There shall be a joint use of the Common Elements and a mutual easement for that purpose is hereby created.

D. Each Unit is identified by a specific numerical designation as set forth in Exhibit "B" attached hereto. In horizontal dimension, each Unit consists of the area bounded by the unfinished interior surfaces of the perimeter walls of each such Unit. In vertical dimension, each Unit consists of the space between the top of the unfinished concrete floor and the bottom of the unfinished ceiling of each such unit. G. Subject to the provisions of Article 20. of this Declaration, Units shall only be used as single-family residences by the Owners thereof, their family members and guests in accordance with rules and regulations of the Association.

3. RESTRAINT UPON SEPARATION AND PARTITION OF COMMON ELEMENTS.

A. The undivided share in the Common Elements which is appurtenant to a Unit shall not be separated therefrom and shall pass with the title to the Unit, whether or not separately described.

B. A share in the Common Elements appurtenant to a Unit cannot be conveyed or encumbered except together with the Unit.

C. The shares in the Common Elements appurtenant to Units shall remain undivided, and no action for partition of the Common Elements shall lie.

4. COMMON ELEMENTS.

A. Common Elements include the following:

(5) The property and installations required for the furnishing of Utility Services and other services to more than one Unit, the Common Elements or a Unit other than the Unit containing the installation.

(6) The easement described in Paragraph 19.F. of this Declaration.

B. The undivided share in the Common Elements, Common Expenses and Common Surplus appurtenant to each Unit is 1/56.

5. LIMITED COMMON ELEMENTS.

A. There may be Limited Common Elements appurtenant to Units in this Condominium, as reflected by the plot plan and survey attached as Exhibit "B" hereto, which shall include, but not be limited to, patios, balconies, parking spaces, and storage lockers which are specifically designated and delineated. These Limited Common Elements are reserved for the use of the Units to which they are appurtenant or assigned to the exclusion of other Units, and there shall pass with a Unit as an appurtenance thereto the exclusive right to use the Limited Common Elements so appurtenant or assigned.

B. Any expenses of maintenance, repair or replacement of Limited Common Elements shall be treated and paid for as a part of the Common Expenses (except that any maintenance, repairs or replacements caused by an individual Unit Owner shall be assessed against the individual Unit Owner). Parking spaces, storage

lockers, if any, and exterior surfaces of patios and balconies, not including any enclosure constructed thereon by a Unit Owner, shall be treated as Common Elements for this purpose.

6. DESCRIPTION OF PROPERTY SUBMITTED TO CONDOMINIUM OWNERSHIP.

A. The legal description of the land hereby submitted to condominium ownership is set forth in Exhibit "A" attached hereto and made a part hereof.

B. Exhibit "B" attached hereto and made a part hereof is a survey of said land, a graphic description of the improvements in which Units are located, and a plot plan thereof.

C. The identification, location and dimensions of each Unit and the Common Elements appear on Exhibit "B". Together with this Declaration, Exhibit "B" includes sufficient detail to identify the Common Elements and each Unit and provides accurate representations of their locations and dimensions.

7. AMENDMENT TO PLANS.

A. Developer reserves the right to change the interior design and arrangements of all Units, to alter the boundaries between the Units and to combine two or more Units to form a single Unit so long as any Unit so altered has not been conveyed by the Developer to a Unit Owner.

B. The Amendment of this Declaration reflecting such authorized alteration of plans by Developer need be signed and acknowledged only by the Developer, and need not be approved by the Association, Unit Owners, lienors or Mortgagees, whether or not their joinder is elsewhere required for other amendments.

8. AMENDMENT OF DECLARATION.

A. This Declaration may be amended at any regular or special meeting of Unit Owners called or convened in accordance with the By-Laws by the affirmative vote of more than fifty percent (50%) of the Units. All amendments shall be evidenced by a certificate executed as required by the Condominium Act and recorded among the Public Records of Broward County, Florida, provided, however, that except as otherwise provided in this Declaration:

(1) Subject to the provisions of Article 7 above, no amendment shall change the configuration or the size of any Unit in any material fashion, materially alter or modify the appurtenances to such Unit, nor change the proportional percentage by which a Unit Owner shares the Common Expenses and owns the Common Surplus unless the record owner thereof and

all record owners of liens thereon shall join in the execution of such amendment; and

(2) No amendment shall be passed which shall impair or prejudice the rights and priorities of any Mortgagee without the prior written consent of such Mortgagee.

