwelling or to any other portion of his Unit or to the Common Area, as set forth herein.

the Association, after approval of two-thirds (2/3rds) vote of the Board of Directors and upon ten days prior written notice to the Owner, shall have the right, through its agents and employees, to enter upon said Unit and cause the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs to the Association, shall be added to and become a part of the assessment to which the Unit is subject, and shall be due and payable within ten (10) days after rendition of a bill therefor by the Association.

ARTICLE VIII

EASEMENT UPON THE UNITS

Section 1. Easement for Encroachments. In the event that any dwelling or other improvement upon a Unit, as originally constructed by Declarant, shall encroach upon any other Unit or Common Area, then an easement appurtenant to such shall exist for so long as such encroachment shall naturally exist.

Section 2. Zero Lot Line Easement. For all dwellings which are constructed so as to abut a side yard boundary line (hereinafter referred to as the "Zero Lot Line Boundary" and such dwelling as the "Zero Lot Line Unit"), there is hereby created a five-foot easement upon the adjacent Unit which shares such Zero Lot Line Boundary (hereinafter referred to as the "Adjacent Unit"), running parallel to, and for the entire length of the Zero Lot Line Boundary. This shall be a perpetual easement running with the land burdening the Adjacent Unit and benefitting the Zero Lot Line Unit, for the purpose and uses of drainage, roof overhang, utilities, access to the rear of the Zero Lot Line Unit and for maintenance to the dwelling constructed upon the Zero Lot Line Boundary. In the event a fence is placed upon the Zero Lot Line Boundary, a gate shall be provided to permit full use of this easement.

Section 3. Perimeter Fence. The Declarant shall install a perimeter fence around the Properties, which fence shall be located upon the rear yards of those Units whose rear boundary line constitutes the exterior boundary line of the Properties. The Association shall have the responsibility to inspect and maintain such perimeter fence, and is hereby granted the right to enter upon each such Unit to perform such obligation. No Unit Owner shall undertake any action to alter or modify such perimeter fence in any manner whatsoever. Each such Unit Owner acknowledges that said perimeter fence may restrict the Unit Owner's ability to the full use and enjoyment of a portion of the rear of such Unit; however, the installation of such perimeter fence enhances the well-being and values of all Units within Jacaranda Pointe.

ARTICLE IX

ARCHITECTURAL CONTROL COMMITTEE

Section 1. Alteration Restrictions. No additions or exterior alterations or changes to the exterior appearance of any dwelling shall be permitted unless the same has been specified on the original Architectural Plans submitted by Declarant to the City of Plantation for this project, which plans were approved by the City of Plantation. In the event a Unit Owner desires to make any alteration or modification or addition which was not so specifically provided on said original approved Architectural Plans, it shall be

the responsibility of the Unit Owner to first obtain approval of the Architectural Control Committee as hereinafter provided, and in the event such approval is granted, said Unit Owner must also obtain approval of the City Council of the City of Plantation. In the event that such approval from the City of Plantation is not obtained, the Unit Owner shall be prohibited from making such addition, modification or alteration.

Section 2. Approval Necessary. No building, outbuilding, garage, fence, wall, retaining wall, or other structure of any kind shall be erected, constructed, placed or maintained on the Properties, nor shall any dwelling or other improvements on each Unit, as originally constructed and provided by Declarant, be altered, changed, repaired or modified unless prior to the commencement of any work thereof, two complete sets for plans and specifications therefor, including, as applicable, front, side and rear elevations, and floor plans, and two plot plans indicating and fixing the exact location of such improvements, structures or such altered structure on the Unit with reference to the street and side lines thereof, shall have been first submitted in writing for approval and approved in writing by the Architectural Committee. The foregoing prior approval is intended to specifically apply to the painting of a dwelling or any other maintenance or repair which changes the exterior appearance of a dwelling or other improvements on a Unit.

Section 3. Membership to Committee. The Architectural Committee shall, until their successors are appointed, consist of the following:

Alec Engelstein
Harry Engelstein
John Kraynick

Until such time as Declarant's Class B membership expires as provided in Article IV hereof, in the event of the resignation, failure, refusal or inability of any member of the Architectural Committee to act, Declarant shall have the right to appoint a person to fill such vacancy, and in the event Declarant fails to fill such vacancy within thirty (30) days of such occurrence, and upon the expiration of said Class B membership, the Board of Directors shall select and fill any such vacancy by appointment for a term as determined by the Board.

