SPRINGTREE WEST III HOMEOWNERS ASSOCIATION

Dear Homeowner:

The Board of Directors would like to inform the Association members that in an effort to keep the property values of Springtree West III at the optimum level the Board will be enforcing the document Rules and Regulations.

Please keep in mind that the Association was created to protect the rights of all the residents of Springtree West III and to keep order in Community living.

You are very welcome and encouraged to attend any of the Association meetings that are held at alternative Board members homes every other month at seven o'clock PM. Please look for the signs that will be posted 48 hours in advance of the meetings.

All the restrictive covenants are important and all will be enforced; however a list of the most problematic situations is:

GARBAGE CANS AND BAGS: Please keep your garbage cans and bags out of view from the street. You may need to build an enclosure or plant a hedge. Please remember that you will need to seek approval from the Architectural Control Board for any change to the exterior of your home. Your Committee members are Dan Meegan (954) 572-7371 and Gillian Fairclough (954) 746-8273.

EDGE YOUR LAWN AT THE EDGE OF THE STREET: This is very important because the street repair is the responsibility of the homeowners. When the grass roots grow under the edge of the pavement, deterioration of the pavement results and this means costly repairs for the homeowners.

PETS AND WHAT THEY NATURALLY DO: It has come to the Board attention that pet owners are letting their animals outside without a leash and are not picking up after their pets. It is a common courtesy to pick up after your pets so please govern your pets accordingly.

AUTOMOBILE PARKING: Please park in your driveway. Do not block the sidewalk and never block your neighbor's driveway.

TRIM YOU'RE TREES: If your front tree branches are hanging over the sidewalk and impeding or endangering people using the sidewalk they must be cut. There should be no branches that are lower than six feet from the ground.

YOU'RE YARD: Please keep the grass cut, the landscape beds free of weeds and all objects including the house edged.

THESE RULES COME FROM YOUR RESTRICTIVE COVENANTS, SEE BELOW AND ARTICLE XI ADMINISTRATIVE RULES AND REGULATIONS.

ENFORCEMENT OF THESE COVENANTS AND RESTRICTIONS SHALL BE BY ANY PROCEEDINGS AT LAW OR IN EQUITY AGAINST ANY PERSON OR PERSONS VIOLATION OR ATTEMPTING TO VIOLATE ANY OF THE COVENANTS AND RESTRICTIONS, EITHER TO RESTRAIN VIOLATION OR TO RECOVER DAMAGES AND/OR TO ENFORCE ANY LIEN AGAINST A LOT PURSUANT TO THIS DECLARATION.

- 1. No Lot shall be used except for residential purposes. Temporary uses for model homes, parking lots and/or sales offices shall be permitted until the Developer has sold and conveyed all Lots.**
- 2. No owner shall make or permit structural modifications or alterations of any building except with the prior written consent of the Architectural Control Board (hereinafter identified) or its successor, and consent may be withheld if in the sole discretion of the party requested to give the same it appears that such structural modification or alteration would affect or in any manner endanger other dwelling units.**
- 3. No obnoxious or offensive activity shall be carried out upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or to any other owner.**
- 4. No structure of a temporary character, or trailer, tent, mobile home or recreational vehicle in excess of twenty feet in length shall be permitted on any Lot either temporarily or permanently. No gas tank, gas container, or gas cylinder shall be permitted to be placed above ground unless if enclosed on all sides by a decorative safety wall approved by the Architectural Control Board referred to herein.**
- 5. No sign of any kind shall be displayed to the public view with the Development Land except one sign or not more than one square foot used to indicate the name of the resident; more than five square feet advertising the Lot for sale; or any sign used by a builder or lender to advertise during the construction and sales period.**
- 6. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept, subject to Rules and Regulations of the Association, provided that they are not kept, bred or maintained for any commercial purpose, and provided that they do not become a nuisance or annoyance to any other owner.**
- 7. No building, wall, fence or other structure or improvement of any nature shall be erected, placed or altered on any Lot until the construction plans and specifications and a plan showing the location of the structure and landscaping, as may be required by the Architectural Control Board and approved in writing by the Architectural Control Board. Each building, wall, fence, or other structure or improvement of any nature, together with the landscaping, shall be erected, placed or altered only in accordance with the plans and specifications and plot plan so approved. Refusal of approval of plans, specifications and plot plans, or any of them, may be based on any ground, including purely aesthetic grounds, which in the sole and uncontrolled discretion of said Architectural Control Board seem sufficient. Any change in the exterior appearance of any building, wall, fence or other structure or improvements or any change in the appearance of the landscaping shall be deemed an alteration requiring approval.**

- 8. No trucks or commercial vehicles, campers, boats, house trailers or trailers of every other description shall be permitted to be parked or to be stored at any place on any Lot, except unless such vehicle is stored within a garage and is not visible from the street. This prohibition of parking shall not apply to temporary parking of trucks and commercial vehicles, such as for pick-up delivery, and other commercial services. (Amendment) No commercial vehicles or trailer of any kind or size, including boat trailers, commercial or otherwise, may be parked on Lot premises that are in public view. Public view shall be defined as being seen from roadways and/or sidewalks. Excluding pick-up trucks, vans and sport utility vehicles used for everyday transportation.**
- 9. No fence, wall or other structure shall be erected in the front yard, back yard, or side yard setback areas, except as originally installed by the Developer and/or except as may be approved by the Architectural Control Board.**
- 10. No garbage, refuse, trash or rubbish shall be deposited on any Lot except in a walled-in area; provided however, that the requirements from time to time of the City of Sunrise for disposal or collection shall be complied with. All equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.**
- 11. No clothing, laundry or wash shall be aired or dried on any portion of any Lot in an area exposed to view from any other Lot. Drying areas will be permitted only in locations approved by the Architectural Control Board and only when protected from view by screening or fencing approved by the Architectural Control Board.**