(3) No amendment shall be passed which shall in any way affect any of the rights, privileges, powers or options of the Developer without the prior written consent of the Developer.

(4) Any amendment which would affect the surface water management system, including water management portions of the Common Elements, shall not be passed without the prior written approval of the South Florida Water Management District.

B. Notwithstanding anything to the contrary herein, the Developer reserves the exclusive right to amend the Declaration and any Exhibits hereto, which exclusive rights shall continue for such period of time as the Developer shall be in control of the Association; provided, however, that no such amendment by the Developer shall impair or prejudice the rights and priorities of any Mortgagee without the prior written consent of such Mortgagee. Such amendment need be executed and acknowledged only by the Developer and need not be approved by the Association, Unit Owners, lienors or Mortgagees, whether or not elsewhere required for amendments.

C. Invalidation of any part of this Declaration, any provision contained in any plat of the Condominium Property or in a conveyance of a Unit in the Condominium by judgment, court order or law shall not affect any of the other provisions hereof which shall remain in full force and effect.

9. THE ASSOCIATION, ITS POWERS AND RESPONSIBILITIES.

A. The operation of the Condominium shall be vested in the Association. The Association has been organized as a nonprofit Florida corporation and a copy of its Articles of Incorporation are attached hereto and made a part hereof as Exhibit "C".

B. No Unit Owner, except an officer or director of the Association, shall have any authority to act for the Association.

C. All Unit Owners shall automatically be members of the Association, and a Unit Owner's membership shall terminate when he no longer owns his Unit.

D. Unit Owners shall be entitled to one (1) vote for each Unit owned in accordance with the voting privileges set forth in the Articles and By-Laws. Multiple owners of a Unit shall collectively be entitled to one (1) vote for said Unit in accordance

with voting privileges set forth in the Articles and By-Laws. There shall be no cumulative voting.

E. The powers and duties of the Association shall include those set forth in the Articles, the By-Laws, the Condominium Act, and this Declaration and shall include, but not be limited to, the following:

(1) The irrevocable right of access to each Unit at reasonable hours as may be necessary for the maintenance, repair or replacement of any Common Elements therein or accessible therefrom or another Unit or at any hour for making emergency repairs necessary to prevent damage to the Common Elements or to another Unit.

(2) The power to levy and collect Assessments from unit owners and to lease, maintain, repair and replace the Common Elements.

(3) The keeping of accounting records in accordance with good accounting practices and the Condominium Act which records shall be open to inspection by Unit Owners or their authorized representatives at reasonable times and written summaries of which shall be supplied at least annually to Unit Owners or their authorized representatives.

(4) The power to enter into contracts with others for the maintenance, management, operation, repair and servicing of the Condominium Property. The service and maintenance contracts referred to herein may delegate the Association's duty to maintain, preserve, repair and replace the Common Elements, but shall not relieve each Unit Owner from his personal responsibility to maintain and preserve the interior surfaces of his Unit and to paint, clean, decorate, maintain and repair said Unit. Each Unit Owner, by his acceptance of the deed to his Unit, shall bind himself, his heirs, personal representatives, successors and assigns to any management contract, to the same extent and effect as if he had executed such contract for the purposes herein expressed including, but not limited to, adopting, ratifying, confirming and consenting to the execution of same by the Association, covenants and promising to perform each and every of the covenants, promises and undertakings to be performed by Unit Owners as required under said contract, acknowledging that all of the terms and conditions thereof, including the manager's fee, are reasonable and agreeing that the persons acting as directors and officers of the Association entering into such a contract have not breached any of their duties or obligations to the Association by virtue of the execution of said contract. The management contract, if any, and the acts of the Board of Administration and Officers of the Association in entering into such agreement, are hereby ratified, confirmed, approved and adopted.

(5) The power to adopt reasonable rules and regulations for the maintenance and conservation of the Condominium Property, and for the health, comfort, safety and welfare of the Unit Owners, all of whom shall be subject to such rules and regulations; provided, however, that no rule or regulation shall in any way affect any of the rights, privileges, powers or options of the Developer without the prior written consent of the Developer.