Section 4. Endorsement of Plans. Approval of plans, specifications and location of improvements by the Architectural Committee shall be endorsed on both sets of said plans and specifications, and one set shall forthwith be returned by the Architectural Committee to the person submitting the same. The approval of the Architectural Committee of plans or specifications submitted for approval, as herein specified, shall not be deemed to be a waiver by the Architectural Committee of the right to object to any of the features or elements embodied in such plans or specifications if and when the same features and elements are embodied in any subsequent plans and specifications submitted for approval for use on other Units.

Section 5. Construction to be in Conformance with Plans. After such plans and specifications and other data submitted have been approved by the Architectural Committee, no building, outbuilding, garage, fence, wall, retaining wall, or other improvements or structures of any kind shall be erected, constructed, placed, altered or maintained upon the Properties unless the same shall be erected, constructed or altered in conformity with the plans and specifications and plot plans theretofore approved by the Architectural Committee.

Section 6. Deemed Approval. After the expiration of one year from the date of completion of any structure or alteration, such structure or alteration shall be deemed to comply with all of

the provisions of this ARTICLE IX unless notice to the contrary shall have been recorded in the Public Records, or legal proceedings shall have been instituted to enforce such compliance.

Section 7. Right of Entry. Any agent or member of the Architectural Committee may at any reasonable time enter and inspect any building or property subject to the jurisdiction of the Architectural Committee and any building or structure reasonably believed by such agent or member to be a violation of the covenants, restrictions, reservations, servitudes or easements of the Declaration.

All or any part of the rights and powers and reservations of the Declarant herein contained may be deeded, conveyed, or assigned to other persons or entities by an instrument in writing duly executed, acknowledged and recorded in the Public Records.

ARTICLE XIII

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this

Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any such suit the prevailing party shall also be entitled to recovery of all costs and expenses including court costs and attorneys' fees.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended at any time and from time to time upon the execution and recordation of an instrument executed by Owners who are entitled to vote a majority of all votes of the Association PROVIDED that for the period of time Declarant owns one (1) or more Units, the Declarant's written consent must first be obtained and further provided, that for so long as Class B membership in the Association exists, the Declaration may be amended by the execution and recordation of an instrument executed solely by Declarant. The Declarant shall have the right at any time within five (5) years from the date hereof to amend this Declaration to correct scrivener's errors or to clarify any ambiguities determined to exist herein. No amendment to this Declaration shall be effective without approval thereof by the City of Plantation or its Legal Department. No amendment shall alter the subordination provisions of this Declaration without the prior approval of any mortgagee enjoying such protection.

Section 4. Notices. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

Such lease shall contain a covenant that the Lessee acknowledges that the Unit is subject to this Declaration of Restrictions and is familiar with the provisions hereof, and the uses and restrictions contained herein, and agrees to abide by all such provisions. In the event a lease of a Unit does not contain language to the effect of the foregoing, then the Association may declare the lease void and take such further action as the Association deems applicable, including a "removal action" against the Lessee, as agent for the Owner. The Association shall make available to Owners and to lenders, and to holders, insurers, or guarantors of any first mortgage on any Unit, current copies of this Declaration of Restrictions, the Articles of Incorporation or By-Laws of the Association, other rules concerning these Properties and the books, records and financial statements of the Association. Section 2. Liability Insurance. The Association shall maintain comprehensive general liability insurance coverage covering all of its maintenance activities. The coverage shall be at least for One Million Dollars (\$1,000,000.00) for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage shall include, without limitation, legal liability of the insured for property damage, bodily injuries and deaths of persons in connection with its maintenance activities, and legal liability arising out of lawsuits related to employment contracts of the Association. The fidelity bonds required herein must meet the following requirements:

(a) Fidelity bonds shall name the Association as an obligee.

(b) The bonds shall contain waivers by the insurers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employee", or similar terms or expressions;

(c) The premiums on all bonds required herein for the Association (except for premiums on fidelity bonds maintained by a management agent, or its officers, employees and agents), shall be paid by the Owner's Association as a common expense;

(d) The bond shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Association.

Section 4. Purchase of Insurance. All insurance purchased pursuant to this ARTICLE XV shall be purchased by the Association for the benefit of the Association, the Owners and their respective mortgagees, as their interest may appear, and shall provide for the issuance of certificates of insurance and mortgagee endorsements to Owners and any or all of the holders of institutional first mortgages. The policies shall provide that the insurer waives its rights of subrogation as to any claims against Owners and the Association, their respective servants, agents and guests. Each Owner and the Association hereby agree to waive any claim against each other and against other Owners for any loss or damage for which insurance hereunder is carried where the insurer has waived its rights of subrogation as aforesaid.