(6) The power to purchase units in the Condominium and to acquire, hold, lease, mortgage and convey the same.

(7) The power to obtain and maintain adequate insurance to protect the Association and the Common Elements.

F. Except as provided by statute in case of condemnation or substantial loss to the Units and/or Common Elements, unless at least two-thirds of the Mortgagees (based upon one vote for each first mortgage owned), or Owners (other than the Developer) have given their prior written approval, the Association shall not be entitled to:

(1) By act or omission seek to abandon or terminate the Condominium;

(2) Change the pro rata interest or obligations of any individual Unit for the purpose of (a) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or (b) determining the pro rata share of ownership of each Unit in the Common Elements;

(3) Partition or subdivide any Unit;

(4) By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Owners shall not be deemed a transfer within the meaning of this clause.);

(5) Use hazard insurance proceeds for losses to any portion of the Condominium for other than the repair, replacement or reconstruction of such portion.

10. BY-LAWS.

The administration of the Association and the operation of the Condominium Property shall be governed by the By-Laws of the Association, a copy of which is attached hereto and made a part hereof as Exhibit "D". No modification of or amendment to these By-Laws shall be deemed valid unless duly adopted as provided in the By-Laws and set forth in or annexed to a duly recorded amendment to this Declaration executed in accordance with the provi-

sions of the Condominium Act. No amendment to said By-Laws shall be adopted which would affect or impair the validity or priority of any mortgage covering any Condominium Parcel.

11. MAINTENANCE: LIMITATION UPON IMPROVEMENT.

A. The maintenance of the Common Elements shall be the responsibility of the Association; provided, however, that the Association shall not be responsible for the maintenance of any air conditioning compressor that serves a particular Unit, which responsibility shall, instead, be borne solely by the Owner of such Unit.

B. There shall be no material alteration or substantial addition to the Common Elements or Limited Common Elements except in the manner provided herein.

C. No Unit Owner shall make any alterations in the portions of the improvements of the Condominium which are to be maintained by the Association, remove any portion thereof, make any additions thereto, do any work which would jeopardize the safety or soundness of the building containing his Unit or impair any easement.

D. No fence, wall, gate or other structure may be erected, installed, maintained or removed on the Condominium Property until the design, construction, specifications and a plan showing the location of the structure have been approved in writing by the Board of Administration (or an architectural review committee appointed by it) as to quality, design and materials, in harmony with existing structures, and as to location with respect to topography and finished grade elevation. Such approval of the Board of Administration (or its designee) shall not be required in the event that the Board of Administration (or its designee) fails to give such approval within thirty (30) days after receipt of a written request for same. In no event will such approval be unreasonably withheld nor will any charge be made therefor. Nothing contained in this paragraph shall be construed to lessen the obligation of any Owner to make prompt application for and obtain all necessary governmental permits and other approvals with respect to any such structure. The provisions of this paragraph shall not apply to the Declarant.

12. COMMON EXPENSES AND COMMON SURPLUS.

A. Common Expenses shall include the expenses of the operation, maintenance, repair or replacement of the Common Elements, costs of carrying out the powers and duties of the Association and any other expense designated as Common Expenses by the Condominium Act, this Declaration or the By-Laws. Common Expenses shall also include assessments due by Unit Owners to the

Master Association, which assessments shall be paid by the Association.

B. Common Expenses shall be assessed against Unit Owners in a proportion equal to those proportions of ownership in the Common Elements as provided in this Declaration.

C. Common Surplus, if any, shall be owned by Unit Owners in a proportion equal to those proportions of ownership in the Common Elements as provided in this Declaration.

13. ASSESSMENTS, LIABILITY, LIENS, PRIORITY, INTEREST AND COLLECTIONS.

A. The Association, through its Board of Administration, shall have the power to determine and fix the sums necessary to provide for the Common Expenses, including the expense allocable to services being rendered by a management company with whom the Association may contract. Unless specifically waived by the Association, the Assessments shall include monies required for the payment of hazard and liability insurance premiums. The annual Assessment shall initially be payable in advance, quarterly, on the first day of each such quarter; however, the Board of Administration shall have the power to establish other collection procedures. In addition, the Association shall have the power to levy special assessments against Units in their respective percentages if a deficit should develop in the payment of Common Expenses during any period that the level of Assessments has not been guaranteed by the Developer. The Board of Administration of the Association may, but shall not be required to, include sums to establish reasonable reserves against future contingencies in each annual Assessment.

B. A Unit Owner, regardless of the manner in which he acquired title to his unit including, without limitation, a purchaser at a judicial sale, shall be liable for all Assessments while he is the owner of a Unit. In a voluntary conveyance of a Unit, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments against the latter for his share of the Common Expenses up to the time of such voluntary conveyance. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements, services or recreation facilities, or by abandonment of the Unit against which the Assessment was made.

C. Assessments and installments thereof not paid when due shall bear interest from the due date until paid at the maximum rate allowed under Florida law.

D. The Association shall have a lien upon each Condominium Parcel to secure the personal obligation of each Unit Owner thereof for any unpaid Assessment and interest thereon. Such lien shall also secure reasonable attorney's fees incurred by the

OFF 13373 Pg 366

Association incident to the collection of such Assessment or enforcement of such lien. The lien shall be evidenced by a claim recorded among the Public Records of Broward County, Florida, in the manner provided by the Condominium Act, and shall be effective from and as of the time of such recording, but such lien shall be subordinate to the lien of any Mortgagee. The Board of Administration may take such action as it deems necessary to collect Assessments by either an in personam action or lien foreclosure, or both, and may settle and compromise the same if in the best interest of the Association. Said liens shall have the priorities established by the Condominium Act.

E. Liens for Assessments may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property. In any such foreclosure, the court, in its discretion, may require the Unit Owner to pay a reasonable rental for the Condominium Parcel and the court may appoint a receiver to collect the Assessments which are the subject of said proceeding. The Association may bid in the Condominium Parcel at foreclosure sale and apply as a cash credit against its bid all sums due the Association secured by the lien being enforced, and the Association may acquire and hold, lease, mortgage and convey any Condominium Parcel so acquired.

F. If the holder of a mortgage of record or other purchaser of a Unit obtains title to the Condominium Parcel as a result of foreclosure of said first mortgage, or accepts a deed to said Condominium Parcel in lieu of foreclosure, such acquirer of title, his successors and assigns, shall not be liable for the share of Common Expenses or Assessments by the Association pertaining to such Condominium Parcel or chargeable to the former Unit Owner which became due prior to acquisition of title as a result of the foreclosure, except for any portion thereof secured by a claim of lien for Assessments that was recorded prior to a recording of the foreclosed mortgage. Any such unpaid share of Common Expenses or Assessments shall be deemed to be a Common Expense, collectible from all Unit Owners, including such acquirer, his successors and assigns. A mortgagee or other purchaser acquiring title to a Condominium Parcel as a result of foreclosure or a deed in lieu of foreclosure may not, during the period of its ownership of such Parcel, whether or not such parcel is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership.

G. Any person who acquires an interest in a Unit except as specifically provided in the preceding subparagraph shall not be entitled to occupancy of the Unit or enjoyment of the Common Elements until such time as all unpaid Assessments due and owing from the former owner have been paid.

H. The Association, acting by and through its Board of Administration, shall have the right to assign its claim for any unpaid Assessments and the lien securing said claim to the

Developer or to any Unit Owner, group of Unit Owners or any third party.

I. Nothing contained herein shall abridge or limit the rights or responsibilities of Mortgagees as set forth in the Condominium Act.

J. Except as provided in subparagraph F above and in this subparagraph, no Unit Owner other than the Developer as expressed below may be excused from the payment of his proportionate share of Common Expenses unless all Unit Owners are likewise proportionately excused from such payment. In accordance with the provisions of section 718.116 of the Condominium Act, the Developer shall be excused from the payment of annual assessments until such period of time as Developer shall cease to control the Association or a period of 12 months following recordation of this Declaration, whichever event occurs first ("Guaranty Period") since, during the Guaranty Period, the Developer guarantees that annual assessments shall not increase over the amounts set forth in the Estimated Operation Budget of the Condominium for the first year of operation. During the Guaranty Period, the Developer shall contribute an amount of money to the Association sufficient to eliminate any deficit between assessments collectible from Owners and the actual expenses of the Association.