Section 5. Cost and Payment of Premiums. The Association shall pay the cost of obtaining all insurance hereunder, excluding only the insurance as may be purchased by individual Owners, and any other fees or expenses incurred which may be necessary or incidental to carry out the provisions hereof.

Section 6. Association as Agent. The Association is irrevocably appointed agent for each Owner, for each owner of a Mortgage upon a Unit and for each Owner of any other interest in a Unit to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Unit.

BM#6143PG0030

ARTICLE XII

FINES

SECTION 1. In the event of a violation (other than the non-payment of an assessment) by a Unit Owner of any of the provisions of the Declaration, the Articles or these By-Laws, or the Rules and Regulations adopted pursuant to any of same, as the same may be amended or added to from time to time, and in addition to the means for enforcement provided elsewhere herein, the Association shall have the right to assess fines against a Unit Owner or its lessees, in the manner provided herein, and such fines shall be collectible as any other assessment, so that the Association shall have a lien against each Unit for the purpose of enforcing and collecting such fines, as provided in the Declaration.

(a) The Board of Directors shall appoint a Covenants Enforcement Committee which shall be charged with determining whether there is probable cause that any of the provisions of the Declaration, the Articles of Incorporation, these By-Laws, and the Rules and Regulations of the Association, governing the use of the Common Areas and facilities, and the personal conduct of the members and their guests and lessees are being or have been violated. In the event that the Covenants Enforcement Committee determines an instance of such probable cause, it shall report same to the Board of Directors. The Board of Directors shall thereupon provide written notice to the person alleged to be in violation, and to the Owner of the Unit which that person occupies if that person is not the Owner, of the specific nature of the alleged violation and of the opportunity for a hearing before the Board of Directors upon a request therefor made within fifteen (15) days of the sending of the notice. The notice shall also specify, and it is hereby provided, that each recurrence of the alleged violation or each day during which it continues shall be deemed a separate offense, subject to a separate fine not to exceed Fifty (\$50.00) Dollars for each offense. The notice shall further specify, and it is hereby provided, that in lieu of requesting a hearing, the alleged violator or Unit Owner may respond to the notice, within fifteen (15) days, acknowledging in writing that the violation occurred as alleged and promising that it will henceforth cease and will not recur, and that such acknowledgment and promise, and performance in accordance therewith, shall terminate further enforcement activity of the Association with regard to the violation.

(b) If a hearing is timely requested, the Board of Directors shall hold same, and shall hear any defense to the charges of the Covenants Enforcement Committee, including any witnesses that the alleged violator, the Unit Owner, or the Covenants Enforcement Committee may produce. Any party at the hearing may be represented by counsel.

(c) Subsequent to any hearing, or if no hearing is timely requested and if no acknowledgment and promise is timely made, the Board of Directors shall determine whether there is sufficient evidence of the alleged violation. If the Board so determines, it may levy a fine for each violation in an amount not to exceed Fifty (\$50.00) Dollars.

(d) A fine pursuant to this section shall be assessed against the Unit which the violator occupied at the time of the violation, whether or not the violator is an Owner of that Unit, and shall be collectible in the same manner as any other assessment, including by the Association's lien rights as provided in the Declaration. Any fines which are not paid when due, as determined by the Board, shall be delinquent. If the fine is not paid within thirty (30) days after the due date, a late fee of Fifteen (\$15.00) Dollars, beginning from the due date, may be levied by the Board of Directors for each month the fine remains unpaid. The person obligated to pay the fine shall also be charged interest at the

BK 6143 Pg. 031

highest rate permitted by law and costs and reasonable attorney's fees incurred by the Association in connection with collection and/or appeal shall be added to the amount of such fine. Nothing herein shall be construed to interfere with any right that a Unit Owner may have to obtain from a violator occupying his Unit payment in the amount of any fine or fines assessed against that Unit.

(e) Nothing herein shall be construed as a prohibition of or a limitation on the right of the Board of Directors to pursue other means to enforce the provisions of the Declaration, Articles of Incorporation, these By-Laws and Rules and Regulations, including but not limited to legal action for damages or injunctive relief.

ARTICLE XIII

CORPORATE SEAL

The Association shall have a seal in circular form having within its circumference the words: JACARANDA POINTE MAINTENANCE ASSOCIATION, INC., a Corporation Not For Profit, 1988.

ARTICLE XVI

AMENDMENTS

Section 1. Until such time as Class B membership ceases, these By-Laws may be amended, altered or rescinded by a majority vote of the Board of Directors; and thereafter at a regular or special meeting of the members, by a vote of a majority of a quorum of members present in person or by proxy.