14. TERMINATION OF CONDOMINIUM.

A. If all Unit Owners and the holders of all liens and mortgages upon all of the Condominium Parcels execute and duly record an instrument terminating the Condominium Property, or if "major damage" occurs as defined hereinafter and subject to Article 23, subparagraph A(2)(b) below, the Condominium Property shall be removed from the provisions of the Condominium Act and thereafter owned in common by the Unit Owners. The undivided interest in the Property owned in common by each Unit Owner shall then be the percentage of the undivided interest previously owned by such Owner in the Common Elements, and any liens which encumbered any Condominium Parcel shall be transferred to said undivided interest of the Unit Owner in the Property.

B. If the Owners of at least 85% of the Common Elements elect to terminate, they shall have the option to buy the Units of the other Unit Owners for a period of sixty (60) days from the date of the meeting wherein the election to terminate was taken. The purchase price shall be the fair market value of the Units as of the date of said meeting as determined by arbitration under the rules of the American Arbitration Association. The price shall be paid in cash within thirty (30) days of the determination of the same.

OFF 13373Pg 368

15. EQUITABLE RELIEF.

In the event of "major damage" to or destruction of all or a substantial part of the Condominium Property and if the Property is not repaired, reconstructed or rebuilt within a reasonable period of time, any Unit Owner shall have the right to petition a court of competent jurisdiction for equitable relief which may, but need not, include termination of the Condominium and partition.

16. LIMITATION OF LIABILITY.

A. The liability of each Unit Owner for Common Expenses shall be limited to the amounts assessed against him from time to time in accordance with the Condominium Act, this Declaration, the Articles and the By-Laws.

B. A Unit Owner may be personally liable for any damages caused by the Association in connection with the use of the Common Elements, but only to the extent of his pro rata share of that liability in the same percentage as his interest in the Common Elements and in no event shall said liability exceed the value of his Unit. Each Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit to the same extent and degree that the owner of a house or any other property owner would be liable for such an occurrence.

C. In any legal action in which the Association may be exposed to liability in excess of insurance coverage protecting it and the Unit Owners, the Association shall give notice of the exposure within a reasonable time to all Unit Owners, and they shall have a right to intervene and defend.

17. LIENS.

A. With the exception of liens which may result from the initial construction of this Condominium or provided for in this Article, no liens of any nature shall arise or be created subsequent to the recording of this Declaration against the Condominium Property (as distinguished from individual Units) without the unanimous consent of the Unit Owners.

B. Unless a Unit Owner has expressly requested or consented to work being performed or materials being furnished to his Unit, such labor or materials may not be the basis for the filing of a lien against same. No labor performed or materials furnished to the Common Elements shall be the basis for a lien thereon unless authorized by the Association, in which event, the same may be the basis for the filing of a lien against all Condominium Parcels in the proportions for which the Owners thereof are liable for Common Expenses.

C. In the event a lien against two or more Condominium Parcels becomes effective, each owner thereof may release his Condominium Parcel from the lien by paying the proportionate amount attributable to his Condominium Parcel. Upon such payment, it shall be the duty of the lienor to release the lien of record from such Condominium Parcel.

18. REMEDIES FOR VIOLATION.

Each Unit Owner, his family, invitees and tenants, shall be governed by and conform to this Declaration, the Articles, the By-Laws and the rules and regulations of the Association. Failure to do so shall entitle the Association or any other Unit Owner to recover damages or obtain injunctive relief or both, but such relief shall not be exclusive of other remedies provided by law.

19. EASEMENTS.

A. Owners of Units shall have, as an appurtenance to their Units, a perpetual easement for ingress and egress to and from their Units over and upon stairs, elevators, terraces, balconies, walks and other Common Elements intended for such purposes.

B. The Condominium Property shall be subject to perpetual easements for encroachments presently existing or which may hereafter be caused by settlement or movement of the Condominium Building or minor inaccuracies in construction, which easements shall continue until such encroachments no longer exist. If the Condominium Property is destroyed and then rebuilt, encroachments due to construction shall be permitted and a valid easement for said encroachments shall exist. If any portion of the Common Elements encroaches upon any Unit, or any Unit encroaches upon the Common Elements, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the improvements contained in the Condominium Property, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

C. The Condominium Property shall be subject to such easements for utilities as may be determined by the Developer or required to properly and adequately serve the Condominium Property as it exists from time to time. Each of said easements, whether heretofore or hereafter created, shall constitute covenants running with the land of the Condominium and, notwithstanding any other provisions of this Declaration, may not be substantially amended or revoked in such a way as to unreasonably interfere with its proper and intended use and purpose and shall survive the termination of the Condominium. To the extent that the creation of any such utility easements require the joinder of Unit Owners, the Developer by its duly authorized officers may,

as the agent or the attorney-in-fact for the Unit Owners, execute, acknowledge and deliver such instruments and the Unit Owners, by the acceptance of deeds to their Units, irrevocably nominate, constitute and appoint the Developer, through its duly authorized officers, as their proper and legal attorneys-in-fact for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such instrument executed pursuant to this Article shall recite that it is made pursuant to this Article.

D. The Developer hereby reserves unto itself an easement over the Condominium Property exclusive of any Units not owned by it for any activity that Developer determines in its sole discretion to be necessary to consummate the sale, lease or rental of any Unit including, but not limited to, the right to maintain models, post signs, use employees in the models or permit use of the Common Elements for marketing purposes. Further, such activities are hereby expressly authorized and permitted.

E. An easement shall exist for pedestrian traffic over, through and across sidewalks, paths and walks and for vehicular and pedestrian traffic over, through and across such portions of the Common Elements as may from time to time be paved and intended for such purposes. Such easements shall be for the use and benefit of the members of the Association and the Township Community Master Association, Inc., as well as the invitees of such members; provided, however, nothing herein shall be construed to give or create in any person the right to park upon any portion of the Condominium Property except to the extent that space may be specifically designated and assigned for parking purposes.

F. Developer hereby grants to Association, for the use and benefit of the Unit Owners, a temporary and non-exclusive easement for parking, ingress and egress over the lands described in Exhibit "E" attached hereto (the "Easement Property"). Developer reserves the right, in its sole discretion, to modify, enlarge, diminish, terminate or relocate the rights granted by this paragraph so long as Developer provides Association and its members with access from the Condominium to a dedicated right-of-way. This easement shall automatically be deemed modified or terminated, as the case may be, at any time that Developer shall (i) submit any portion of the Easement Property to the condominium form of ownership, or (ii) convey any portion of the Easement Property.

20. SALE OR LEASE.

Until such time as the Developer has relinquished control of the Association, the Developer shall have the option to purchase any Unit upon the same terms and conditions as are offered by the Unit Owner to any third person. Prior to the sale or transfer of any Unit to any person other than the transferor's spouse or mem-

ber of his immediate family or wholly owned corporation, the Unit Owner shall notify the Developer in writing of the name and address of the person to whom the proposed sale or transfer is to be made, the terms and conditions thereof together with a copy of the agreement for such sale or transfer and such other information as may reasonably be required by the Developer. Failure to do so shall be deemed a breach hereof, and any sale or transfer in contravention of this Article shall be null and void and confer no right, title or interest to the intended purchaser or transferee. If the proposed sale is bona fide and the Developer exercises its option with respect to same, the Developer shall, within ten (10) days after its receipt of said notice and such supplemental information as it may reasonably require, deliver to the Unit Owner the deposit required under the terms of such agreement and shall then be obligated to close the sale of the Unit in accordance with the terms and conditions thereof. Failure of the Developer to exercise the said option shall be stated in a certificate executed by the Developer, which shall be recorded in the Public Records of Broward County, Florida, by and at the expense of the proposed purchaser or transferee. Units shall not be leased without the prior written approval of the Association. The Association has the right to require that a substantially uniform form of lease be used. No lease shall be for a period of less than six (6) months, and the proposed lessees shall consist of not more than two (2) persons per bedroom in the Unit to be leased. Subleases of Units are prohibited. Units shall not be leased more than once in any six (6) month period. Notwithstanding the lease of his Unit, the liability of the Unit Owner under this Declaration shall continue. The Association must either approve or disapprove a lease within ten (10) days after its receipt of a request for such approval, which request shall be accompanied by such information as the Board may reasonably require. If approved, a recordable Certificate of Approval shall be executed by the Association at the expense of the lessee. If the Association fails to give the Unit Owner written notice of its approval or disapproval of the proposed lease, the proposed lease shall be deemed approved. The provisions of this subparagraph shall not be applicable to the Developer. Notwithstanding anything herein or any rule or regulation of the Association to the contrary, the Developer as well as any person approved in writing by the Developer shall be irrevocably empowered without any limitation at all times, whether for permanent or temporary occupancy, to sell, lease, rent or transfer Units owned by the Developer or such person, as the case may be, for any period and under any terms to any lessees, purchasers or transferees without the consent of any person including the Association being required. The provisions of this paragraph may not be amended without consent of the Developer.

21. ENFORCEMENT OF MAINTENANCE.

In the event that a Unit Owner fails to maintain his Unit as required herein or otherwise violates the provisions hereof, the

Association shall have the right to assess the Unit Owner and the Unit for the sums necessary to restore the Unit to good condition, to collect such Assessment and have a lien for same as is otherwise provided herein. The Association shall have the right, before or after any such Assessment, to have its employees or agents enter the Unit and do the work necessary to enforce compliance with the above provisions. Unit Owners may also be individually assessed for any damage to the Common Elements or Limited Common Elements which may be caused by such Owners, their family, lessees or guests.

22. INSURANCE

A. Purchase of Insurance. The Association shall obtain fire and extended coverage insurance, vandalism and malicious mischief insurance insuring all of the insurable improvements within the Common Elements together with such other insurance as the Association deems necessary in a company with an "A+10" rating or better in an amount which shall be equal to the maximum insurable replacement value as determined annually. The premiums for such coverage and other expenses in connection with said insurance shall be assessed against the Unit Owners as part of the Common Expenses. The named insured shall be the Association, individually and as agent for the Unit Owners, without naming them, and as agent for their Mortgagees.

(1) Provision shall be made for the issuance of Mortgagee endorsements and memoranda of insurance to Mortgagees. Such policies shall provide that payments for losses thereunder by the insurer shall be made to the Insurance Trustee hereinafter described, and all policies and endorsements thereon shall be deposited with the Insurance Trustee.

(2) For purposes of this and the following Article, all buildings constituting the Condominium, as described in Exhibits "A" and "B" attached hereto, shall collectively be deemed one Building and shall include any additional buildings as a part thereof which may hereafter become a part of this Condominium.

B. Coverage.

(1) Casualty. All buildings and improvements upon the Property described in Exhibit "A" attached hereto shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, and all personal property included in the Common Elements shall be insured for its maximum insurable replacement value, said value to be determined annually by the Board of Administration. Such coverage shall afford protection against:

(a) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement; and

(b) Such other risks as from time to time shall customarily be covered with respect to buildings similar in construction, location and use as the buildings described in this subparagraph B including, but not limited to, vandalism and malicious mischief.

(2) Public liability in such amounts and with such coverage as shall be required by the Board of Administration, including, but not limited to, hired automobile and nonowned automobile coverages, including a cross liability endorsement to cover liabilities of the Unit Owners as a group to a Unit Owner.

(3) Worker's compensation insurance meeting all the requirements of the laws of Florida.

(4) Directors and officers liability insurance, if available.

(5) Such other insurance as the Board of Administration shall determine from time to time to be desirable including without limitation such insurance as may be required by any agency of the United States government which holds a first mortgage encumbering a Unit or insures to the holder thereof the payment of the same.

C. Premiums. Premiums upon insurance policies purchased by the Association shall be assessed by the Association against the Unit Owners as part of the Common Expenses.

D. Insurance Trustee; Shares of Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association, the Unit Owners and their Mortgagees, as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to an Insurance Trustee which shall be designated by the Board of Administration. The Insurance Trustee shall not be liable for payment of premiums, the renewal or the sufficiency of policies or the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes stated herein and for the benefit of the Unit Owners and their Mortgagees in the following shares, which shares need not be set forth on the records of the Insurance Trustee:

(1) Common Elements. Proceeds on account of damage to Common Elements - an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Element appurtenant to his Unit.

(2) Units. Proceeds on account of damage to Units shall be held in the following undivided shares:

(a) When the Condominium Building is to be restored, for the owners of damaged Units in proportion to the cost of repairing the damage suffered by each Unit Owner, which cost shall be determined by the Association.

(b) When the Condominium Building is not to be restored, an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to his Unit.

(3) Mortgages. In the event a Mortgagee endorsement has been issued as to a Unit, the share of that Unit Owner shall be held in trust for the Mortgagee and the Unit Owner, as their interests may appear; provided, however, that no Mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no Mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except those proceeds paid to the Unit Owner and Mortgagee pursuant to the provisions of this Declaration.

E. Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed in the following manner:

(1) Expense of the Trustee. All expenses of the Insurance Trustee shall be paid first or provision made therefor.

(2) Reconstruction or repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their Mortgagees being payable jointly to them. This is a covenant for the benefit of any Mortgagee of any Unit and may be enforced by such Mortgagee.

(3) Failure to reconstruct or repair. If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial owners thereof, remittance to Unit Owners and their Mortgagee being payable jointly to them. This is a covenant for the benefit of any Mortgagee of any Unit and may be enforced by such Mortgagee.

REC 13373Pg 375

(4) Certificate. In making distributions to Unit Owners and their Mortgagees, the Insurance Trustee may rely upon a certificate of the Association, executed by its President or Vice President and Secretary or Assistant Secretary, as to the names of the Unit Owners and their respective shares of the distribution.

F. Association as Agent. The Association is hereby irrevocably appointed agent for each Unit Owner, for each holder of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property with power to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

G. Unit Owner's Obligation. Each Unit Owner shall have the obligation to purchase public liability insurance to protect himself against claims due to accidents within his Unit, and casualty insurance on the contents within said Unit. In addition, he should review the coverage of the Association to determine any additional insurance that may be advisable for him to purchase.

23. RECONSTRUCTION OR REPAIR AFTER CASUALTY.

A. Determination to Reconstruct or Repair. If any part of the Condominium Property is damaged by casualty, whether it shall be reconstructed or repaired shall be determined in the following manner:

(1) Common Element. If the damaged improvement is a Common Element, the damaged property shall be reconstructed or repaired unless it is determined in the manner elsewhere provided that the Condominium shall be terminated.

(2) Condominium Building:

(a) Lesser damage. If the damaged improvement is the Condominium Building, and if Units to which 50% or more of the Common Elements are appurtenant are found by the Board of Administration to be tenantable, the damaged property shall be reconstructed or repaired unless within 60 days after the casualty, it is determined by agreement in the manner elsewhere provided that the Condominium shall be terminated.

(b) Major damage. If the damaged improvement is the Condominium Building, and if Units to which more than 50% of the Common Elements are appurtenant are found by the Board of Administration to be untenable, the damaged property shall neither be reconstructed nor repaired and the Condominium shall be terminated without agreement as elsewhere provided unless, within 60 days

after the casualty, the owners of 85% of the Common Elements agree in writing to such reconstruction or repair.

(3) Certificate. The Insurance Trustee may rely upon a certificate of the Association executed by its President or Vice President and Secretary or Assistant Secretary in determining whether the damaged property is to be reconstructed or repaired.

B. Plans and Specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original Condominium Property; or, if not, then in accordance with plans and specifications approved by the Board of Administration and, if the damaged property is the Condominium Building, by the owners of not less than 75% of the Common Elements, including the owners of all damaged Units whose approval shall not be unreasonably withheld.

C. Responsibility. If the damage is only to those portions of a Unit or Units for which the responsibility of maintenance and repair is that of the Unit Owner(s), then the Unit Owner(s) shall be responsible for reconstruction and repair after casualty. In all other instances, it shall be the Association's responsibility to reconstruct and repair after casualty.

D. Estimate of Costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility for reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

E. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction or repair, the funds for the payment of the costs thereof are insufficient, Assessments shall be made against the Unit Owners who own the damaged Units and against all Unit Owners in the case of damage to Common Elements, in sufficient amounts to provide funds for the payment of such costs. Such Assessments against Unit Owners for damage to Units shall be in proportion to the cost of reconstruction and repair of their Units, and Assessments on account of damage to Common Elements shall be in proportion to the owners' share in the Common Elements.

F. Construction Funds. The funds for payment of costs of reconstruction and repair after casualty, which shall consist of insurance proceeds held by the Insurance Trustee and funds collected by the Association from Assessments against Unit Owners, shall be disbursed in payment of such costs in the following manner:
