The Developer, during the time it is in control of the Board of Directors of the Association, may amend the Declaration, the Articles or the By-Laws of the Association to correct an omission or error, or effect any other amendment, except that this procedure for amendment cannot be used if such an amendment would, in the reasonable opinion of the Developer, materially adversely affect substantial property rights of Unit Owners, unless the affected Unit Owners consent in writing. Developer, in Section 10 hereof, has specifically reserved the right to change the size and/or number of Developer-owned Units so long as the percentage interests in the Common Elements and share of the Common Surplus and Common Expenses of non-Developer-owned Units do not change. Such a change will not materially adversely affect the property rights of Unit Owners, other than the Developer and, if necessary, the Developer may amend this Declaration and the exhibits thereto from time to time without the consent of any other Unit Owners to evidence the change in size and/or number of Developer-owned Units. The execution and recording of any amendment by the Developer pursuant hereto shall be conclusive evidence that the amendment does not materially adversely affect substantial property rights of Unit Owners who did not join in or consent to such execution, and any such amendment shall be effective as provided below unless subsequently rescinded.

BK07770PG0052

S6.3 Execution and Recording. An amendment, other than amendments made by the Developer alone pursuant to the Act or this Declaration, shall be evidenced by a certificate of the Association which shall include recording date identifying the Declaration and shall be executed in the form required for the execution of a Deed. Amendments by the Developer must be evidenced in writing, but a certificate of the Association is not required. An amendment of the Declaration is effective when properly recorded in the Public Records of the County.

S6.4 Procedure. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of this Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of declaration. See provision for present text". Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

S6.5 Proviso. Unless otherwise provided specifically to the contrary in this Declaration, no amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit, or change the percentage by which the Owner of a Unit shares the Common Expenses and owns the Common Elements and Common Surplus, unless the record Owner(s) thereof and all record owners of mortgages or other liens thereon shall join in the execution of the amendment. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer, the Seller under the Agreement for Deed or Institutional First Mortgagees or mortgagees of Units without the consent of said Developer, the Seller under the Agreement for Deed or Institutional First Mortgagees or mortgagees in each instance; or shall an amendment make any change in the sections hereof entitled "Insurance", "Reconstruction or Repair after Casualty" or "Condemnation" unless all Institutional First Mortgagees whose mortgages are of record shall join in the amendment.

The aforesaid lien may be foreclosed in the same manner as mortgages or statutory liens are foreclosed in Florida. In the event of an emergency situation, threatening the health and welfare of the residents, the Developer may immediately enter upon the Condominium Property and cause such maintenance replacements or repairs to be made forthwith and without the requirement of any prior notice thereof, and the Developer shall have an enforceable lien upon the Condominium Property as aforesaid.

\$8.1 Additions, Alterations or Improvements by the Association. Whenever, in the judgment of the Board of Directors, the Common Elements or any part thereof shall require capital additions, alterations or improvements (as distinguished from repairs and replacements) costing in excess of Five Hundred Dollars (\$500.00) in the aggregate in any calendar year, the Association may proceed with such additions, alterations or improvements only if the making of such additions, alterations or improvements shall have been approved by a majority of the voting interests represented at a meeting at which a quorum is attained. Any such additions, alterations, or improvements to such Common Elements or any part thereof costing in the aggregate of Five Hundred Dollars (\$500.00) or less in a calendar year may be made by the Association without approval of the Unit Owners. The cost and expense of any such additions, alterations or improvements to such Common Elements shall constitute a part of the Common Expenses and shall be assessed to the Unit Owners as Common Expenses.

\$8.2 Additions, Alterations or Improvements by Developer. The Developer, provided Developer is the owner of all of the Units in a Building (or Buildings, as the case may be) in the Condominium, shall have the right, without the vote or consent of the Association or Unit Owners, to change all or any part of the front, rear or side elevations of the Building (or Buildings, as the case may be); and, provided further that in connection with any changes, Developer shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction.

9. Additions, Alterations or Improvements by Unit Owners and Developer.

\$9.1 Consent of the Board of Directors. No Unit Owner shall make any addition, alteration or improvement in, or to, the Common Elements, his Unit or any Limited Common Elements without the prior written consent of the Board of Directors and the Architectural Control and Maintenance Standards Committee. The Board shall have the obligation to answer any written request by a Unit Owner for approval of such an addition, alteration or

BR 7770PG0055

improvement in such Unit Owner's Unit or Limited Common Elements within thirty (30) days after such request and all additional information requested is received, and the failure to do so within the stipulated time shall constitute the Board's consent. The proposed additions, alterations and improvements by the Unit Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction and with any conditions imposed by the Association and the Architectural Control and Maintenance Standards Committee, with respect to design, structural integrity, aesthetic appeal, construction details, lien protection or otherwise.

A Unit Owner making or causing to be made any such additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Owner and his heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, all other Unit Owners harmless from any liability or damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance from and after that date of installation or construction thereof as may be required by the Association. Unless expressly permitted in writing by the Association, the installation of any floor covering, other than padded carpeting or well padded vinyl flooring, is prohibited. In any event, Unit Owners shall have the duty of causing there to be placed underneath such covering, so as to be between any such covering and the floor of the Unit, generally accepted and approved material for diminution of noise and sound, so that the floors shall be adequately soundproof according to general architectural and engineering standards presently observed in the community.

§9.2 Additions, Alterations or Improvements by Developer. The foregoing restrictions of this Section 9 shall not apply to Developer-owned Units. The Developer shall have the additional right, without the consent or approval of the Board of Directors or other Unit Owners, to make alterations, additions or improvements, structural and nonstructural, interior and exterior, ordinary and extraordinary, in, to and upon any Unit owned by it (including, without limitation, the removal of walls, floors, ceilings and other structural portions of the Improvements).

10. Changes in Developer-Owned Units. Without limiting the generality of the provisions of Section 9.2 above, the Developer shall have the right, without the vote or consent of the Association or Unit Owners, to (i) make alterations, additions or improvements in, to and upon Units owned by the Developer, whether structural or nonstructural, interior or exterior, ordinary or extraordinary; (ii) change the layout or number of rooms in any Developer-owned Units; (iii) change the size and/or number of Developer-owned Units into two or more separate Units, combining separate Developer-owned Units (including those resulting from such subdivision or otherwise) into one or more Units or otherwise; and (iv) reapportion among the Developer-owned Units so affected by such change in size or number, their appurtenant interests in the Common Elements and share of the Common Surplus and Common Expenses; provided, however, that the percentage interest in the Common Elements and share of the Common Surplus and Common Expenses of any Units (other than Developer-owned Units) shall not be changed by reason thereof unless the Owners of such Units shall consent thereto, and, provided further that Developer shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction in so doing. In making the above alterations, additions and improvements, the Developer may relocate and alter Common Elements adjacent to such Units provided that such relocation and alteration does not materially adversely affect the market value or ordinary use of Units owned by Unit Owners other than the Developer. Any amendments to this Declaration required by actions taken pursuant to this Section 10 may be effected by the Developer

BK 17770PC0056

alone. Without limiting the generality of Section 6.5 hereof, the provisions of this Section may not be added to, amended or deleted without the prior written consent of the Developer.

11. Operation of the Condominium by the Association; Power and Duties.

The Association shall be the entity responsible for the operation of the Condominium. The powers and duties of the Association shall include those set forth in the Articles and By-Laws of the Association (respectively, Exhibits 4 and 5 annexed hereto), as amended from time to time. In addition, the Association shall have all the powers and duties set forth in the Act, as well as all powers and duties granted to or imposed upon it by this Declaration, including, without limitation:

- (a) The Association has the irrevocable right of access to each Unit during reasonable hours, when necessary for the maintenance, repair or replacement of any Common Elements or for making emergency repairs therein necessary to prevent damage to the Common Elements or to any other Unit or Units. The Association has the right to determine compliance with the terms and provisions of this Declaration, the exhibits annexed hereto, and the rules and regulations adopted pursuant to such documents, as the same may be amended from time to time.
- (b) The power to make and collect Assessments and Special Assessments and other charges and surcharges against Unit Owners and to lease, maintain, repair and replace the Common Elements.
- (c) The power to charge a use fee against a Unit Owner for the exclusive or nonexclusive use of all or a portion of the Common Elements or Association Property.
- (d) The duty to maintain accounting records according to good accounting practices, which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times.
- (e) To contract for the management and maintenance of the Condominium Property and to authorize a management agent (which may be an affiliate of the Developer) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments and Special Assessments, preparation of records, enforcement of rules and maintenance, repairs and replacement of the Common Elements with funds as shall be made available by the Association for such purposes. The Association shall, however, retain at all times the powers and duties granted by the Condominium Documents and the Act, including but not limited to the making of Assessments, Special Assessments, promulgation of rules and execution of contracts on behalf of the Association.
- (f) The power to borrow money, execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in property owned by the Association, provided that such actions are approved by a majority of the entire membership of the Board of Directors and a majority of the voting interests of the Unit Owners represented at a meeting at which a quorum has been attained, or by such greater percentage of the Board or voting interests of the Unit Owners as may be specified in the By-Laws with respect to certain borrowing.
- (g) Subsequent to the recording of this Declaration, the Association, when authorized by a majority of the voting

BK 07770PG0057

interests of the Units represented at a meeting at which a quorum has been attained, shall have the power to acquire and enter into agreements for the acquisition of fee interests, leaseholds, memberships and other possessory or use interests in lands or facilities, including, but not limited to, country clubs, golf courses, marinas and other recreational facilities, whether or not contiguous to the lands of the Condominium intended to provide for the use or benefit of the Unit Owners (whether or not on an exclusive basis). The expenses of ownership (including the expense of making and carrying any mortgage related to such ownership), rental, membership fees, operation, replacements and other expenses and undertakings in connection therewith shall be Common Expenses. No actions authorized hereunder, however, may be taken without prior consent of Developer as long as the Developer owns any Units.

- (h) The obligation to become a Member of the Neighborhood Association and to elect one (1) delegate as a representative of the Association to represent the Association in the Neighborhood Association. To delegate to the Neighborhood Association and Master Association the duty and responsibility to maintain and preserve the landscaping, gardening, painting, repairing and replacement of the Common Areas and Recreation Area, respectively.
- (i) The power to adopt and amend the rules and regulations covering the details of the operation and use of the Condominium Property.
- (j) The power to levy reasonable fines against a Unit for failure of the Owner or its occupant, licensee or invitee to comply with any provision of this Declaration, the By-Laws or the rules and regulations.
- (k) All of the powers which a corporation not for profit in the State of Florida may exercise.

In the event of conflict between the powers and duties of the Association or otherwise, the Declaration shall take precedence over the Articles, By-Laws and applicable rules and regulations; the Articles shall take precedence over the By-Laws and applicable rules and regulations; and the By-Laws shall take precedence over applicable rules and regulations, all as amended from time to time.

§11.1 Limitation Upon Liability of Association.

Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair caused by any latent condition of the Condominium Property.

§11.2 Restraint Upon Assignment of Shares in Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

§11.3 Approval or Disapproval of Matters. Whenever the decision of a Unit Owner is required upon any matter, whether or not the subject of an Association meeting, that decision shall be expressed by the same person who would cast the vote for the Unit if at an Association meeting, unless the joinder of record Owners is specifically required by the Declaration or by law.

§11.4 Acts of the Association. Unless the approval or action of Unit Owners and/or a certain specific percentage of the Board of Directors of the Association is specifically required in this Declaration, the Articles or By-Laws of the Association,

applicable rules and regulations or applicable law, all approvals or actions required or permitted to be given or taken by the Association shall be given or taken by the Board of Directors, without the consent of Unit Owners, and the Board may so approve and act through the proper officers of the Association without a specific resolution. When an approval or action of the Association is permitted to be given or taken hereunder or thereunder, such action or approval may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal.

\$11.5 Recreation Area. Simultaneously with the recording of this Declaration, the Association has entered into that certain Agreement for Deed annexed hereto as Exhibit 6 and anything to the contrary notwithstanding, the Association and the Unit Owners shall be bound by all of the terms and provisions of said Agreement for Deed and all Exhibits thereto.

12. Determination of the Common Expenses and Fixing of Assessments Therefor. The Board of Directors shall from time to time, and at least annually, prepare a budget for the Condominium, determine the amount of Assessments payable by the Unit Owners to meet the Common Expenses of the Condominium, and allocate and assess such expenses among the Unit Owners in accordance with the provisions of this Declaration and the By-Laws. The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the Assessment payable by each of them as determined by the Board of Directors as aforesaid and shall furnish copies of each budget, on which such Assessments are based, to all Unit Owners and (if requested in writing) to their respective mortgagees. The Common Expenses shall include the expenses of the operation, maintenance, repair and replacement of the Common Elements and Recreation Area or other commonly used facilities and services, Special Assessments levied against all of the Units of the Condominium and any other expenses designated as Common Expenses by the Act, this Declaration, the Articles or By-Laws of the Association, applicable rules and regulations, or by the Association. Any budget adopted shall be subject to change to cover actual expenses at any time. Any such change shall be adopted consistent with the provisions of the By-Laws. Additionally, the charges for cable television services and auxiliary services, if any, to be provided to all of the Units of the Condominium, shall be deemed to be a Common Expense. The Board of Directors in determining the amount of the Assessments payable by the Unit Owners shall be authorized to include such charges in the estimated operating budget for the Condominium. Accordingly, the provisions contained in Section 13 of this Declaration with respect to the collection of Assessments shall be applicable to the charges for cable television services and auxiliary services.

13. Collection of Assessments and Special Assessments.

\$13.1 Liability for Assessments and Special Assessments. A Unit Owner, regardless of how title is acquired, including a purchaser at a judicial sale, shall be liable for all Assessments and Special Assessments coming due while he is the Unit Owner. Except as provided for in Section 13.5, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments and Special Assessments against the grantor for his share of the Common Expenses up to the time of transfer of title, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee. The liability for Assessments and Special Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments and Special Assessments are made or otherwise.

BT 770P60059

§13.2

Default in Payment of Assessments or Special Assessments for Common Expenses. Assessments, Special Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at the highest rate allowable by law from the due date until paid. The Association has a lien on each Condominium Parcel for any unpaid Assessments and Special Assessments on such Parcel, with interest and for reasonable attorney's fees and costs incurred by the Association incident to the collection of the Assessments and Special Assessments or enforcement of the lien. The lien is effective from and after recording a claim of lien in the Public Records of the County, stating the description of the Condominium Parcel, the name of the record Owner, the amount due and the due dates. No such lien shall continue for a longer period than one year after the claim of lien has been recorded, unless within that time an action to enforce the lien is commenced in a court of competent jurisdiction. The claim of lien shall secure all unpaid Assessments, Special Assessments, interest, costs, and attorney's fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to entry of a final judgment of foreclosure. A claim of lien shall be signed and acknowledged by an officer or agent of the Association. Upon payment the person making the payment is entitled to a satisfaction of the lien. The Association may bring an action in its name to foreclose a lien for unpaid Assessments and Special Assessments in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments and Special Assessments without waiving any claim of lien.

§13.3 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments and Special Assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments and Special Assessments, including those coming due after the claim of lien is recorded, and other sums permitted hereunder are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given and the court shall proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit the Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this subsection are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act and shall not apply if an action to foreclose a mortgage on the Unit is pending before any court if the Association's rights would be affected by such foreclosure, and if actual, constructive or substitute service of process has been made on the Unit Owner.

§13.4 Appointment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit and the claim of lien is foreclosed, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit and the Association is entitled to the appointment of a receiver to collect the rent.

§13.5 Institutional First Mortgagee. In the event an Institutional First Mortgagee shall obtain title to the Condominium Parcel by a purchase at the public sale resulting from

BK 770P60060

the Institutional First Mortgagee's foreclosure judgment in a foreclosure suit in which the Association has been properly named as a defendant junior lien holder, or as a result of a deed given in lieu of foreclosure, such Institutional First Mortgagee, its successors and assigns, shall not be liable for the share of Common Expenses or Assessments or Special Assessments or other charges imposed by the Association attributable to such Condominium Parcel or chargeable to the former Unit Owner of such Condominium Parcel which became due prior to acquisition of title as a result of the foreclosure or the acceptance of such deed in lieu thereof, unless such share is secured by a claim of lien that is recorded prior to the recording of the foreclosed mortgage. Such unpaid share of Common Expenses or Assessments or Special Assessments or other charges shall be deemed to be Common Expenses, collectible from all of the Unit Owners, including such acquirer, and such acquirer's successors and assigns.

§13.6 Developer's Liability for Assessments. (i) The Developer shall be excused from the payment of the share of the Common Expenses and Assessments relating to Units it is offering for sale, for a period beginning with the recording of this Declaration and ending the first day of the fourth calendar month following the month in which the closing of the purchase and sale of the first Unit occurs. However, the Developer must pay the portion of Common Expenses incurred during that period which exceeds the amount assessed against other Unit Owners.

(ii) During the period from the first day of the fourth calendar month following the month in which the closing of the purchase and sale of the first Unit occurs until December 31, 1991 (the "Guarantee Expiration Date"), the Developer shall not be obligated to pay the share of the Common Expenses and Assessments attributable to Units it is offering for sale, provided that the regular monthly Assessments for Common Expenses imposed on each Unit Owner other than the Developer shall not increase during such period over the amount set opposite such Unit's designation (model type) in the Estimated Operating Budget for the first twelve months of operation for the Association contained in the Supplement to the Offering Circular (Prospectus) delivered to such Unit Owner when such Owner contracted to purchase the Unit, if applicable; and provided further that the Developer shall be obligated to pay any amount of Common Expenses actually incurred during such period and not produced by the Assessments at the guaranteed level receivable from Unit Owners.

(iii) No funds receivable from Unit purchasers or Owners payable to the Association or collected by the Developer on behalf of the Association, other than regular periodic Assessments for Common Expenses as provided in this Declaration and disclosed in the Estimated Operating Budget for the first twelve months of operation contained in the Supplement to the Offering Circular (Prospectus) delivered to such Unit purchaser or Owner when such Unit purchaser or Owner contracted to purchase the Unit, if applicable, shall be used for payment of Common Expenses prior to the Guarantee Expiration Date. This restriction shall apply to funds including, but not limited to, capital contributions or start-up funds collected from Unit purchasers at closing.

§13.7 Possession of Unit. Subject to the Association's rights under Section 7.5 of this Declaration and under law, any person who acquires an interest in a Unit, except Institutional First Mortgagees through foreclosure of a first mortgage of record (or deed in lieu thereof), including, without limitation, persons acquiring title by operation of law, shall not be entitled to occupancy of the Unit or enjoyment of the Common Elements.

\$13.8 Certificate of Unpaid Assessments. The Association shall provide a certificate stating all Assessments, Special Assessments and other moneys owed to the Association by the Unit Owner with respect to the Condominium Parcel, within 15 days after request by a Unit Owner or Institutional First Mortgagee.

\$13.9 Installments. Assessments or Special Assessments may be collected monthly or quarterly in advance, at the option of the Association, from time to time.

\$13.10 Recreation Area. The Unit Owners acknowledge that the Developer is attempting to create a total environment or "way-of-life" at the Development, (involving a single residence and recreation product). The Developer, insofar as the Agreement for Deed, may be referred to as the Seller. In that connection, each Unit Owner, by acceptance of a deed or other instrument conveying title to a Unit adopts, consents and ratifies the Agreement for Deed to be executed simultaneously with the recording of this Declaration and agrees that the terms and provisions thereof are fair and reasonable. In addition to all other assessments, each Unit is hereby assessed the sum of \$3,950.00 as a contribution to the capital of the Association. The proceeds of such assessments shall be utilized by the Association to purchase, as a capital asset, an undivided interest in the Recreation Area pursuant to the provisions of the Agreement for Deed. The said assessments shall bear interest at the rate of 9.875% per annum, shall be payable in 360 equal monthly self-amortizing installments of principal and interest, and may be prepaid in full by a Unit Owner at any time subsequent to the date of his purchase of a Unit. If any Unit Owner shall fail to pay the said assessment, or any installment thereon, the Seller under said Agreement for Deed, in addition to all other remedies therein provided and provided by law shall have a mortgage lien against the Unit of such defaulting owner for the remaining unpaid balance of the assessments, which may be thereupon accelerated and be due and payable in full, together with all interest thereon, court costs and attorneys' fees and appellate attorneys' fees incurred in enforcing said lien and payment of said assessments. The indebtedness of each Unit Owner shall be further evidenced and secured by the execution at closing of his Unit of a Promissory Note and Pledge Agreement in the forms annexed as Exhibits F and E to the Agreement for Deed. The foreclosure of said lien or Pledge Agreement against a Unit Owner for his proportionate share of monies shall not be considered or construed as a termination or cancellation of the Agreement for Deed or operate as an extinguishment of any other lien rights or remedies provided by said Agreement for Deed or by law. The mortgage lien herein provided shall be subordinate to the lien of any Unit. In the event of prepayment in full of said assessment, the Association shall deliver to the Unit Owner making such prepayment a receipt therefore in recordable form, joined in by the Seller, reflecting that no further assessments on account of the purchase price of the Recreation Area shall be made against the Unit. Upon a properly approved transfer of title of a Unit wherein the transferee assumes all liability under the Agreement for Deed, Promissory Note, and Pledge Agreement, the transferor shall be relieved of all such liability.

The Developer shall be excused from the payment of any assessments on account of the purchase price of the Recreation Area; provided that during the time the Developer is so excused, the monthly sum otherwise due under the Agreement for Deed shall be deemed to be abated and deferred.

\$13.11 Special Assessments. The specific purpose or purposes of any Special Assessment approved in accordance with this Declaration, Articles, or By-Laws shall be set forth in a written notice of such Special Assessment sent or delivered to each Unit Owner. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in such

BK 7770PG0062

notice, or returned to the Unit Owners. However, upon completion of such specific purpose or purposes, any excess funds shall be considered Common Surplus.

14. Insurance. Insurance covering portions of the Condominium Property shall be governed by the following provisions:

§14.1 Purchase, Custody and Payment.

- (a) Purchase. All insurance policies described herein covering portions of the Condominium Property shall be purchased by the Association and shall be issued by an insurance company authorized to do business in Florida.
- (b) Approval. Each insurance policy, the agency and company issuing the policy and the Insurance Trustee (if appointed) hereinafter described, shall be subject to the approval of the Primary Institutional First Mortgagee in the first instance.
- (c) Named Insured. The named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be additional insured.
- (d) Custody of Policies and Payment of Proceeds. All policies shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee (if appointed), and all policies and endorsements thereto shall be deposited with the Insurance Trustee (if appointed).
- (e) Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.
- (f) Personal Property and Liability. Unit Owners may obtain insurance coverage at their own expense and at their own discretion upon the property lying within the boundaries of their Unit, including, but not limited to, their personal property and for their personal liability and living expense and for any other risks.

§14.2 Coverage. The Association shall maintain insurance covering the following:

- (a) Casualty. The Building (including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units initially installed, or replacements thereof, of like kind or quality in accordance with the original plans and specifications therefor, or as existed at the time the Unit was initially conveyed if the original plans and specifications are not available, but excluding floor coverings, wall coverings and ceiling coverings, all furniture, furnishings or other personal property owned, supplied or installed by Unit Owners or tenants of Unit Owners) and all Improvements located on the Common Elements from time to time, together with all service machinery contained therein (collectively, the "Insured Property"),

BK 7770PG0063

shall be insured in an amount not less than one hundred (100%) percent of the full insurable replacement value thereof, excluding foundation and excavation costs. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against:

- (i) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement; and
 - (ii) Such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.
- (b) Liability. Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board of Directors of the Association, but with combined single limit liability of not less than \$300,000 for each accident or occurrence, \$100,000 per person and \$50,000 property damage, and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa.
- (c) Workers' Compensation and other mandatory insurance, when applicable.
- (d) Flood Insurance, if required by the Primary Institutional First Mortgagees or if the Association so elects.
- (e) Fidelity Insurance, if required under the provision of the Act, covering all directors, officers and employees of the Association and managing agents who handle Association funds, if any.
- (f) Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) subrogation against the Association and against the Unit Owner's individually and as a group, (ii) the clause that reserves to the insurer the right to pay only a fraction of any loss in the event of co-insurer the right to pay only a fraction of any loss in the event of co-insurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, or by a member of the Board of Directors of the Association or by one or more Unit Owners.

\$14.3 Additional Provisions. All policies of physical damage insurance shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days' prior written notice to all of the named insured, including all mortgagees of Units. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of Directors shall obtain an appraisal from a fire insurance company or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section.

\$14.4 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense,

except that the amount of increase in the premium occasioned by misuse, occupancy or abandonment of any one or more Units or their appurtenances or of the Common Elements by particular Unit Owners shall be assessed against and paid by such Owners. Premiums may be financed in such manner as the Board of Directors deems appropriate.

\$14.5 Insurance Trustee; Share of Proceeds. All insurance policies obtained by the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee which may be designated by the Board of Directors and which, if so appointed, shall be a bank or trust company in Florida with trust powers with its principal place of business in the County. The Insurance Trustee (if appointed) shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee (if appointed) shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but which shares need not be set forth on the records of the Insurance Trustee:

- (a) Insured Property. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units, that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were Optional Property as described in subparagraph (b) below.
- (b) Optional Property. Proceeds on account of damage solely to Units and/or certain options or all of the contents thereof not included in the Insured Property (all as determined by the Association in its sole discretion) (collectively, the "Optional Property"), if any is collected by reason of optional insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of Owners of Units or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.
- (c) Recreation Area. In the event of casualty damage to the Building which is not to be restored, an undivided share for the Seller under the Agreement for Deed equal to the balance of principal, together with accrued interest, payable by the Association under said Agreement for Deed.
- (d) Mortgagees. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

\$14.6 Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee (if appointed) shall be distributed to or for the benefit of the beneficial Owners thereof in the following manner:

- (a) Expenses of the Trust. All expenses of the Insurance

BK 1770P60065

Trustee (if appointed) shall be first paid or provisions shall be made therefor.

- (b) Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being payable jointly to them.
- (c) Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Section 14.5 above, and distributed first to all Institutional First Mortgagees in an amount sufficient to pay off their mortgages, then to the Seller under the Agreement for Deed in an amount sufficient to pay off the balance of the purchase price of the Recreation Area, and the balance, if any, to the beneficial owners. This is a covenant for the benefit of the Seller under the Agreement for Deed and any mortgagees of a Unit and may be enforced by them.
- (d) Certificate. In making distribution to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.

\$14.7 Association as Agent. The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

\$14.8 Unit Owners Personal Coverage. Insurance policies issued to individual Unit Owners shall provide that the coverage afforded by such policies is excess over the amount recoverable under any other policy covering the same property without rights of subrogation against the Association. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against an Owner due to accidents occurring within his Unit, nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such other risks not covered by insurance carried by the Association.

\$14.9 Recreation Area. Notwithstanding any other provisions hereof, the terms and provisions of the Agreement for Deed shall govern the distribution of proceeds of insurance on or attributable to the Recreation Area.

\$14.10 Benefit of Mortgagees. Certain provisions in this Section 14 entitled "Insurance" are for the benefit of mortgagees of Units and the Seller under the Agreement for Deed and may be enforced by them.

\$14.11 Insurance Trustee. The Board of Directors of the Association shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Trustee, the Association will perform directly all obligations imposed upon such Trustee by this Declaration.

15. Reconstruction or Repair After Fire or Other Casualty.

§15.1 Determination to Reconstruct or Repair. In the event of damage to or destruction of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty unless seventy-five (75%) percent or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is destroyed or substantially damaged and Unit Owners owning eighty (80%) percent or more of the applicable interests in the Common Elements elect to proceed with repairs or restoration and the Primary Institutional First Mortgagee approves such election, the Board of Directors shall arrange for the prompt repair and restoration of the Insurance Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Insurance Trustee (if appointed) shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. If seventy-five (75%) percent or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed and if Unit Owners owning eighty (80%) percent of the applicable interests in the Common Elements duly and promptly resolve not to proceed with the repair or restoration thereof and the Primary Institutional First Mortgagee approves such resolution, the Condominium Property will not be repaired and shall be subject to an action for partition instituted by the Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements with respect to proceeds held for damage to the Insured Property other than that portion of the Insured Property lying within the boundaries of the Unit, and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the Insured Property lying within the boundaries of the Unit); provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such fund all mortgages and liens on his Unit in the order or priority of such mortgages and liens. Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin not more than sixty (60) days from the date the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, nor not more than ninety (90) days after the Insurance Trustee (if appointed) notifies the Board of Directors and the Unit Owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

§15.2 Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original Improvements; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association, and if the damaged property which is to be altered is the Building or the Optional Property, by the Owners of not less than eighty percent (80%) of the applicable interests in the Common Elements, as well as the Owners of all Units and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be altered.

§15.3 Special Responsibility. If the damage is only to those parts of

BR 1770PC0067

the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit by Unit basis, as determined in the sole discretion of the Association). In all other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.

\$15.4 Estimate of Costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

\$15.5 Special Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs of reconstruction and repair are insufficient, Special Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Special Assessments on account of damage to the Insured Property shall be in proportion to all of the Owner's respective shares in the Common Elements, and on account of damage to the Optional Property, in proportion to the cost of repairing the damage suffered by each Owner thereof, as determined by the Association.

\$15.6 Construction Funds. The funds for payment of the costs of reconstruction and repair, which shall consist of proceeds of insurance held by the Insurance Trustee (if appointed) and funds collected by the Association from Special Assessments against Unit Owners, shall be disbursed in payment of such costs in the following manner:

(a) **Association.** If the total Special Assessments made by the Association in order to provide funds for payment of the costs of reconstruction and repair which are the responsibility of the Association are more than Ten Thousand Dollars (\$10,000), then the sums paid upon such Special Assessments shall be deposited by the Association with the Insurance Trustee (if appointed). In all other cases, the Association shall hold the sums paid upon such Special Assessments and disburse the same in payment of the costs of reconstruction and repair.

(b) **Disbursement.** The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(i) **Association - Lesser Damage.** If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than Fifty Thousand Dollars (\$50,000), then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee (if appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction

BK17770P60068

fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

- (ii) Association - Major Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than Fifty Thousand Dollars (\$50,000), then the construction fund shall be disbursed in payment of such costs in the manner contemplated by subparagraph (i) above, but then only upon the further approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.
- (iii) Unit Owners. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected Unit Owners bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs of repair for his portion of the Optional Property. All proceeds must be used to effect repairs to the Optional Property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the affected Unit Owners and their mortgagees jointly as elsewhere herein contemplated.
- (iv) Surplus. It shall be presumed that the first monies disbursed in payment of cost of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated, except, however, that part of a distribution to an Owner which is not in excess of Assessments paid by such Owner into the construction fund shall not be made payable to any mortgagee.
- (v) Certificate. Notwithstanding the provisions herein, the Insurance Trustee (if appointed) shall not be required to determine whether or not sums paid by Unit Owners upon Special Assessments shall be deposited by the Association with the Insurance Trustee (if appointed), nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Special Assessments paid by Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee (if appointed) may rely upon a certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

BK 7770P60069

\$15.7 Benefit of Mortgagees. Certain provisions in this Section 15 are for the benefit of mortgagees of Units and may be enforced by any of them.

16. Condemnation.

\$16.1 Deposit of Awards with Insurance Trustee. The taking of portions of the Condominium Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee (if appointed). Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee (if appointed); and in the event of failure to do so, in the discretion of the Board of Directors of the Association, a Special Assessment shall be made against a defaulting Unit Owner in the amount of his award, or the amount of that award shall be set off against the sums hereafter made payable to that Owner.

\$16.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain shall also be deemed to be a casualty.

\$16.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and Special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and Special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty, or as elsewhere in this Section 16 specifically provided.

\$16.4 Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

- (a) **Restoration of Unit.** The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be assessed against the Owner of the Unit.
- (b) **Distribution of Surplus.** The balance of the award in respect of the Unit, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.
- (c) **Adjustment of Shares in Common Elements.** If the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common Elements and of the Common Expenses and Common Surplus appurtenant to the Unit shall be reduced by multiplying the percentage of the applicable Unit prior to reduction by a fraction, the numerator of which shall be the area in square feet of the Unit after the taking and the denominator of which shall be the area in square feet of the Unit before the taking. The shares of all Unit Owners in the Common Elements, Common

BK17770PG0070

Expenses and Common Surplus shall then be restated as follows:

- (i) add the total of all percentages of all Units after reduction as aforesaid (the "Remaining Percentage Balance"); and
- (ii) divide each Percentage for each Unit after reduction as aforesaid by the Remaining Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

\$16.5 Unit Made Uninhabitable. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sole opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

- (a) **Payment of Award.** The awards shall be paid first to the applicable Institutional First Mortgagee in amounts sufficient to pay off their mortgages in connection with each Unit which is not so habitable; second, then to the Seller under the Agreement for Deed as a pre-payment of the principal balance, together with accrued interest thereon, due from those Units which are not habitable; third, to the Association for any due and unpaid Assessments and Special Assessments; fourth, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.
- (b) **Addition to Common Elements.** The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.
- (c) **Adjustment of Shares.** The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This shall be effected by restating the shares of continuing Unit Owners as follows:
 - (i) add the total of all percentages of all Units of continuing Owners prior to this adjustment, but after any adjustments made necessary by Section 16.4(c) hereof (the "Percentage Balance"); and
 - (ii) divide the percentage of each Unit of a continuing Owner prior to this adjustment, but after any adjustments made necessary by Section 16.4(c) hereof, by the Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

- (d) **Special Assessments.** If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common

BK 1770PC0071

Elements, the additional funds required for such purposes shall be raised by Special Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium affected by the taking. The Special Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares affected pursuant hereto by reason of the taking.

(e) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within thirty (30) days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Unit Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such owners as they exist prior to the adjustments to such shares affected pursuant hereto by reason of the taking.

(f) Recreation Area. Any Unit Owner whose Unit is not made habitable shall be responsible for and shall immediately pay the balance of the purchase price for the Recreation Area attributable to his Unit and not covered by the condemnation award. If such Unit Owner continues to make timely payment of all sums otherwise due under the Agreement for Deed (including his proportionate share of maintenance and operational payments), the Unit Owner shall be entitled to continue to use the Recreation Area and to be a member of the Recreation Association referred to in the Agreement for Deed.

\$16.6 Taking of Common Elements. Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the Mortgagees of the Unit.

\$16.7 Discretion of Board. In circumstances not covered by this Declaration or by law, a two-thirds (2/3) majority of the Board may, upon an opinion of counsel that its decision is reasonable, deal with the condemnation in such reasonable manner as it determines to be appropriate under the circumstances.

\$16.8 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are affected by the taking shall be evidenced by an amendment to this Declaration that is only required to be approved by and executed upon the direction of a majority of all Directors of the Association.

17. Occupancy and Use Restrictions. In order to provide for congenial

BR 7770PC0072

occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:

\$17.1 Occupancy. Each Unit shall be used as a residence only, except as otherwise herein expressly provided. A Unit owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families and guests: (i) the individual Unit Owner, (ii) an officer, director, stockholder or employee of such corporation, (iii) a partner or employee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) permitted occupants under an approved lease or sublease of the Unit (as described below), as the case may be.

Occupants of an approved lease or subleased Unit must be the following persons, and such persons' families and guests: (i) an individual lessee or sublessee, (ii) an officer, director, stockholder or employee of a corporate lessee or sublessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee or sublessee.

Under no circumstances may more than one family reside in a Unit at one time. "Families" or words of similar import used herein shall be deemed to include spouses, parents, parents-in-law, brothers and sisters. In no event shall occupancy (except for temporary occupancy by visiting guests) exceed two (2) persons per bedroom. The Board of Directors shall have the power to authorize occupancy of a Unit by persons in addition to those set forth above. The provisions of this Section 17.1 shall not be applicable to Units used by the Developer for model apartments, sales offices, other offices or management services.

\$17.2 Age of Residents; Services and Facilities. Subject to all local ordinances, as they may be amended from time to time, at least one person over the age of fifty-five (55) years of age must be a permanent occupant of each Unit, whenever any person occupies said Unit. Persons under the age of fifty-five (55) years and more than eighteen (18) years of age may occupy and reside in a Unit as long as at least one of the occupants is over the age of fifty-five (55) years. No person under the age of eighteen (18) may be a permanent occupant of any Unit, except that persons under the age of eighteen (18) may be permitted to visit and temporarily reside for periods not to exceed thirty (30) days in total in any calendar year. Notwithstanding the above, if a Unit is transferred by inheritance, the requirement as to one occupant of said Unit being over the age of fifty-five (55) years is waived as to occupancy by the heirs so long as no permanent occupant is under the age of eighteen (18) years and further so long as at least eighty (80%) percent of all of the Units in the Condominium are occupied by one person over the age of fifty-five (55) years. It shall be the responsibility of the Board of Directors of the Association to determine whether eighty (80%) percent of the Units in the Condominium are occupied by at least one person who is over the age of fifty-five (55) years. Subject to the terms of this Declaration, the Articles of Incorporation and By-Laws of the Association the Board shall have the authority to make any additional capital improvements upon the common properties necessary to provide facilities or services specifically designed to meet the requirements of the Fair Housing Amendments Act of 1988.

Children shall be the direct responsibility of their parents or legal guardians, including full supervision of them while within the Condominium Property and including full compliance by them of these restrictions and all rules and regulations of the Association. All children under eighteen (18) years of age must be accompanied by a responsible adult when entering and/or utilizing the Recreation Area or other commonly used facilities.

BK 17170 PG0073

- \$17.3 Pets.** No animals or pets of any kind shall be allowed in any Unit or the Common Elements. This subsection shall not be amended unless approved by the Board of Directors of a majority of all of the Condominium Associations located at the Development.
- \$17.4 Alterations.** Without limiting the generality of Section 9.1 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Limited Common Elements appurtenant thereto or Common Elements, including but not limited to, painting or other decorating of any nature, installing any electrical wiring, television antennae, machinery or air-conditioning units or in any manner changing the appearance of any portion of the Building, without obtaining the prior written consent of the Association (in the manner specified in Section 9.1 hereof).
- \$17.5 Use of Common Elements.** The Common Elements shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.
- \$17.6 Nuisances.** No nuisances (as defined by the Association) shall be allowed on the Condominium Property, nor shall any use or practice be allowed which is a source of annoyance to residents or occupants of Units or which interferes with the peaceful possession or proper use of the Condominium Property by its residents or occupants.
- \$17.7 No Improper Uses.** No improper, offensive, hazardous or unlawful use shall be made of the Condominium Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover relating to any portion of the Condominium Property, shall be corrected by and at the sole expense of the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth.
- \$17.8 Leases.** No portion of a Unit (other than an entire Unit) may be rented. All leases shall be on forms approved by the Association and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles and By-Laws of the Association, applicable rules and regulations or other applicable provisions of any agreement, document or instrument governing the Condominium or administered by the Association. Leasing of Units shall also be subject to the prior written approval of the Association and the Association may reject the leasing of any Unit on any grounds the Association elects. No lease shall be approved for a term of less than ninety days. Only two (2) leases shall be permitted within a 365 day period, which 365 day period shall be deemed to commence on the date of the lease. This Section 17.8 shall remain in force and effect for a period of five (5) years from the date Unit Owners other than Developer elect a majority of the Board of Directors of the Association. Thereafter, this Section shall remain in effect until Unit Owners owning not less than eighty (80%) percent of the voting interests represented at any meeting at which a quorum has been attained vote to change this Section in whole or in part. As a condition to the approval by the Association of a proposed lease of a Unit, the Association, notwithstanding anything contained in Section 18.10 of this Declaration, has the authority to require a security deposit in an amount not to exceed the equivalent of one month's rent be deposited into an escrow account maintained by the Association. The security deposit shall protect against damages to the Common Elements or Association Property. Within 15 days after a tenant vacates the Unit the Association shall refund the full security deposit or give written notice to the tenant of any claim made against the security. Disputes under this Section 17.8 shall be handled in the same fashion as disputes concerning security deposits under Florida Statutes, Section 83.49. The Unit

BK 1770PG0074

Owner will be jointly and severally liable with the tenant to the Association for any amount in excess of such sum which is required by the Association to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant. All leases shall also comply with and be subject to the provisions of Section 18 hereof.

§17.9 Exterior Improvements; Landscaping. Without limiting the generality of Section 9.1 or Section 17.4 hereof, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Building (including, but not limited to, awnings, signs, storm shutters, screens, furniture, fixtures and equipment), nor to plant or grow any type of shrubbery, flower, tree, vine, grass or other plant life outside his Unit, without the prior written consent of the Association.

§17.10 Effect on Developer; Association. The restrictions and limitations set forth in this Section 17 shall not apply to the Developer or to Units owned by the Developer unless the Rules of the Florida Department of Business Regulation or the Act require otherwise. The Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 17 for good cause shown.

18. Selling, Leasing and Mortgaging of Units. No Unit Owner other than the Developer may sell or lease his Unit except by complying with the following provisions:

§18.1 Right of First Refusal. Any Unit Owner who receives a bona fide offer to purchase or lease his Unit (such offer to purchase or lease a Unit, as the case may be, is called an "Outside Offer" the party making any such Outside Offer is called an "Outside Offeror" and the Unit Owner to whom the Outside Offer is made is called an "Offeree Unit Owner"), which he intends to accept shall give notice by registered mail to the Board of Directors of the receipt of such Outside Offer. Said Notice shall also state the name and address of the Outside Offeror, the terms of the proposed transaction and such other information as the Board of Directors may reasonably require. The giving of such notice to the Board of Directors shall constitute an offer by such Unit Owner to sell his Unit or to lease his Unit to the Association or its designee upon the same terms and conditions as contained in such Outside Offer and shall also constitute a Warranty and representation by the Unit Owner who has received such Outside Offer to the Association that such Unit Owner believes the Outside Offer to be bona fide in all respects. The Offeree Unit Owner shall submit in writing such further information with respect thereto as the Board of Directors may reasonably request. Not later than twenty (20) days after receipt of such notice, together with such further information as may have been requested, the Association or its designee may elect, by sending written notice to such Offeree Unit Owner before the expiration of said twenty (20) day period, by certified mail, to purchase such Unit or to lease such Unit as the case may be, upon the same terms and conditions as contained in the Outside Offer and as stated in the notice from the Offeree Unit Owner. In the event the Association shall timely elect to purchase such Unit or to lease such unit, or to cause the same to be purchased or leased by its designee, title shall close or a lease shall be executed at the office of the attorneys for the Association, in accordance with the terms of the Outside Offer, within forty-five (45) days after the giving of notice by the Association of its election to accept such offer. If, pursuant to such Outside Offeror was to assume or take title to the Unit subject to the Offeree Unit Owner's existing mortgage or mortgages, the Association may purchase the Unit and assume or take title to the Unit subject to said existing mortgage or mortgages, as the case may be. At the closing, the Offeree Unit Owner, if such Unit is

BR 7770PG0075

to be sold, shall convey the same to the Association, or to its designee, by statutory warranty deed, with all tax and/or documentary stamps affixed at the expense of such Unit Owner, who shall also pay all other taxes arising out of such sale. Title shall be good and marketable and insurable and the Offeree Unit Owner shall deliver an abstract or provide a title binder (and subsequently, title insurance) at its expense at least thirty (30) days prior to such closing. Real estate taxes, mortgage interest, if any, and Common Expenses shall be apportioned between the Offeree Unit and the Association, or its designee, as of the closing date. In the event such Unit is to be leased, the Offeree Unit Owner shall execute and deliver to the Board of Directors or to its designee, a lease between the Offeree Unit Owner, as landlord, and the Association, or its designee, as tenant, covering such Unit, for the rental and term contained in such Outside Offer.

In the event the Association or its designee shall fail to accept such offer or, in the case of a lease, shall fail to reject the proposed lease as permitted by Section 17.8 hereof, within twenty (20) days after receipt of notice and all additional information requested, as aforesaid the Offeree Unit Owner shall be free to accept the Outside Offer within sixty (60) days after (i) notice of refusal is given by the Association, or (ii) the expiration of the period in which the Association or its designee might have accepted such offer, as the case may be. In the event the Offeree Unit Owner shall not, within such sixty (60) day period, accept, in writing, the Outside Offer or if the Offeree Unit Owner shall accept the Outside Offer within such sixty (60) day period but such sale or lease, as the case may be, shall not be consummated in accordance with the terms of such Outside Offer or within a reasonable time after the date set for closing thereunder, then, should such Offeree Unit Owner thereafter elect to sell such Unit or to lease such Unit, as the case may be, the Offeree Unit Owner shall be required to again comply with all of the terms and provisions of this Section.

Any deed or lease to an Outside Offeror shall provide (or shall be deemed to provide) that the acceptance thereof by the grantee or tenant shall constitute an assumption of the provisions of the Declaration, the By-Laws, the Articles, applicable rules and regulations and all other agreements, documents or instruments affecting the Condominium Property or administered by the Association, as the same may be amended from time to time.

Any lease executed in connection with the acceptance of any Outside Offer to lease a Unit shall be consistent herewith and with the By-Laws and rules and regulations and shall provide specifically that (i) it may not be modified, amended, extended or assigned without the prior consent in writing of the Board of Directors, (ii) the tenant shall not assign his interest in such lease or sublet the demised premises or any part thereof without the prior consent in writing of the Board of Directors, and (iii) the Board of Directors shall have the power, but shall not be obligated, to terminate such lease and/or to bring summary proceedings to evict the tenant in the name of the landlord thereunder, in the event of (a) a default by the tenant in the performance of its obligations to comply with the documents described in the preceding unnumbered paragraph under such lease, or (b) a foreclosure of the lien granted under the Act. Such lease shall also comply with the provisions of Section 17.8 hereof.

Except as hereinbefore set forth, the form of any such lease executed by the Association or an Outside Offeror shall contain such other modifications as shall be approved in writing by the Board of Directors. Any lease executed by the Association as tenant shall provide that the Association may enter into a sublease of the premises without the consent of the landlord.

Any purported sale or lease of a Unit in violation of this Section shall be voidable at any time at the election of the Association and if the Board of Directors shall be so elect, the Unit Owner shall be deemed to have authorized and empowered the Association to institute legal proceedings to evict the purported tenant (in case of an unauthorized leasing), in the name of said Unit Owner as the purported landlord. Said Unit Owner shall reimburse the Association for all expenses (including attorney's fees and disbursements) incurred in connection with such proceedings.

The foregoing restrictions shall not apply to Units owned by or leased to the Developer or by or to any Institutional First Mortgagee acquiring title by foreclosure or by a deed in lieu of foreclosure. The Developer and such Institutional First Mortgagees shall have the right to sell, lease or sublease Units they own or lease without having to first offer the same for sale or lease to the Association.

- \$18.2 Consent of Unit Owners to Purchase or Lease of Units by the Association.** The Association shall not exercise any option hereinabove set forth to purchase or lease any Unit without the prior approval of Owners of a majority of the voting interests present in person or by proxy and voting at a meeting at which a quorum has been obtained.
- \$18.3 No Severance of Ownership.** Except as elsewhere herein provided, no part of the Common Elements may be sold, conveyed or otherwise disposed of, except as an appurtenance to the Unit in connection with a sale, conveyance or other disposition of the Unit to which such interest is appurtenant, and any sale, conveyance or other disposition of a Unit shall be deemed to include that Unit's appurtenant interest in the Common Elements.
- \$18.4 Release by the Association of the Right of First Refusal.** The right of first refusal contained in Section 18.1 may be released or waived by the Association only in the manner provided in Section 18.5. In the event the Association shall release or waive its right of first refusal as to any Unit, such Unit may be sold, conveyed or leased free and clear of the provisions of said Section 18.1.
- \$18.5 Certificate of Termination of Right of First Refusal.** A certificate executed and acknowledged by an officer of the Association stating that the provisions of Section 18.1 have been satisfied by a Unit Owner, or stating that the right of first refusal contained therein has been duly released or waived by the Association and that, as a result thereof, the rights of the Association thereunder have terminated. The certificate shall be conclusive with respect to all persons who rely on such certificate in good faith. The Board of Directors shall furnish such certificate upon request to any Unit Owner in respect to whom the provisions of such Section have, in fact, terminated or been waived.
- \$18.6 Financing of Purchase of Units by the Association.** The purchase of any Unit by the Association shall be made on behalf of all Unit Owners. If the available funds of the Association are insufficient to effectuate any such purchase, the Board of Directors may levy a Special Assessment against each Unit Owner (other than the Offeree Unit Owner), in proportion to his share of the Common Expenses, and/or the Board of Directors may, in its discretion, finance the acquisition of such Unit; provided, however, that no such financing may be secured by an encumbrance or hypothecation of any portion of the Condominium Property other than the Unit to be purchased.
- \$18.7 Exceptions.** The provisions of Section 18.1 shall not apply with respect to any lease, sale or conveyance of any Unit by (a) the Unit Owner thereof to his spouse, children, parents,

BK1770PC0077

parents-in-law, siblings or a trustee, corporation or other entity where the Unit Owner or the aforementioned related persons are and continue to be the sole beneficiary or equity owner of such trustee, corporation or other entity, or to any one or more of the above, (b) the Developer, (c) the Association, (d) any proper officer conducting the sale of a Unit in connection with the foreclosure of a mortgage or other lien covering such Unit or delivering a deed in lieu of foreclosure, or (e) an Institutional First Mortgagee (or its designee) deriving title by virtue of foreclosure of its mortgage or acceptance of a deed in lieu of foreclosure; provided, however, that each succeeding Unit Owner shall be bound by, and his Unit subject to, the provisions of this Section 18.

\$18.8 Gifts and Devises, etc. Any Unit Owner shall be free to convey or transfer his Unit by gift, to devise his Unit by will, or to have his Unit pass by intestacy, without restriction; provided, however, that each succeeding Unit Owner shall be bound by and his Unit subject to, the provisions of this Section 18 and 17.2.

\$18.9 Mortgage of Units. Each Unit Owner shall have the right to mortgage his Unit without restriction.

\$18.10 Transfer Fees. The Association may, at its option, charge a transfer fee in connection with the furnishing of a certificate in accordance with Section 18.5 for the sale, lease or sublease of a Unit in connection with the Association's right of first refusal provided for in this Section 18; provided, however, if the lease or sublease is a renewal (or if a lease or sublease is with the same lessee or sublessee) no charge shall be made. The transfer fee may be preset by the Association but in no event shall it exceed the maximum amount allowed under the Act. The transfer fee shall be on a per applicant basis other than husband/wife or parent/dependent child, which are considered one applicant.

19. Compliance and Default. Each Unit Owner and every occupant of a Unit and the Association shall be governed by and shall comply with the terms of this Declaration and all Exhibits annexed hereto, and the rules and regulations adopted pursuant to those documents, as the same may be amended from time to time. The Association (and Unit Owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:

\$19.1 Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement made necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent such expense is not met by the proceeds of insurance actually collected in respect of such negligence by the Association.

\$19.2 Compliance. In the event a Unit Owner or occupant fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the provisions of this Declaration, the By-Laws, the Articles, applicable rules and regulations or any other agreement, document or instrument affecting the Condominium Property or administered by the Association, in the manner required, the Association shall have the right to proceed in a court of equity to require performance and/or compliance, to impose any applicable fines and to sue in a court of law for damages. In addition, the Association shall have the irrevocable right of access to each Unit during reasonable hours when necessary for the maintenance, repair, or replacement of any Common Elements or for making emergency repairs which are necessary to prevent damage to the Common Elements or to another Unit or Units.

\$19.3 Costs and Attorneys' Fees. In any proceeding arising because of an alleged failure of a Unit Owner or the Association to comply with the requirements of the Act, this Declaration, the exhibits

BK 17770PC0078

annexed hereto or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees) as may be awarded by the court.

\$19.4 No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provisions of the Act, this Declaration and the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, shall not constitute a waiver of their right to do so thereafter.

20. **Merger of Condominium.** The Condominium may be merged with one or more condominiums within the Development to form a single condominium upon (i) the approval of such voting interests of each condominium as is required by the declaration for modifying the appurtenances to the Units or changing the proportion or percentages by which the owners of the Condominium Parcel share the Common Expenses and own the Common Surplus, (ii) the approval of all of the Institutional First Mortgagees and of all record owners of liens and (iii) upon the recording of new or amended Articles of Incorporation, Declaration(s) of Condominium and By-Laws.
21. **Termination of Condominium.** The Condominium shall continue until (i) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration, or (ii) such time as withdrawal of the Condominium Property from the provisions of the Act is authorized by a vote of Owners owning at least eighty (80%) percent of the applicable interests in the Common Elements (after twenty (20%) percent of the Units have been sold to Unit Owners other than the Developer, the Developer will not vote the Units owned by it for such withdrawal unless the Owners of at least eighty (80%) percent of all other applicable interests in the Common Elements so elect for such withdrawal, at which time Developer may choose to vote either in favor of or against withdrawal from Condominium ownership, as it sees fit), and by the Primary Institutional First Mortgagees. In the event such withdrawal is authorized as aforesaid, the Condominium Property shall be subject to an action for partition by any Unit Owner, mortgagee or lienor as if owned in common in which event the net proceeds of sale shall be divided among all Unit Owners in proportion to their respective interest in the Common Elements, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such net proceeds all mortgages and liens of his Unit in the order of their priority. The termination of the Condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to the basis of the termination and said certificate shall be recorded among the Public Records of the County. This section may not be amended without the consent of all Institutional First Mortgagees and the Developer so long as it owns any Unit. In the event the Condominium is to be terminated, the undivided interest held by the Association in and to the Recreation Area shall be deeded to the then existing record owners of legal title to the Recreation Area, as their respective interests may appear, for and in consideration only of the prior use and enjoyment of the Recreation Area by the Unit Owners and the sum of Ten Dollars (\$10.00). The conveyance shall be made by quit-claim deed executed by the President and Secretary of the Association in recordable form and it shall be recorded in the public records of the County, prior to the certificate of termination. Notwithstanding the foregoing rights to terminate the Condominium, it shall be a condition precedent to termination, that the Association prepay in full the remaining principal balance and all accrued interest then owed by the Association under the Agreement for Deed. Thereafter, all Unit Owners who continue to make timely payment of the other sums due under the Agreement for Deed shall be entitled to continue to use the Recreation Area and to be members of the Recreation Area Association referred to in the Agreement for Deed, and this provision shall survive any such termination.

22. Additional Rights of Institutional First Mortgagees. In addition to all other rights herein set forth, Institutional First Mortgagees shall have the right, upon written request to the Association, to:

\$22.1 Examine the Association's books and records; and require copies of the annual reports and other financial data;

\$22.2 Receive notice of Association meetings and attend such meetings;

\$22.3 Receive notice of an alleged default by any Unit Owner, for whom such Institutional First Mortgagee holds a mortgage, which is not cured within thirty (30) days of notice of default to such Unit Owner; and

\$22.4 Receive notice of any substantial damage or loss to any portion of the Condominium Property.

23. Lighting and Landscape Maintenance. Broward County, Florida, and/or the City of Tamarac may require that the persons benefitting from the use of dedicated roads in the Development be required to pay the cost of maintaining the street lighting and landscaping thereof. That portion of the expense attributable to the Condominium is hereby declared a Common Expense, except to the extent that the cost is collected from individual Unit Owners by Broward County, Florida, and/or the City of Tamarac by the exercise of their powers. If the cost of maintaining said street lighting and landscaping requires an allocation between and among the Condominium and other properties in the Development which benefit from said improvements, than said allocation shall be made at the sole determination of the Developer, who shall make such allocation on a fair and equitable basis.

24. Conveyance of Common Areas by Developer to the Neighborhood Association.

As presently planned, the Neighborhood, which the Developer plans to construct upon the Neighborhood Lands will consist of condominiums. Certain portions of the Neighborhood Lands will, from time to time, be set aside and designated for automobile parking areas, landscaped areas, interior private roads, pedestrian walkways and recreational facilities for the common use and benefit of all Unit Owners in the Neighborhood. The lands so designated and set aside for the above-described purposes shall at the time Developer conveys title to ninety (90%) percent of the residential Units in the Neighborhood, or earlier, at the option of the Developer, be deeded by the Developer to the Neighborhood Association.

25. Covenant Running With The Land. All provisions of this Declaration, the Articles, By-Laws and applicable rules and regulations of the Association shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the Land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the Developer and subsequent owner(s) of the Land or any part thereof, or interest therein, and their respective heirs, personal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units, shall be subject to and shall comply with the provisions of this Declaration and such Articles, By-Laws and applicable rules and regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease, or the entering into occupancy of any Unit, shall constitute an adoption and ratification of the provisions of this Declaration and the Articles, By-Laws and applicable rules and regulations of the Association, as they may be amended from time to time by such Unit Owner, tenant or occupant.

26. Reservation of Right to Own, Install, Provide and Maintain a Closed Circuit Television System, Telecommunications System, a Master Antennae System and Community Antennae Television System (CATV Service).

- §26.1. Developer reserves and retains to itself, its successors and assigns: (i) the title to any closed circuit television system, telecommunications system, master antennae system, and related ancillary services and to the equipment including but not limited to conduits, wires, amplifiers, towers, antennae and related apparatus and electronic equipment both active and passive (the "Central System") in and upon the Condominium Property and an easement for 99 years for the placement and location of the Central System including, but not limited to conduits, wires, amplifiers, towers, antennae and related apparatus and electronic equipment, both active and passive, and (ii) an easement for 99 years for ingress to and egress from the Condominium Property to service, maintain, install, repair and replace the aforesaid apparatus and equipment; and (iii) the right to connect the Central System to such receiving source as Developer may in its sole discretion deems appropriate, including, without limitation, companies licensed to provide the CATV Service in the City of Tamarac or the County, for which service Developer, its successors and assigns or designees shall have the right to charge the Association and/or individual Unit Owners a reasonable fee not to exceed the maximum allowable charge for CATV Service to single family residences as charged within the general vicinity.
- §26.2. The Unit Owners acknowledge that the Central System described in Section 26.1 above, includes but is not limited to the CATV Service as well as the ancillary services which may include security; medical, smoke and fire alert; information retrieval and so forth. Such Central System is offered as part of Developer's endeavor to provide a total environment to the Unit Owners and enhance the "way-of-life" at the Development.
- §26.3. Each Unit Owner by the acceptance of a warranty deed to his Unit recognizes that Developer, for the use and convenience of the Unit Owners, has expended substantial sums of money to develop and insure the services for and to equip this Condominium with a quality Central System and in consideration thereof Developer has reserved and retained the ownership of the Central System and the right to charge a reasonable sum to the Association and/or the Unit Owners for its use. If the Association and/or Neighborhood Association and/or Master Association, at any time, enters into a contract with a company without the Developer's prior written consent or otherwise provides for any or all of the services contemplated by the Central System to the Building, the Association shall, at the option of the Developer, to the extent allowed by law, be required to purchase that part of the Central System that is located within the Units (which does not include such portions of the Central System located on or within the Common Elements) and all such other equipment, electronic (active and passive) or otherwise shall remain the property of the Developer) at a purchase price equal to Five Hundred Dollars (\$500.00) for each Unit in the Condominium. The Association shall purchase that part of the Central System within fifteen (15) days after Developer's written request to do so. If the Association does not purchase that part of the Central System as aforesaid, Developer may file a lien against any or all of the Units in the amount of the aforesaid purchase price. If a lien is filed, Developer will release each Unit from the lien upon the payment of Five Hundred Dollars (\$500.00) per Unit plus interest at the highest rate allowable by law, together with a pro rata share of the court costs, if any, and attorney's fees and appellate attorneys' fees and this covenant shall be a covenant running with the Land.

27. Developer's Additional Rights.

- (a) Water and Sewer Service. In order to insure the Condominium and the Development with adequate uniform water service and sewage disposal service, the Developer or its designee, prior to completion and sale of the last condominium Unit (or residential dwelling Unit other than a condominium Unit) to be located at the Development, and the Recreation Area Management Firm thereafter, shall have and hereby reserve the exclusive right to contract for the servicing of this Condominium and the Unit Owners therein, and the Development with said services.
- (b) Transportation System. On December 31, 1999, or completion and sale of the last condominium unit (or residential dwelling unit other than a condominium unit) to be located at the Development, whichever shall first occur, the Developer or its designee shall have the right in its sole discretion to provide, without being obligated to do so, a transportation system for all portions of the Development. The initial cost of setting up such system if the transportation vehicles are to be owned and not leased shall be paid for by the Developer, but all costs of maintaining, operating, replacing and enlarging such system thereafter if the vehicles are owned or the cost of leasing the transportation if the vehicles are leased and not owned shall be paid for by the Association and all other condominium associations (and/or homeowner associations, if any,) and/or Neighborhood Associations located at the Development on a pro rata basis.

All sums due from the Association on account of the transportation system shall be deemed Common Expenses, and the Developer or its designee prior to completion and sale of the last condominium Unit (or residential dwelling Unit other than a condominium Unit) to be located at the Development, and thereafter the Recreation Area Management Firm, shall have a lien of the Condominium Property, including all of the Units of the Condominium, to secure same, which lien may be foreclosed in the same manner as mortgages or statutory liens under Florida law, including reasonable attorneys' fees and appellate attorneys' fees.

The Master Association shall be granted an easement over a portion of the Common Elements of the Condominium adjacent to any roadway on which there are built no improvements to construct, maintain and replace a bench for the convenience of transportation system passengers.

- (c) Street Lights. On December 31, 1999 or completion and sale of the last condominium Unit (or residential dwelling unit other than a condominium unit) to be located at the Development, whichever shall first occur, the Developer or its designee shall have the right in its sole discretion to provide, without being obligated to do so, street lamps for any or all portions of the Development. The initial cost of installation and purchase of such street lights shall be paid for by the Developer but all costs of maintenance, replacement of bulbs and electric utility charges shall be paid for by the Association and all other parties benefitting from same. Those condominium associations (and/or homeowner associations, if any,) and other parties involved whose street lights are controlled by a single automatic device or whose utility charges are connected to a single meter shall appoint a single representative to meet with representatives of other associations and parties to determine proper allocation of costs. The proportionate share as so determined owing from this Condominium shall be deemed a Common Expense and shall be paid as directed by such representatives and the sum due and owing thereby shall be a lien against the Condominium Property, including all of the Units of the Condominium, in favor of such representatives which may be foreclosed in the same manner provided for foreclosure of mortgages and statutory liens in Florida, and the lien shall include all costs of collection, including reasonable attorneys' fees and appellate attorneys' fees. Should the representatives fail to act promptly in this regard, the Developer

BK 7770PG0082

or its designee prior to completion and sale of the last Condominium Unit (or residential dwelling Unit other than a Condominium Unit) to be located at the Development, and thereafter the Recreation Area Management Firm shall give such representatives written notice of their failure to act as required, and if such representatives have still not acted as required ten (10) days after delivery of said notice, the Developer and thereafter the Recreation Area Management Firm may cause such maintenance, repair, and replacement as is necessary and pay all electric charges that are due, and the Developer, and thereafter the Recreation Area Management Firm shall have a lien against the Condominium Property, including all of the Units of the Condominium, on account thereof, which lien may be foreclosed and which shall include all costs of collection, including reasonable attorneys' fees and appellate attorneys' fees. In addition, the Developer and thereafter the Recreation Area Management Firm shall have the authority to file a suit against the Association in the nature of a mandatory injunction to require the Association to fulfill its obligations hereunder, it being understood that it is necessary for the benefit of the Development and the general welfare of the residents therein that said street lamps be properly maintained, bulbs and automatic devices immediately replaced when burned out, and all electric bills therefor promptly paid. In the event the Association fails to appoint a representative, the Developer and thereafter the Recreation Area Management Firm shall be empowered to appoint a representative to make all determinations for the Association and the Unit Owners in this regard.

- (d) Guardhouses. On December 31, 1999, or completion and sale of the last condominium Unit (or residential dwelling unit other than a condominium unit) to be located at the Development, whichever shall first occur, the Developer shall have the right, without being obligated to do so, in its sole discretion and at its sole cost, to cause guardhouses to be constructed (which may require the employment of security guards to man same) and other security devices within the Development. All such guardhouses and/or security devices shall only be constructed on real property to be designated as Common Areas (or Common Areas within the Development) or in easement areas for pedestrian and vehicular traffic. All costs of maintenance and operation of such security devices (including, without limitation, ad valorem taxes, insurance and security guards) shall be paid by the Neighborhood Association (and other neighborhood associations) at the Development, where applicable. All sums due from the Neighborhood Association on account of the guardhouses and/or other security devices shall be deemed Common Expenses of the Condominium and the Developer or its designee prior to completion and sale of the last Condominium Unit (or residential dwelling Unit other than a condominium Unit) to be located at the Development, and thereafter the Neighborhood Association, shall have a lien on the Condominium Property including all of the Units of the Condominium, to secure same, which lien may be foreclosed in the same manner as mortgages or statutory liens under Florida law, and the lien shall include all costs of collection, including reasonable attorneys' fees and appellate attorneys' fees. The Developer and thereafter the Neighborhood Association shall also determine the number of security guards or other individuals needed and shall determine their hours and wages.
- (e) Other Common Facilities. In addition, the Association together with other condominium associations (and/or homeowners associations, if any,) at the Development, shall pay on a pro rata basis, all costs of maintenance, operation and replacement of such other systems or facilities installed by the Developer at the Development from time to time which are designed for the common use of all residents of the Development, including without limitation, all roadways, waterways and lakes, if any. All sums due from the Association on account of such other common systems

BR 7770PG0083

or facilities shall be deemed Common Expenses and the Developer or its designee prior to completion and sale of the last condominium Unit (or residential dwelling Unit other than a condominium unit) to be located at the Development, and thereafter the Recreation Area Management Firm, shall have a lien on the Condominium Property, including all of the Units of the Condominium, to secure same, which lien may be foreclosed in the same manner as mortgages or statutory liens under Florida law, and the lien shall include all costs of collection, including reasonable attorneys' fees and appellate attorneys' fees.

28. Architectural Control and Maintenance Standards Committee.

\$28.1 Establishment of Committee and Acceptance by Unit Owners. The Condominium created by this Declaration is part and parcel of the Development, a multi-staged residential development. Each Unit Owner, by virtue of his acceptance of a Warranty Deed, acknowledges the necessity of maintaining the physical appearance and image of the entire Development as a quality residential community and additionally, that the success of the Developer in developing and selling the remaining portions of the Development is closely related to the physical appearance and image of the completed portions of the Development.

Accordingly, there is established a Committee known as the "Architectural Control and Maintenance Standards Committee" for a period terminating either on the thirty-first day of December, 1999, or the date that the condominium association (and/or homeowners associations, if any,) in the Development comes under the control of its Unit Owners by their election of that association's Board of Directors or earlier at the option of Developer, whichever shall first occur. The Committee shall be empowered to adopt and promulgate from time to time minimum standards for architectural control and maintenance of the physical appearance of the Common Elements, not only of this Condominium, but of all other Condominiums in the Development. Additionally, the Committee will adopt standards for the Common Areas and Recreation Area.

\$28.2 Members of Committee. The Committee shall consist of three (3) members designated by the Developer. Each member of the Committee shall be appointed by the Developer and shall hold office until such time as he has resigned or has been removed and his successor has been appointed by Developer. Members of the Committee may be removed at any time without cause by Developer. The membership may include building and landscape architects, contractors, subcontractors or other persons that the Developer may deem sufficiently qualified to render an opinion as to architectural standards and minimum standards of maintenance.

\$28.3 Review of Proposed Construction. With respect to the Common Elements of this Condominium no Building, exterior wall or other exterior structure shall be commenced, erected or maintained, nor shall any exterior painted surfaces be repainted, nor shall any exterior addition or change or alteration be made to the exterior of any Building, nor shall there be any material modification of the landscaping until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing, as to harmony of external design and color and location in relation to surrounding structures and topography, by the Committee. The Committee shall approve proposals or plans and specifications only if submitted for its approval by the Association and only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the entire Development, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures. The Committee may condition its approval of proposals or plans and specifications on such changes therein

BR 77-170P30084

as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Committee may also issue rules or guidelines setting forth procedures for the submissions of plans for approval. The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including without limitations, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Committee of any required plans and specifications the Committee may postpone review of any plans submitted for approval. Notwithstanding any provision of this Section 28.3, approval of the Committee shall not be required with respect to original construction performed or caused to be performed by the Developer. In the event the Association proceeds with improvements without submitting plans to the Committee or submits plans to the Committee and proceeds without the approval of the Committee, the Committee shall have the right but not the duty to take such action as is set forth in Section 28.6 and any other remedies as may be prescribed by law.

\$28.4 Maintenance and Repair Obligations. In the event any improvements to the Common Elements fall into disrepair or are not maintained so as to create a dangerous, unsafe, unsightly or unattractive condition, or otherwise violate this Declaration, the Committee has the right, but not the duty to take such action as is set forth in Section 28.6 and any other remedies prescribed by law. The obligations to maintain shall include but not be limited to exterior paint on any Building, landscaping, paving, trash removal, repair of exterior building surfaces and vending machine maintenance.

\$28.5 Inspection. The Committee shall have the right to inspect from time to time the Common Elements of the Condominium in order to determine whether the maintenance of same meet the minimum standards and any improvements constructed thereon meet the architectural standards.

\$28.6 Remedies in the Event of Non-Compliance. If the Committee shall find that the Common Elements are not being maintained in accordance with the minimum maintenance standards, or improvements to the Common Elements are not in compliance with the architectural standards of the Committee, the Committee shall issue a report to the Developer particularizing the deficiencies and the Developer shall thereafter submit the report to the Board of the Association. Within thirty (30) days of receipt of the report, the Association shall commence with the repair, maintenance or restoration specified in the report and diligently pursue completion of same in an expeditious manner. The cost of all work shall be the responsibility of the Association and shall be a Common Expense of the Condominium.

Each Unit Owner and the Association do hereby authorize and vest in the Developer the following powers should the Association fail or refuse to commence and complete maintenance, repair or restoration required by the report of the Committee:

- (a) The Developer may let out for bid the work required by the report of the Committee, negotiate and accept bids and authorize contractors or subcontractors to enter upon the Common Elements of the Condominium for the purpose of performing the specified work in which case the Developer shall be acting as the agent for the Association and the Unit Owners and the entrance upon the Common Elements of those performing the work shall be a lawful entry and shall not be deemed a trespass. Developer shall have the right to pay the contractors or subcontractors performing the work and the Developer is authorized in its own name to record a lien against the Condominium among the Public Records of the County, in the amount of the cost of said work that the

BK 7770PG0085

Developer has expended which lien shall be deemed a lien against the Common Elements and Units of the Condominium for which the work was performed, which lien shall remain in effect until such time as it is satisfied of record by the payment to the Developer of the monies expended by it together with interest at the rate of eighteen (18%) percent per annum from the date of the expenditure. The recordation of the lien is hereby deemed to constitute constructive notice to third parties of the existence of the lien and all sales, mortgages or other transfers or conveyances subsequent to the recording date shall be subject to the lien of the Developer. Each Unit Owner and the Association give and grant unto the Developer the power to foreclose its lien in the event that it remains unpaid and agree that the procedures to be utilized in said foreclosure proceeding shall be those set forth in the Statutes of the State of Florida relating to the foreclosure of a mechanic's lien and any and all defenses or right to contest are hereby waived.

- (b) Alternatively, upon receiving the bids of contractors and subcontractors for the work required to be done by the report of the Committee, Developer may elect not to cause said work to be done, and notwithstanding that, to record the lien prescribed above in the amount of the bids of contractors and subcontractors for the work set forth in the Committee report. Upon payment of the lien to the Developer, the Developer shall then cause the work to be performed and to pay the contractors and subcontractors performing the work from the proceeds satisfying the lien. Upon payment of the contractors and subcontractors, Developer shall render to the Association a report setting forth to whom and what amounts the funds were disbursed. The lien herein prescribed shall have the same priority upon recordation and shall be foreclosed in the same manner as that set forth in Section 28.6(a).

The report of the Committee shall be conclusive as to the nature of the work required to be done and the bids accepted by Developer shall be conclusive as to price.

\$28.7 Limited Common Elements. The phrase "Common Elements" wherever it appears in this Section 28 shall be deemed to include the phrase "Limited Common Elements".

29. Additional Provisions.

\$29.1 Notices. All notices to the Association required or desired hereunder or under the By-Laws of the Association shall be sent by certified mail (return receipt requested) to the Association care of its office at the Condominium, or to such other address as the Association may hereafter designate from time to time by notice in writing to all Unit Owners. Except as provided specifically in the Act, all notices to any Unit Owner shall be sent by first class mail to the Condominium address of such Unit Owner, or such other address as may have been designated by him from time to time, in writing, to the Association. All notices to mortgagees of Units shall be sent by first class mail to their respective addresses, or such other address as may be designated by them from time to time, in writing to the Association. All notices shall be deemed to have been given when mailed in a postage-prepaid, sealed wrapper, except notice of a change of address, which shall be deemed to have been given when received, or five (5) business days after proper mailing, whichever shall first occur.

\$29.2 Interpretation. The Board of Directors of the Association shall be responsible for interpreting the provisions hereof and of any of the Exhibits attached hereto. Such interpretation shall be binding upon all parties unless wholly unreasonable. An opinion of counsel that any interpretation adopted by the Association is not

BK07770PG0086

unreasonable shall conclusively establish the validity of such interpretation.

- \$29.3 Mortgagees.** The Association shall not be responsible to any mortgagee or lienor of any Unit hereunder and may assume the Unit is free of any such mortgages or liens, unless written notice of the existence of such mortgage or lien is received by the Association.
- \$29.4 Exhibits.** There is hereby incorporated in this Declaration any materials contained in the Exhibits annexed hereto which under the Act are required to be part of the Declaration.
- \$29.5 Signature of President and Secretary.** Wherever the signature of the President of the Association is required hereunder, the signature of a Vice-President may be substituted therefor, and wherever the signature of the Secretary of the Association is required hereunder, the signature of an Assistant Secretary may be substituted therefor, provided that the same person may not execute any single instrument on behalf of the Association in two separate capacities.

\$29.11 Ratification. Each Unit Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each occupant of a Unit, by reason of his occupancy, shall be deemed to have acknowledged and agreed that all of the provisions of this Declaration, and the Articles and By-Laws of the Association, and applicable rules and regulations, are fair and reasonable in all material respects.

\$29.12 Execution of Documents; Attorney-in-Fact. Without limiting the generality of other Sections of this Declaration and without such other Sections limiting the generality hereof, each Owner, by reason of the acceptance of a deed to such Owner's Unit, hereby agrees to execute, at the request of the Developer and its affiliates, in order to complete the plan of development of the Development (of which the Condominium is a part), any and all amendments to the existing documents and as they may be hereafter amended; and each such Owner further appoints hereby and thereby the Developer as such Owner's agent and attorney-in-fact to execute, on behalf and in the name of such Owners, any and all of such documents or consents that may be required from time to time by either the City of Tamarac or Broward County. This power of attorney is irrevocable and coupled with an interest. The provisions of this Section may not be amended without the consent of the Developer.

INDEMNIFICATION

made in respect of any claim, issue or matter as to which such person shall have adjudged to be liable for gross negligence or misfeasance or malfeasance in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

- 10.2 Expenses. To the extent that a director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by him in connection therewith.
- 10.3 Approval. Any indemnification under Section 10.1 above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in Section 10.1 above. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or by a majority of the voting interests of the members.
- 10.4 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in any specific case upon receipt of an undertaking by or on behalf of the affected director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Section 10.
- 10.5 Miscellaneous: The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any By-Law, agreement, vote of members or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of such person.
- 10.6 Insurance: The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

ARTICLE XI

BY-LAWS

The first By-Laws of the Association shall be adopted by the Board of Directors and may be altered, amended or rescinded by the Directors, members and the Developer in the manner provided in the By-Laws and the Declaration.

- 12.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which the proposed amendment is to be considered.
- 12.2 Adoption. A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board of Directors or by not less than one-third (1/3) of the voting interests of the members of the Association. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, providing the approval is delivered to the Secretary at or prior to the meeting. The approvals must be:
- (a) by not less than a majority of the voting interests of all of the members of the Association represented at a meeting at which a quorum thereof has been attained and by not less than sixty-six and two-thirds percent (66-2/3%) of the entire Board of Directors; or
 - (b) by not less than eighty percent (80%) of the voting interests of all of the members of the Association represented at a meeting at which a quorum has been attained; or
 - (c) by not less than one hundred percent (100%) of the entire Board of Directors.
- 12.3 Limitation. Provided, however, that no amendment shall make any changes in the qualifications of membership nor in the voting rights or property rights of members, nor any changes in Article IV, Sections 4.3 and 4.5 entitled "Powers", without the approval in writing of all members and the joinder of all record owners of mortgages upon Units. No amendment shall be made that is in conflict with the Act, the Declaration or the By-Laws, nor shall any amendment make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of or reserved to the Developer, or an affiliate of the Developer, unless the Developer shall join in the execution of the amendment.
- 12.4 Application to Developer. The Developer may amend these Articles consistent with the provisions of the Declaration allowing certain amendments to be effected by the Developer alone.
- 12.5 Recording. A copy of each amendment shall be filed with the Secretary of State pursuant to the provisions of applicable Florida law, and a copy certified by the Secretary of State shall be recorded in the Public Records of Broward County, Florida.

A corporation not for profit organized
under the laws of the State of Florida

These are the By-Laws of Fairfax Condominium I Association, Inc., (the "Association"), a corporation not for profit, incorporated under the laws of the State of Florida and organized for the purpose of administering that certain condominium located in Broward County, Florida, and known as Fairfax Condominium I (the "Condominium").
 - 1.1 Principal Office. The principal office of the Association shall be 7600 Nob Hill Road, Tamarac, Florida, 33321, or at such other place as may be subsequently designated by the Board of Directors.
 - 1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.
 - 1.3 Seal. The seal of the Association shall bear the name of the corporation, the word "Florida", the words "Corporation Not for Profit", and the year of incorporation.
2. Definitions. For convenience, the Florida Condominium Act shall be referred to as the "Act", these By-Laws shall be referred to as the "By-Laws" and the Articles of Incorporation of the Association as the "Articles". The other terms used in these By-Laws shall have the same definition and meaning as those set forth in the Declaration for the Condominium, unless herein provided to the contrary, or unless the context otherwise requires.
3. Members.
 - 3.1 Annual Meeting. The annual members' meeting shall be held on the date, at the place and at the time determined by the Board of Directors from time to time, provided that there shall be an annual meeting every calendar year and, to the extent possible, no later than thirteen (13) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors and to transact any other business authorized to be transacted by the members, or as stated in the notice of the meeting sent to Unit Owners in advance thereof.
 - 3.2 Special Meetings. Special members' meetings shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board of Directors of the Association, and must be called by the President or Secretary upon receipt of a written request from a majority of all the voting interests of the membership of the Association. The business conducted at a special meeting shall be limited to that stated in the notice of the meeting. Additionally, special members' meetings may be called by ten (10%) percent of the voting interests of the Association to recall a member or members of the Board of Directors or as provided for in Section 9.1(a)(ii) hereof; which meetings shall be called and held in accordance with the terms and provisions of the Act and Section 4.3 hereof.
 - 3.3 Notice of Meeting; Waiver of Notice. Notice of a meeting of members stating the time and place and the purpose(s) for which the meeting is called shall be given by the President or Secretary. The notice of the annual meeting shall be sent by mail to each Unit Owner, unless the Unit Owner waives in writing the right to receive notice of the annual meeting by mail. The delivery or mailing shall be to the address of the member as it appears on the roster of members. The posting and mailing of the notice shall be effected not less than fourteen (14) nor more than sixty (60) days prior to the date of the

meeting. An officer of the Association shall provide an affidavit, to be included in the official records of the Association, affirming that notice of the Association meeting were mailed or hand delivered in accordance with this provision, to each Unit Owner at the address last furnished to the Association.

Notice of specific meetings may be waived before or after the meeting and the attendance of any member (or person authorized to vote for such member) shall constitute such member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

- 3.4 Quorum. A quorum at members' meetings shall be attained by the presence, either in person or by proxy, of persons entitled to cast a majority of the voting interests of the entire membership. If any proposed meeting cannot be organized because a quorum has not been attained, (notwithstanding anything contained herein to the contrary) at such new meeting or meetings (if additional meetings are necessary in order to obtain the reduced quorum as hereinafter provided) the presence either in person or by proxy of persons entitled to cast 33-1/3% of the voting interests of the entire membership shall constitute a quorum at such new meeting or meetings; it being intended that in the event a majority quorum cannot be obtained at any meeting of the members, that the quorum requirements be reduced for the purposes of the new meeting or meetings to which the original meeting is adjourned only. At such new meeting or meetings, if necessary, at which a quorum exists any business may be transacted which might have been transacted at the meeting originally called. For the purposes of establishing a quorum at any Association meeting only the voting interests present or by proxy shall be counted. The written joinder of any Unit Owner may not be utilized to establish a quorum when such joinder occurs subsequent to the meeting.

3.5 Voting.

- (a) Number of Votes. Except when the vote is to be determined by a percentage of shares of ownership in the Condominium as contemplated in specific portions of the Declaration, in any meeting of members, the Owners of Units shall be entitled to cast one (1) vote for each Unit owned. The vote of a Unit shall not be divisible.
- (b) Majority Vote. The acts approved by a majority of the voting interests present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Unit Owners for all purposes except where otherwise provided by law, the Declaration, the Articles or these By-Laws. As used in these By-Laws, the Articles or the Declaration, the terms "majority of the Unit Owners" and "majority of the members" shall mean a majority of the voting interests of Unit Owners and not a majority of members themselves and shall further mean more than fifty (50%) percent of the then total authorized voting interests present in person or by proxy and voting at any meeting of the Unit Owners at which a quorum shall have been attained. Similarly, if some greater percentage of members is required herein or in the Declaration, or Articles, it shall mean such greater percentage of the voting interests of members and not of the members themselves.
- (c) Voting Member. If a Unit is owned by one (1) person, his right to vote shall be established by the roster of members. If a Unit is owned by more than one (1) person, the person entitled to cast the vote for the Unit shall be designated by a Voting Certificate signed by all of the record owners of the Unit according to the roster of Unit Owners and filed with the Secretary of the Association. Such person need not be a Unit Owner, or one of the joint owners. If a Unit is owned by a corporation, the person entitled to cast the vote

for the Unit shall be designated by a Voting Certificate signed by an appropriate officer of the corporation and filed with the Secretary of the Association. Such person need not be a Unit Owner. Those Voting Certificates shall be valid until revoked or until superseded by a subsequent Voting Certificate or until a change in the ownership of the Unit concerned. A Voting Certificate designating the person entitled to cast the vote for a Unit may be revoked if by a record owner of an undivided interest in the Unit. If a Voting Certificate designating the person entitled to cast the vote for a Unit for which such Voting Certificate is required is not on file or has been revoked, the vote of the Owner(s) of such Unit shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such Voting Certificate is filed, except if the Unit is owned jointly by a husband and wife, they may, without being required to do so, designate a voting member in the manner provided above. Such designee need not be a Unit Owner. In the event a husband and wife do not designate a voting member, the following provisions shall apply:

- (i) If both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is present on that subject at the meeting (and the total number of authorized votes in the Association shall be reduced accordingly for such subject only).
- (ii) If only one is present at a meeting, the person present shall be counted for purposes of a quorum and may cast the Unit vote just as though he or she owned the Unit individually, and without establishing the concurrence of the absent person.
- (iii) If both are present at a meeting and concur, either one may cast the Unit vote.

3.6 Proxies. Votes may be cast in person or by proxy. A proxy may be made by any person entitled to vote, but shall only be valid for the specific meeting for which originally given and any lawful adjourned meetings thereof. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be in writing, signed by the person authorized to cast the vote for the Unit (as above described), specify the date, time and place of the meeting for which it is given and be filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Holders of proxies need not be Unit Owners.

3.7 Adjourned Meetings. If any proposed meeting cannot be organized because a quorum has not been attained, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a reduced quorum as provided in Section 3.4 hereof is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. The note of the newly scheduled meeting shall provide for among other things, that the quorum requirement has been reduced; and that a quorum shall be attained by the presence either in person or by proxy of persons entitled to cast $33\frac{1}{3}\%$ of the voting interests of the entire membership. Proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.

3.8 Order of Business. If a quorum has been attained, the order of business at annual members' meetings, and, if applicable, at other members' meetings, shall be:

- (a) Call to order by President;
- (b) Appointment by the President of a chairman of the meeting (who need not be a member or a Director);
- (c) Proof of notice of the meeting or waiver of notice;
- (d) Reading of minutes;

3.10 Action Without a Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action required to be taken at any annual or special meeting of members, or any action which may be taken at any annual or special meeting of such members shall be taken at a duly noticed meeting of members, except that any action may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken shall be signed by the members (or persons authorized to cast the vote of any such member as elsewhere herein set forth) having not less than the minimum number of voting interests that would be necessary to attain a quorum, or, with respect to certain matters where a higher percentage of members are required, such number of voting interests that would be necessary to approve such matters. Within ten (10) days after obtaining such authorization by written consent, notice must be given to members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

4. Directors.

4.1 Membership. The affairs of the Association shall be governed by a Board of not less than three (3) nor more than five (5) directors, the exact number to be determined in the first instance in the Articles and thereafter, except as provided herein, from time to time, upon the vote of a majority of the voting interests of the membership. Any Director designated or appointed by Developer need not be a Unit Owner or a resident of a Unit in the Condominium. All other Directors must be Unit Owners.

4.2 Election of Directors. The election of Directors shall be conducted in the following manner:

- (a) Election of Directors shall be held at the annual members' meeting, except as provided herein to the contrary.

There shall be no cumulative voting.

4.3 Vacancies and Removal.

- (a) Except as to vacancies resulting from removal of Directors by members, vacancies (including a vacancy of the Director who is also the Delegate to the Neighborhood Association) in the Board of Directors occurring between annual meetings of members shall be filled by the remaining Directors, provided that all vacancies in directorships to which Directors were appointed by the Developer pursuant to the provisions of Section 4.16 hereof shall be filled by the Developer without the necessity of any meeting.
- (b) Until a majority of the Directors are elected by the members other than the Developer, neither the first Directors replacing them nor any Directors named by the Developer shall be subject to removal by members other than the Developer. The first Directors and Directors replacing them may be removed and replaced by the Developer without the necessity of any meeting.
- (c) Subject to the provisions of the Act and Section 4.16 of these By-Laws, any member of the Board may be recalled and removed from office with or without cause by the vote or agreement in writing by a majority of all the voting interests of the members. A special meeting of the Unit Owners to recall a member or members of the Board may be called by ten percent (10%) of the voting interests giving notice of the meeting as required for a meeting of Unit Owners, and the notice shall state the purpose of the meeting.
 - (i) If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall shall be effective immediately, and the recalled member or members of the Board shall turn over to the Board any and all records of the Association in his or their possession, within 72 hours after the meeting.
 - (ii) If the proposed recall is by an agreement in writing by a majority of all voting interests, the agreement in writing shall be served on the Association by certified mail. The Board shall call a meeting of the Board within 72 hours after receipt of the agreement in writing and shall either certify the written agreement to recall a member or members of the Board, in which case such member or members shall be recalled effective immediately and shall turn over to the Board within 72 hours, any and all records of the Association in his or their possession, or proceed as described in subparagraph (iii) below.
 - (iii) If the Board determines not to certify the written agreement to recall a member or members of the Board, or if the recall by a vote at a meeting is disputed, the Board shall, within 72 hours, file with the Division of Florida Land Sales, Condominiums and Mobile Homes (the "Division"), a petition for binding arbitration pursuant to the procedures of the Act. For purposes of this Section 4.3(c), the Unit Owners who voted at the meeting or who executed the agreement in writing shall

BK0770PG0112

constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any member or members of the Board, the recall shall be effective upon service of the final order of arbitration upon the Association. If the Association fails to comply with the order of the arbitrator, the Division may take appropriate action pursuant to the Act. Any member or members so recalled shall deliver to the Board any and all records of the Association in his or their possession within 72 hours of the effective date of the recall.

- 4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the next annual meeting of the members and subsequently until his successor is duly elected and qualified, or until he is removed in the manner elsewhere provided.

Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. Regular meetings of the Board of Directors shall be open to all Unit Owners and notice of such meetings shall be posted conspicuously on the Condominium Property at least forty-eight (48) hours in advance for the attention of the members of the Association, except in the event of an emergency, provided that Unit Owners shall not be permitted to participate and need not be recognized at any such meeting.

Notice of the meeting shall be given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting and shall be transmitted not less than three (3) days prior to the meeting. Special meetings of the Board of Directors shall be open to all Unit Owners and notice of a special meeting shall be posted conspicuously on the Condominium Property at least forty-eight (48) hours in advance for the attention of the members of the Association, except in the event of an emergency, provided that Unit Owners shall not be permitted to participate and need not be recognized at any such meeting.
- 4.8 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to be due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.
- 4.9 Quorum. A quorum at Directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors except when approval by a greater number of Directors is specifically required by the Declaration, the Articles or these By-Laws.
- 4.10 Adjourned Meetings. If at any proposed meeting of the Board of Directors there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting

is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

- 4.11 Joinder in Meeting by Approval of Minutes. The joinder of a Director in the action of a meeting by signing and concurring in the minutes of that meeting shall constitute the approval of that Director of the business conducted at the meeting.
- 4.12 Presiding Officer. The presiding officer at the Directors' meetings shall be the President (who may, however, designate any other person to preside). In the absence of the presiding officer, the Directors present may designate any person to preside.
- 4.13 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:
- (a) Proof of due notice of meeting;
 - (b) Reading and disposal of any unapproved minutes;
 - (c) Reports of officers and committees;
 - (d) Election of officers;
 - (e) Unfinished business;
 - (f) New business;
 - (g) Adjournment.

Such order may be waived in whole or in part by direction of the presiding officer.

- 4.14 Minutes of Meetings. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Unit Owners, or their authorized representatives, and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.
- 4.15 Executive Committee; Other Committees. The Board of Directors may, by resolution duly adopted, appoint an Executive Committee to consist of three (3) or more members of the Board of Directors. - 4.16 Proviso. Notwithstanding anything to the contrary contained in this Section 4 or otherwise, the Board shall consist of three (3) directors during the period that the Developer is entitled to appoint a majority of the directors, as hereinafter provided. The Developer shall have the right to appoint all of the members of the Board of Directors until Unit Owners other than the Developer own fifteen (15%) percent or more of the Units that will be operated ultimately by the Association. When Unit Owners other than the Developer own fifteen (15%) percent or more of the Units that will be operated ultimately by the Association, the Unit Owners other than the Developer shall be entitled to elect not

less than one-third (1/3) of the members of the Board of Directors. Unit Owners other than the Developer are entitled to elect not less than a majority of the members of the Board of Directors (a) three (3) years after fifty (50%) percent of the Units that will be operated ultimately by the Association have been conveyed to Purchasers, (b) three (3) months after ninety (90%) percent of the Units that will be operated ultimately by the Association have been conveyed to Purchasers, (c) when all of the Units that will be operated ultimately by the Association have been completed, some of them have been conveyed to purchasers and none of the others are being offered for sale by the Developer in the ordinary course of business, (d) when some of the Units have been conveyed to purchasers and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business, whichever occurs first. The Developer is entitled (but not obligated) to elect at least one (1) member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business five (5%) percent of the Units that will be operated ultimately by the Association.

The Developer may turn over control of the Association to Unit Owners other than the Developer prior to such dates in its sole discretion by causing all of its appointed Directors to resign, whereupon it shall the affirmative obligation of Unit Owners other than the Developer to elect Directors and assume control of the Association. Within sixty (60) days after the Unit Owners other than the Developer are entitled to elect a member or members of the Board of Directors, or if the Developer has elected to accelerate such events aforesaid, the Association shall call, and give not less than thirty (30) days' nor more than forty (40) days' notice of a meeting of the Unit Owners to elect such member or members of the Board of Directors. The meeting may be called and the notice given by any Unit Owner if the Association fails to do so.

Within a reasonable time after Unit Owners other than the Developer elect a majority of the members of the Board of Directors of the Association (but not more than sixty (60) days after such event), Developer shall relinquish control of the Association and, at the Developer's expense, deliver to the Association all property of the Unit Owners and of the Association held by or controlled by the Developer, including but not limited to the following items, if applicable:

The accountant performing the review shall examine, to the extent necessary, supporting documents and records, including the cash disbursements and related paid invoices to determine if expenditures were for Association purposes, and billings, cash receipts and related records to determine that the Developer was charged and paid the proper amounts of Assessments and Special Assessments, if any.

4.18 Action Without a Meeting. Anything to the contrary herein notwithstanding, and to the extent lawful, any action required to be taken at a meeting of the Directors, or any action which may be taken at a meeting of Directors or a committee thereof, may be taken without a meeting if a consent in writing setting forth the action so to be taken signed by all of the Directors or all the members of the committee, as the case may be, is filed in the minutes of the proceedings of the Board or of the committee. 9. Fiscal Management. The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:

9.1 Budget.

(a) Adoption by Board; Items. The Board of Directors shall from time to time, and at least annually, prepare a budget for the Condominium (which shall detail all accounts and items of expenses and contain at least all items set forth in Section 718.504(20) of the Act, if applicable), determine the amount of Assessments payable by the Unit Owners and allocate and assess expenses among the Unit Owners in accordance with the provisions hereof and of the Declaration. In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance for any item for which the deferred maintenance expense or replacement cost is greater than \$10,000.00. These accounts shall include, but not be limited to, roof replacement, building painting and pavement resurfacing. The amount of reserves shall be computed by means of a formula which is based upon estimated life and estimated replacement cost or deferred maintenance expense of each reserve item. Reserves shall not be required if the members of the Association have, at a duly called meeting of members, by a vote of a majority of the voting interests of the members, determined for a specific fiscal year to provide no reserves or reserves less adequate than required hereby. If a meeting of the Unit Owners has been called to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget, shall go into effect. The adoption of a budget for the Condominium shall comply with the requirements herein-after set forth:

- (i) Notice of Meeting. A copy of the proposed budget of Common Expenses shall be mailed to each Unit Owner not less than fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meetings. The meeting shall be open to Unit Owners, provided that such Unit Owners shall not have the right to participate and need not be recognized at such meeting.
- (ii) Special Membership Meeting. If a budget is adopted by the Board of Directors which requires Assessments against such Unit Owners in any year exceeding one hundred fifteen (115%) percent of such Assessments for the preceding year, as hereinafter defined, upon written application of ten (10%) percent of the voting interests to the Board of Directors, a special meeting of Unit Owners shall be held within thirty (30) days of delivery of such application to the Board of Directors. Each Unit Owner shall be given at least ten (10) days' notice of said meeting. At the special meeting, Unit Owners shall consider and adopt a budget. The adoption of said budget shall require a vote of not less than a majority of all the voting interests of the Unit Owners (including the voting interests of the Developer).
- (iii) Determination of Budget Amount. In determining whether a budget requires Assessments against Unit Owners in any year exceeding one hundred fifteen (115%) percent of Assessments for the preceding year, there shall be excluded in the computations any authorized provisions for reasonable reserves made by the Board of Directors in respect of repair or replacement of the Condominium Property or in respect of anticipated expenses of the Association which are not anticipated to be incurred on a regular or annual basis, and there shall be excluded from such computation Assessments for improvements to the Condominium Property and expenses which are unique to specific Unit Owners.
- (iv) Proviso. As long as the Developer is in control of the Board of Directors of the Association, such Board shall not impose an Assessment for a year greater than one hundred fifteen (115%) percent of the prior year's Assessment, as herein defined, without the approval of Unit Owners owning a majority of the voting interests (including the voting interests of the Developer).
- (b) Adoption by Membership. In the event that the Board of Directors shall be unable to adopt a budget in accordance with the requirements of Section 9.1(a) above, the Board of Directors may call a special meeting of Unit Owners for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for special meetings in Section 9.1(a), or propose a budget in writing to the members. If such budget is approved by a majority of the voting interests at the meeting or in writing, upon ratification by a majority of the Board of Directors, it shall become the budget for such year.
- (c) Failure of Quorum or to Adopt Substitute Budget. If a meeting of the Unit Owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit Owners, the budget adopted by the Board of Directors shall go into effect as scheduled.

9.2 Assessments. Assessments against the Unit Owners for their share of the items of the budget shall be made for the applicable calendar year annually in advance on or before December 20th preceding the year for which the Assessments are made. Such Assessments shall be due in equal installments, payable in advance on the first day of each month (or each quarter at the election of

the Board) of the year for which the Assessments are made. If an annual Assessment is not made as required, an Assessment shall be presumed to have been made in the amount of the last prior Assessment, and monthly (or quarterly) installments on such Assessment shall be due upon each installment payment date until changed by an amended Assessment. In the event the annual Assessment proves to be insufficient, the budget and Assessments may be amended at any time by the Board of Directors. Unpaid Assessments for the remaining portion of the calendar year for which an amended Assessment is made shall be payable in as many equal installments as there are full months (or quarters) of the calendar year left as of the date of such amended Assessment, each such monthly (or quarterly) installment to be paid on the first day of the month (or quarter), commencing the first day of the next ensuing month (or quarter). If only a partial month (or quarter) remains, the amended Assessment shall be paid with the next regular installment in the following year, unless otherwise directed by the Board in its resolution.

- 9.3 Charges. Charges by the Association^e against members for other than Common Expenses shall be payable in advance. Charges for other than Common Expenses may be made only after approval of a member or when expressly provided for in the Declaration or the exhibits annexed thereto, as the same may be amended from time to time, which charges may include, without limitation, charges for the use of the Condominium Property or recreation areas, maintenance services furnished at the expense of an Owner, other services furnished for the benefit of an Owner and surcharges, fines and damages and other sums due from such Owner.
- 9.4 Special Assessments for Emergencies. Assessments for Common Expenses for emergencies that cannot be paid from the annual Assessments for Common Expenses shall be due only after ten (10) days' notice is given to the Unit Owners concerned, and shall be paid in such manner as the Board of Directors of the Association may require in the notice of Special Assessment.
- 9.5 Depository. The depository of the Association shall be such bank or banks in the County as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from these accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments, Special Assessments or contributions to working capital or otherwise may be co-mingled in a single fund or divided into more than one fund, as determined by a majority of the Board of Directors.
- 9.6 Acceleration of Assessment (or Special Assessment) Installments Upon Default. If a Unit Owner shall be in default in the payment of an installment upon an Assessment or Special Assessment, the Board of Directors may accelerate the remaining installments of the Assessment or Special Assessment upon notice to the Unit Owner and the then unpaid balance of the Assessment or Special Assessment shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice to the Unit Owner, or not less than ten (10) days after the mailing of such notice to him by registered or certified mail, whichever shall first occur.
- 9.7 Fidelity Bonds. To the extent required by law, fidelity bonds in the principal sum of not less than Ten Thousand Dollars (\$10,000.00), for any person shall be required by the Board of Directors for such persons who control or disburse Association's funds. The premiums on such bonds shall be paid by the Association as a Common Expense unless otherwise provided by contract between the Association and an independent management company.
- 9.8 Accounting Records and Reports. Written summaries of the records described in Section 5(y)(11)(a) of these By-Laws, in the form and manner specified below, shall be supplied to each Unit Owner annually.

Within sixty (60) days following the end of the fiscal year, the Board shall mail, or furnish by personal delivery, to each Unit Owner a complete financial report of actual receipts and expenditures for the previous twelve (12) months. The report shall show the amounts of receipts by accounts and receipt classifications and shall show the amounts of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

10. Roster of Unit Owners. Each Unit Owner shall file with the Association a copy of the deed or other document showing his ownership. The Association shall maintain such information. The Association may rely upon the accuracy of such information for all purposes until notified in writing of changes therein as provided above. Only Unit Owners of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Owners shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

AGREEMENT FOR DEED

THIS AGREEMENT, made and entered into this 18th day of September, 1990, by and between Lennar Homes, Inc., a Florida corporation (the "Seller") and Fairfax Condominium I Association, Inc., a Florida corporation not for profit, (the "Purchaser").

INTRODUCTION

Seller is the fee simple title owner to that certain Recreation Area located at the Kings Point in Tamarac Development, in the City of Tamarac, Florida (the "Development") as hereinafter described, and Purchaser is a condominium association created in connection with Fairfax Condominium I (the "Condominium"), a condominium existing at the Development. Seller has heretofore offered to sell an undivided interest in and to the "Recreation Area" herein described to each condominium association (and homeowner's association, if any) located at the Development, and pursuant to such an offer made by Seller to Purchaser, Purchaser has agreed to buy an undivided interest in the Recreation Area on the terms and conditions set forth below.

Purchaser understands that its right to use and possession of the Recreation Area is not exclusive, but is to be shared with other condominium associations (and homeowner associations, if any) presently existing and hereafter created at the Development, and Purchaser further understands that its interest in and to the Recreation Area during the term of this Agreement will be equitable in nature with legal title remaining vested in Seller. The parties acknowledge that the percentage of Purchaser's ownership interest in the Recreation Area will depend upon the number of condominium Units (and/or other residential dwelling Units, if any) existing at the Development at the time of conveyance of legal title, and therefore, the exact percentage cannot be determined until that time. Purchaser shall divest itself of any interest deemed vested in it hereunder to the extent necessary to provide any future purchasing entities with the appropriate undivided shares in the Recreation Area. Purchaser is executing this Agreement for and on behalf of its present and future membership (the "Unit Owners"). Reference to Unit(s) herein and in the Condominium Documents mean condominium Units and residential dwelling Units other than condominium Units, and reference to Unit Owner(s) mean owner(s) of condominium Units and residential dwelling Units other than condominium Units.

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein contained, the parties intending to be legally bound, hereby agree that, if the Purchaser shall first make all the payments and perform all the covenants and conditions hereinafter mentioned on Purchaser's part to be made and performed, Seller hereby covenants and agrees to convey to the Purchaser an undivided interest in and to the Recreation Area hereinafter described by a good and sufficient Special Warranty Deed, (sometimes also referred to herein as "Warranty Deed") on the terms and conditions herein set forth:

1. Introduction; Definitions.

The parties hereby acknowledge that the recitals contained in the foregoing Introduction, are true and correct and are incorporate herein in full by this reference. The terms used in this Agreement shall have the same definitions and meanings as those set forth in the Declaration of Condominium, unless herein provided to the contrary, or unless the context otherwise requires.

2. Description of Recreation Area.

\$2.1 Description. The Recreation Area referred to herein is situate in the Development, located in the City of Tamarac, Broward County, Florida, and is more particularly described in Exhibit A annexed hereto and this Exhibit, as well as all other Exhibits hereinafter mentioned, as annexed to this Agreement, shall have the same force and effect as though the contents of such Exhibits were set forth at length herein.

EXHIBIT "6" TO DECLARATION

\$2.2 Percentage Interest. At closing, Seller shall convey to Purchaser an undivided fee simple interest in the Recreation Area equal in proportion to the total number of Units in the Condominium divided by the total number of Units then existing in the Development. Purchaser's interest in the Recreation Area shall be as a tenant-in-common with other purchasing condominium associations at the Development and with the Seller.

3. Purchase Price and Method of Payment.

\$3.1 Association's Payments. The total agreed purchase price for the undivided interest in the Recreational Area described herein is One Hundred Sixty-Five Thousand Nine Hundred (\$165,900.00) Dollars.

The total purchase price shall bear interest at the rate of 9.875% percent per annum and shall be payable (except as otherwise provided herein to the contrary in Section 8 below) at the time and in the manner following:

Three hundred sixty (360) consecutive equal monthly installments of principal and interest each in the amount of \$ 1,440.60 payable on the first day of the month following the month in which closing of title to the first Unit in the Condominium occurs, and on the first day of each and every calendar month thereafter ensuing until the total principal sum is paid in full. Each of the payments shall be credited first to interest and the balance to principal.

\$3.2 Units Owner's Payments. Seller recognizes and acknowledges that the Purchaser is a condominium association created to manage the affairs of the Condominium and Seller further recognizes that the interest in the Recreation Area being purchased by purchaser is for the use and benefit of the Unit Owners and that the Purchaser will derive the monies necessary and required for payment of the purchase price by assessing its membership, and that it is therefore essential that the purchase price be capable of equitable division among the Unit Owners and that payment thereof be on such terms and provisions as shall take into account the nature of the Purchaser and the equitable division of the purchase price among the Unit Owners. Therefore, the portion of the purchase price attributable to a particular condominium unit constructed as part of the Condominium shall be based upon the percentage ownership of that particular Unit in the Common Elements as provided in the Declaration of Condominium, and anything herein to the contrary notwithstanding, Seller shall be entitled to collect such allocable amount from each Unit in the Condominium pursuant to the Promissory Note and Pledge Agreement referred to in Section 22.3 below.

\$3.3 Prepayment. Subject to the limitation set forth below, the purchase price may be prepaid by the Purchaser in whole or in part at any time without penalty. A Unit Owner shall have the right to prepay that portion of the purchase price attributable to his condominium Unit provided that he has made all payments thereto before due and owing to Seller attributable to his Unit, and provided further that such prepayment is made in full, and upon making such prepayment, the said Unit Owner, his successors and assigns, shall not be assessed or responsible for any further portion of the purchase price attributable to his Unit or interest accrued thereon. The Purchaser shall promptly pay any such prepaid amounts to Seller, and upon payment thereof to Seller, the monthly payment on account of this obligation due and payable by Purchaser shall be reduced accordingly. Unit Owners shall not have the right to make partial prepayments. Partial prepayments by Purchaser shall only be based upon prepayments in full by Unit Owners.

The parties acknowledge that the Recreation Area has been designed for the non-exclusive use and occupancy of the owners, occupants and guests of all condominium Units presently existing or hereafter constructed at the Development and Purchaser's right for itself and its members to use and possession of the Recreation Area shall be limited by the provisions of this Agreement and the aforesaid Rules and Regulations. The Recreation Area is intended solely for the use of residents of the Development. The lands that may constitute the Development shall be determined by Seller in its sole discretion provided that said lands presently include all of the real property referred to herein as the Development, and provided further that in any event said lands shall not exceed four hundred sixty-five (465) acres in total. The Seller shall also have certain exclusive rights to use of portions of the Recreation Area as more specifically set forth in Section 29 below and such rights, including the right to enter into leases with other persons for use of specific portions of the Recreation Area, shall not be deemed in conflict with Purchaser's right to use the Recreation Area as herein provided.

§7.2 Management. The Recreation Area shall at all times during the term hereof be under the complete control, operation and supervision of the Master Association. §7.3 Enforcement. Should any Unit Owner fail to pay his share of any sums due under this Agreement until ten (10) days after same shall become due, in addition to any and all other remedies or actions that may be taken against such Unit Owner, the Recreation Area Management Firm may deny the Unit Owner and all authorized users of the Recreation Area under said Unit the use and enjoyment of the Recreation Area until such sums are paid. The Recreation Area Management Firm shall have the further right, in its sole discretion, to suspend any Unit Owner or authorized user of the Recreation Area (without any abatement or reduction in the sums due from said Unit Owner) from the use of the Recreation Area for a period not to exceed thirty (30) days for any infraction of the Rules and Regulations pertaining to the Recreation Area, and to institute such suits or proceedings as the Recreation Area Management Firm deems expedient to prevent any impairment of the Recreation Area, by acts in violation of the Rules and Regulations governing the use of the Recreation Area. S7.4 Specific Limitations.

- (a) Residents. The Unit Owner, together with such other members of the Unit Owner's immediate family who are in residence in the condominium Unit as provided in the Declaration of Condominium may use the Recreation Area as provided herein. Where a Unit Owner does not forthwith advise the Recreation Area Management Firm as to the foregoing, the Recreation Area Management Firm may determine in its sole discretion who shall be entitled to use of the Recreation Area.
- (c) Transfer of Title. The transfer of title of any Unit in the Condominium, whether voluntarily or by operation of law, terminating a Unit Owner's membership in Purchaser, shall likewise terminate said Unit Owner's rights to the use and enjoyment of the Recreation Area hereunder, it being understood that the Unit Owner's rights and privileges under this Agreement shall not be separately assignable.

8. Net Transaction.

\$8.1 Costs and Expenses of Maintenance, Operation and Management of Recreation Area.

Accordingly, Purchaser shall be responsible for its proportionate share of all expenses of taxes, assessments, insurance, utilities, management fees, reserves for capital repairs and refurbishing, if any, and if requested by Seller after expiration of Seller's guaranty referred to herein, any and all capital expenditures, if any, maintenance and all other costs and expenses of operation of the Recreation Area as a first class recreational facility commencing from the date of this Agreement. Purchaser's "proportionate share" shall be determined for any given period by dividing the total number of Units in the Condominium by the total number of Units then existing in the Development.

\$8.2 Payment of Purchase Price for Recreation Area by Unit Owners.

Except as otherwise provided herein to the contrary with respect to Seller's obligation as a Unit Owner in the Condominium, in addition to the payment or payments required under Section 8.1 and Section 14 and as may otherwise be required hereunder, each Unit Owner shall pay a monthly Recreation Area assessment to cover his allocable share of the purchase price of the Recreation Area. The amount of such assessment is based upon each Unit Owner's share in the Common Elements of the Condominium. During the term of any Recreation Area Management Agreement as provided in Section 13.1 below, all payments for such assessments shall be made directly to the Recreation Area Management Firm or its designee therein named as agent for Seller or directly to Seller.

\$8.3 Non-Liability of Seller After Closing. It is expressly acknowledged and understood between the parties that after closing, all sums necessary for the expense of taxes, assessments, insurance, utilities, management fees, reserves, if any, maintenance and other costs of operation of the Recreation Area as aforesaid shall be derived solely from the condominium associations located at the Development and without any contribution from Seller whatsoever (except as may otherwise be provided herein to the contrary with respect to payments contemplated under Section 8.1 herein) and notwithstanding the fact that Seller may have retained an undivided interest in the rents, issues and profits of the Recreation Area.

Broward County, district and State of Florida ad valorem taxes, City of Tamarac interim service fee, taxes and assessments, if any, personal property taxes, and special assessments, if any, on the Recreation Area shall be prorated to the date of this Agreement according to the latest available tax assessment rates, and the same shall be re-prorated when the actual figures become available. Thereafter, Purchaser shall fully and timely pay and discharge its proportionate share of all such taxes, assessments and other liens of every kind and nature, whatsoever levied or assessed against the Recreation Area. As evidence of proper payment, Purchaser shall furnish and deliver to Seller on or before the date of delinquency and before any interest attaches and any penalty is incurred, an officially stamped receipt or duplicate receipt showing payment of the tax, assessment or other lien. Purchaser shall promptly satisfy and discharge any

taxes, assessments, levies, liabilities, obligations and encumbrances (except underlying mortgages and liens created by Seller) of record and shall place the original official document which has been appropriately cancelled in the hands of Seller within ten (10) days after payment. This Section shall not be deemed or construed so as to require Purchaser to pay any personal or corporate income taxes or franchise taxes levied or assessed against Seller.

§9.2 Right to Contest. Anything hereinabove contained to the contrary notwithstanding, the Purchaser may in good faith contest any tax, assessment, levy, rate, imposition or governmental charge which, under the provisions of this Agreement, it shall be required to pay; and in the event of any such contest, the failure on the part of the Purchaser to pay any such tax, assessment, levy, rate, imposition or other governmental charge promptly when the same becomes due and payable, shall not constitute a default hereunder; provided, however, that Purchaser posts a bond by a surety acceptable to Seller in an amount sufficient to discharge the levy and that, upon the final determination of such contest, Purchaser shall immediately pay and discharge any judgment rendered, together with all costs and charges incidental thereto, and shall cause the lien thereof to be released from the Recreation Area.

10. Insurance.

§10.1 Required Coverage. Purchaser shall fully and timely pay its proportionate share of all premiums for all insurance herein required. Purchaser shall keep the Recreation Area insured by policies, in form approved by Seller, for the benefit of Seller, with companies approved by Seller, against loss or damage by:

BK07770PG0137

\$10.2 Repair After Casualty. If Seller by reason of such insurance received any money for loss or damage (excluding payments under the rent insurance), such amount shall be paid over to a special account for the repair or replacement of the Recreation Area as hereinafter provided. If all or any part of the Recreation Area shall be damaged by fire or other casualty, Purchaser shall promptly restore the Recreation Area to the equivalent of its original condition regardless of whether there shall be sufficient insurance proceeds therefor; and, provided Purchaser is not in default hereunder, all sums payable by any insurance company on account of such fire or casualty shall be placed in a special account to be administered by Seller for the repair or replacement of the Recreation Area as determined in the sole judgment of the Recreation Area Management Firm then managing the Recreation Area. Upon notification by said Recreation Area Management Firm, Purchaser shall immediately deposit into said special account its proportionate share of all additional sums required to repair or replace the Recreation Area. Payments of principal and interest and all other sums due hereunder shall not abate or be reduced on account of any such fire or casualty.

\$10.3 Purchase and Custody. Not less than thirty (30) days prior to the expiration dates of each policy required of the Purchaser pursuant to this Section, the Purchaser will deliver to the Seller a renewal policy or policies marked "premium paid" or accompanied by other evidence of payment or method of payment satisfactory to the Seller, provided that coverage may be maintained jointly by the various associations at the Development through common or master policies. Each of the foregoing policies shall contain:

- (a) The agreement of the insurer to give Seller written notice at least thirty (30) days prior to cancellation of or material change in said policies or any of them;
- (b) Agreement that said policies are primary and non-contributing with any insurance that may be carried by Seller;
- (c) A statement that the insurance shall not be invalidated should any insured waive in writing prior to a loss, any or all right of recovery against any party for loss accruing to the property described in the insurance policy; and
- (d) If obtainable, a provision that no act or omission of Purchaser shall affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

Seller and Purchaser hereby release the other from liability or responsibility to the other or anyone claiming through or under them by way of subrogation for any loss or damage to person or property caused by fire or any of the extended coverage of supplementary contract casualties, even if such fire or other casualty shall have been caused by the fault or negligence of the other party, or anyone for whom such party may be responsible.

11. Advance Payments.

If required by Seller, Purchaser shall pay to Seller on the date of each regular installment of interest and principal, as set forth in Section 3.1 above, an amount equal to one-twelfth (1/12) of the yearly taxes, assessments and insurance premiums estimated by Seller as allocable to Purchaser to be sufficient to enable the Seller to pay at least thirty (30) days before they become due all

BK 7770PG0138

taxes, assessments, insurance premiums, and similar charges against the Recreation Area or any part thereof. Such added payment shall not be, nor be deemed to be, trust funds, but may be commingled with the general funds of Seller, and no interest shall be payable in respect thereof. Upon demand of Seller, Purchaser agrees to deliver to Seller such additional monies as are required to make up the deficiencies in the amounts necessary to pay all such charges.

12. Maintenance and Repair.

§12.1 Continuing Duty. Purchaser shall continuously, at all times during the term hereof, and by paying its proportionate share of all costs and expenses, keep and maintain in good order and condition the Recreation Area, and all parts thereof, including any buildings, improvements, appurtenances and all furniture, furnishings, fixtures and equipment and every part thereof now and hereafter constructed or located in, on, or about the Recreation Area in good and sanitary order, condition and repair, ordinary wear and tear expected, and Purchaser shall be responsible for and shall pay for its proportionate share of all repairs thereto and restorations, replacements and renewals thereof, both inside and outside, structural and non-structural, extraordinary and ordinary, foreseen and unforeseen, howsoever the necessity or desirability for same may occur, and whether or not necessitated by latent defects or otherwise; and Purchaser shall use all precautions to prevent waste, damage or injury.

§12.2 Alteration; Removal. The Recreation Area and all parts thereof, including all additions or replacements thereto, shall not be removed, demolished or materially altered or enlarged, nor shall any new building be constructed, without prior written consent of the Seller, except that Purchaser shall have the right, together with other purchasing associations, without such consent, to remove and dispose of such furniture and furnishings, equipment, appliances, machinery or appurtenances, subject to the lien hereof, as from time to time may become worn out, undesirable or obsolete for use in operation of the Recreation Area, not exceeding in value at the time of disposition thereof One Thousand Dollars (\$1,000.00) for any single transaction or a total of Ten Thousand Dollars (\$10,000.00) in any one year, provided that simultaneously with or prior to such removal any such property shall be replaced with other property of a value at least equal to that of the replaced property and free from any title retention or other security agreement or other encumbrance and from any reservation of title, and by such removal and replacement the Purchaser shall be deemed to have subjected such property to the lien of this Agreement.

§12.3 Waste; Governmental Restrictions. Purchaser will not commit or suffer any waste of the Recreation Area and will comply with, or cause to be complied with, all governmental authority having jurisdiction over the Recreation Area or its use; and Purchaser will not initiate, join in or consent to any change in any private restrictions limiting or defining the uses which may be made of the Recreation Area or any part thereof.

§12.4 Work. If any work required to be performed on the Recreation Area by Purchaser under this Agreement shall involve an estimated expenditure of more than Ten Thousand Dollars (\$10,000.00), no such work shall be undertaken until plans and specifications therefor, prepared by an architect satisfactory to the Seller, have been submitted to and approved by the Seller, and all such work undertaken in connection therewith shall be done in accordance with such plans and with the guidance and consent of Seller.

13. Management of Recreation Area.

§13.1 Recreation Area Management Agreement. Simultaneously with the execution of this Agreement, Purchaser agrees to be bound by the terms and provisions of that certain Recreation Area Management Agreement, a copy of which is annexed hereto as Exhibit C. During the term of said Recreation Area Management Agreement and subsequent management agreements, the Recreation Area Management Firm therein named shall have the right from time to time to promulgate, and Purchaser agrees for itself and its membership (their families, guests, and invitees) to be bound by Rules and Regulations for the use of the Recreation Area. A copy of the initial Rules and Regulations are annexed hereto as Exhibit D and another copy and all amendments and revisions thereof shall be posted in a conspicuous place at the clubhouse and all such Rules and Regulations, as amended and revised, shall be deemed an integral part of this Agreement and incorporated herein by this reference.

§13.2 Continuing Agreement. In order to insure fair and equitable treatment for all Co-Tenants of the Recreation Area, the Purchaser agrees, at such time as the initial Recreation Area Management Agreement shall terminate, for whatever reason, and for so long as Seller shall own fee simple title to a portion of the Recreation Area, to cause the appropriate Neighborhood Association to join in or otherwise authorize the Master Association to enter into an agreement for management and maintenance of the Recreation Area with such person or persons, natural or corporate, as shall be determined by affirmative vote of not less than seventy-five (75%) percent of the members of the Master Association. Any such Agreement shall contain provisions for the maintenance and management of the Recreation Area similar to those contained in the initial Recreation Area Management Agreement above-referenced to, provided, however, that until such time as the said purchase price has been paid in full and the Warranty Deed shall have been delivered to Purchaser, designation of the party with whom or with which the Tenants-in-Common shall enter into a Recreation Area Management Agreement pursuant to the provisions of this Section, shall be subject to the approval of the Seller, which approval shall not be unreasonably withheld.

It is the expressed intention of the parties that at all times during the term of this Agreement, a valid and binding agreement for the maintenance and management of the Recreation Area be in existence; and if, for any reason, such an agreement is not in existence, the Recreation Area Management Agreement annexed as Exhibit C hereto shall automatically be deemed renewed for a ten (10) year period commencing with the expiration or other termination of the prior existing agreement for management and maintenance of the Recreation Area, and the automatic renewal of the Recreation Area Management Agreement be self-operating without the necessity of execution of any further documentation, subject only to the approval of the Recreation Area Management Firm therein named.

Purchaser further agrees, together with all of the other purchasing condominium associations at the Development (the "Association Purchasers") of the Recreation Area, to the formation by Seller of the Master Association. The members of the Master Association shall consist of all of the Neighborhood Associations in the Development (existing or hereafter created), the Recreation Area Association (referred to in Section 25.2 hereof) and Seller, at Seller's option, if Seller owns fee simple title to a portion of the Recreation Area. The purposes of the Master Association shall include, but not be limited to, providing for the operation, maintenance and preservation of the Recreation Area. The Master Association

BR07770P60140

Any and all action of the Master Association shall be by an affirmative vote in excess of seventy-five (75%) percent of its members (or as may otherwise be agreed to by the members) and shall be in accordance with the Master Association's Articles of Incorporation and By-Laws. During such time that Seller owns fee simple title to a portion of the Recreation Area or prior to such time the purchase price is paid in full by an Association Purchaser (including Purchaser), the designation of the party with whom or with which the Master Association shall enter into a Recreation Area Management Agreement shall be subject to the approval of Seller, which approval shall not be unreasonably withheld. The foregoing provision shall neither be a limitation of nor a restriction upon the provisions in Section 26 hereof.

14. Fixed Payment Guaranty of Maintenance.

Except as otherwise provided in this Agreement to the contrary with respect to the payment of the purchase price, the Seller shall be excused from the payment of the share of the Common Expenses and Assessments relating to Units it is offering for sale, for a period beginning with the recording of the Declaration of Condominium for the Condominium and ending the first day of the fourth calendar month following the month in which the closing of the purchase and sale of the first Unit occurs. However, the Seller must pay the portion of Common Expenses incurred during that period which exceeds the amount assessed against other Unit Owners.

During the period from the first day of the fourth calendar month following the month in which the closing of the purchase and sale of the first Unit occurs until December 31, 1991 (the "Guarantee Expiration Date"), the Seller shall not be obligated to pay the share of the Common Expenses and Assessments attributable to Units it is offering for sale, provided that the regular monthly Assessments for Common Expenses imposed on each Unit Owner other than the Seller shall not increase during such period over the amount set opposite such Unit's designation (model type) in the Estimated Operating Budget for expenses for the Recreation Area contained in the Supplement to the Offering Circular (Prospectus) delivered to such Unit Owner when such Owner contracted to purchase the Unit, if applicable; and provided further that the Seller shall be obligated to pay any amount of Common Expenses actually incurred during such period and not produced by the Assessments at the guaranteed level receivable from Unit Owners.

After the period of Seller's guaranty, Purchaser shall make all payments as required by the provisions of this Agreement without consideration of this Section 14. Seller shall have the right to defer any governmental assessments or other charges that may be deferred beyond the period of this guaranty.

15. Seller's Contribution.

In the event Purchaser defaults in respect to its obligations hereunder to make any payments or perform any acts required of Purchaser in Sections 9, 10, 11, 12, 13 and 14 above, in addition to any other remedy afforded to Seller hereunder and at law, Seller shall have the right, at its option, to make such payments and perform such acts on Purchaser's account, and Purchaser shall reimburse Seller for same, with interest at the highest lawful rate from time to time, on demand. The contribution by Seller of any funds under this Section shall not be deemed a waiver or consent to Purchaser's default.

16. Rents, Issues and Profits.

With the exception of principal and interest payments, that may be due Seller under Agreements for Deed with condominium associations located at the Development, all other rents, issues and profits growing from or arising out of the Recreation Area shall be used to defray costs of operating the Recreation Area. 17. Subordination and Encumbrance.

§17.1 Subordination to Mortgage. The Seller and Purchaser hereby agree that the lien against any condominium unit created in their favor pursuant to and by the provisions of this Agreement will be subordinate to the lien of any institutional first mortgage now in existence or hereafter created against any condominium unit affected hereby, and further agree to execute and deliver such separate subordination documents as any such Institutional First Mortgagee may reasonably require.

§17.2 Foreclosure. Where an Institutional First Mortgagee of record or other purchaser of record, obtains title to a condominium unit as a result of foreclosure of an Institutional First Mortgage, or when an Institutional First Mortgagee of record accepts a deed to said condominium unit in lieu of foreclosure, such acquirer of title, its successors and assigns, shall not be liable for the share of all sums due hereunder allocable to said condominium unit or chargeable to the former Unit Owner of such condominium unit which became due and payable prior to acquisition of title as a result of the foreclosure or the acceptance of such deed in lieu of foreclosure, provided, however, that all such unpaid sums shall be deemed to be common expenses and shall be collectible forthwith from all the Unit Owners of the Condominium, including such acquirer, its successors and assigns as such Common Expenses, and provided further that all such unpaid sums shall be paid by the Unit Owners and collected by Seller prior to closing and delivery of the Warranty Deed. An Institutional First Mortgagee acquiring title to a condominium Unit as a result of foreclosure, or a deed in lieu of foreclosure, may not during the period of its ownership of such condominium unit, whether or not such parcel is unoccupied, be excused from the payment of same or all sums due hereunder allocable to said condominium unit coming due during the period of such ownership.

§17.3 Exclusions; Priority. This Agreement shall not be deemed to be subordinate to any mortgages or other liens except as specifically provided in Section 4 and Section 17.1 above. Seller's lien hereunder shall extend to all of the various units of the Condominium and such lien shall take priority as against all such units from the date of recording of this Agreement or the date of recording of a claim of lien in the Public Records of Broward County, Florida, whichever shall first occur. In the event any sums are not paid hereunder as a result of the foreclosure of a lien or mortgage other than an Institutional First Mortgage, all such unpaid sums shall become immediately due and payable forthwith by the subsequent acquirer of title to the Unit, his heirs, successors and assigns.

§17.4 No Encumbrance. Prior to closing and delivery of a Warranty Deed to all condominium associations at the Development that are purchasing an interest in the Recreation Area, Purchaser shall not lease, pledge or encumber the Recreation Area or any part thereof or attempt so to do.

18. Condemnation.

§18.1 Partial Condemnation. If any portion of the Recreation Area shall be damaged or taken through condemnation (which term used in this Agreement shall include any damage or taking by governmental authority, and any transfer by private sale in lieu thereof, either temporarily or permanently), the monthly installments of principal and interest and all other sums due hereunder shall continue unaffected as to amount unless such portions of the Recreation Area is taken as to completely destroy its usefulness as a recreational facility, and Purchaser will promptly restore, repair or alter the remaining portion of the Recreation Area in a manner satisfactory to Seller. The Seller shall be entitled to all compensation, awards and any other payments or relief for such condemnation and Seller is hereby authorized, at its option, to commence, appear in and prosecute in its own or the the Purchaser's name, any action or proceeding relating to any condemnation, and to settle or compromise any claim in connection therewith; and all such compensation, awards, damages, claims, rights of action and proceeds and the right thereto properly allocable by the Seller to the Recreation Area are hereby assigned by the Purchaser to the Seller, who after deducting therefrom all its expenses, including attorney's fees, may apply any monies so received by it without affecting the lien of this Agreement, and at its sole discretion, either (i) to the proportional reduction of the sums secured hereby and by other agreements affecting the Recreation Area, and any balance of such monies then remaining properly allocable by the Seller to the Recreation Area shall be paid to the Purchaser and other owners of the Recreation Area as their proportional interests may appear, or (ii) provided Purchaser is not in default hereunder, to a special account to be administered by Seller for the restoration, repair or alteration of the remaining portion of the Recreation Area in the manner determined by the Recreation Area Management Firm then managing the Recreation Area. Upon such notification by such Recreation Area Management Firm, Purchaser shall immediately deposit into said special account its proportionate share of all additional sums required to restore, repair and alter the Recreation Area. The Purchaser agrees to execute such further assignments of any compensations, awards, damages, claims, rights of action and proceeds as the Seller may require.

§18.2 Total Condemnation. If all or any portion of the Recreation Area shall be taken through condemnation so as to completely destroy the usefulness of the Recreation Area as a recreational facility, this Agreement shall terminate upon the taking of possession pursuant thereto, and Purchaser shall make all payments required to be made by Purchaser apportioned to the date of such possession. Seller is hereby authorized to commence all actions and proceedings relating to such condemnation and settle all claims in connection therewith as set forth in Section 18.1 above. All compensation, awards, damages, claims, rights of action and proceeds and the right thereto properly allocable by the Seller to the Recreation Area are hereby assigned by the Purchaser to the Seller, who after deducting therefrom all its expenses, including attorney's fees, shall apply the monies so received by it first to the reduction of the balance of the purchase price and all accrued interest due hereunder and under all other agreements for sale of interests in the Recreation Area at the Development, and the balance, if any, shall be paid to the Purchaser and other owners of the Recreation Area as their proportional interests may appear. The taking of all or any part of any additional facilities hereafter added to the Recreation Area shall never be deemed a taking of such portion

of the Recreation Area so as to completely destroy the usefulness of the Recreation Area.

19. Partition; Termination.

\$19.1 No Partition. Purchaser agrees for itself and for its membership that it shall not seek any partition or other division of the Recreation Area.

\$19.2 Termination. In the event the Unit Owners elect to terminate the Condominium, for any reason whatsoever, the undivided interest held by Purchaser in and to the Recreation Area shall be deeded to the then existing record owners of legal title to the Recreation Area, as their respective interests may appear, for and in consideration only of the prior use and enjoyment of the Recreation Area by the Unit Owners and the sum of Ten Dollars (\$10.00). The conveyance shall be made by Quit-Claim Deed executed by Purchaser's president and secretary in recordable form, which Deed shall be recorded in the Public Records for Broward County, Florida. In addition, in the event such termination, the unpaid balance of the purchase price, together with accrued interest thereon, shall be immediately due and payable forthwith. Thereafter, once the full purchase price is paid, all Unit Owners who continue to make timely payment of the other sums due hereunder shall be entitled to continue to use the Recreation Area and shall be entitled to be members of the Recreation Association hereafter referred to.

20. Purchaser's Default and Seller's Remedies.

\$20.1 Default and Remedies against Purchaser. Time is of the essence of this Agreement and if Purchaser fails to make any of the payments or to perform and observe the covenants and agreements as and when herein set forth or in the event Purchaser voluntarily or involuntarily (whether by bankruptcy or otherwise) transfers its interest in the Recreation Area, the Seller may, at its option:

- (a) Terminate and cancel this Agreement and retain all payments heretofore made hereunder by the Purchaser as an agreed rental for said Recreation Area, and in liquidation and satisfaction of all damages sustained by the Seller, whereupon all liabilities of the parties hereto shall cease and terminate and in the event any suit or proceedings shall be brought by the Seller to terminate and cancel this Agreement or foreclose upon the real property described in Exhibit A, the Seller shall not refund to the Purchaser any sum of money paid hereunder by the Purchaser to the Seller.
- (b) Declare the whole of the unpaid balance of said purchase price together with all amounts then due under and secured by the provisions of this Agreement to be immediately due and payable forthwith and place this Agreement in the hands of an attorney at law for the enforcement of the lien of Seller or for the collection of such unpaid balance.
- (c) Seek specific performance.
- (d) Take full possession of the Recreation Area from the Purchaser and hold, store, use, operate, manage or control the Recreation Area, and conduct the business thereof as Seller may determine from time to time to be to its best advantage, and Purchaser shall be responsible for all of Seller's costs and expenses incurred in connection therewith.

BR07770P60144

- (e) To pursue any other remedy available hereunder or at law to Seller, all as the Seller shall deem most effectual for such purposes. The Seller shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession as the Seller may determine.

\$20.2 Remedies Against Unit Owners. In the event such default shall result from the failure or refusal of a Unit Owner to pay that portion of the purchase price attributable to his Unit, or any other sums due hereunder, the Seller shall have the right to:

- (a) Require the Purchaser to exercise its rights under the Declaration of Condominium and the Statutes of Florida to file and foreclose its lien against the said Unit to enforce payment and collection of the assessment for the said payment; or
- (b) Proceed as an assignee of all of the Purchaser's rights as to the said Unit Owner, including the right to file, enforce, and foreclose a lien upon the condominium Unit, in the name of the Purchaser or in the name of the Seller, as the Seller shall elect, and in all such proceedings such lien shall also cover Seller's reasonable attorney's fees, appellate attorney's fees and costs expended in such action; or
- (c) Accelerate the remaining unpaid principal balance of that portion of the purchase price attributable to the Unit in default, and to proceed pursuant to the provisions of either Sections 20.1(a) or 20.1(b) above to secure payment of the said monies, together with attorney's fees, appellate attorney's fees and court costs incurred.
- (d) Seek separate remedy against the Unit Owner under the Pledge Agreement and note referred to in Section 22.3 below.

\$20.3 Appointment of Receiver. If an event of default shall occur and be continuing, then upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Seller, the Seller to the extent permitted by law and without regard to the value or occupancy of the security, shall be entitled as a matter of right to the appointment of a receiver to enter upon and take possession of the Recreation Area. The receiver shall collect all rents, revenues, issues, income, products and profits thereof, pending such proceedings and apply the same as the Court may direct. The receiver shall have all the rights and powers permitted under the laws of Florida and such other powers as the Court making such appointment shall confer.

\$20.4 Miscellaneous. The expenses, including receiver's fees, attorney's fees, appellate attorney's fees and costs incurred pursuant to the powers herein contained, shall be secured by this Agreement. All of Seller's rights and remedies provided hereunder or afforded by law, including, without limitation, the right to enter and take possession of, to manage and operate the Recreation Area, to collect the rents, issues, and profits thereof, whether by a receiver or otherwise, shall be cumulative and may be exercised concurrent with any other such right or remedy or independently thereof. Seller shall be liable to account only for such rents, issues and profits actually received by Seller. Notwithstanding the appointment of any receiver, trustee, or other custodian, the Seller shall be entitled as pledgee to the possession and control of any

BK 7770PC0145

cash, or other instruments at the time held by, or payable or deliverable under the terms of this Agreement to the Seller.

§20.5 Cross-Default. The obligations of Purchaser under this Agreement and under the Recreation Area Management Agreement shall be taken together as if imposed by a single agreement, and any default by Purchaser under either of said agreements shall be deemed a default under the other agreement, and the other parties to said agreements shall be entitled to any and all remedies provided therein or at law.

§20.6 Attorney's Fees and Costs. In any proceeding arising by reason of an alleged failure of the Purchaser to perform any of its duties and obligations pursuant to the provisions hereof, or by reason of an alleged breach of any of the provision, conditions or covenants of this Agreement or by reason of any default in the payment of any monies or sums due or becoming due under the terms and provisions hereof, or by reason of any action by the Seller to require the Purchaser to comply with its duties and obligations hereunder, the Seller shall, in the event it shall prevail in such action, be entitled to recover its reasonable attorney's fees and appellate attorney's fees incurred, together with all costs, including those not normally allowable in actions at law, such as, but not limited to, copies of depositions, whether or not used at trial, travel expenses for witnesses traveling from without Broward County for the purpose of testifying at trial or deposition; expert witnesses' fees for testifying at trial or deposition; together with such additional fees as the expert witnesses may charge the Seller in connection with its preparation for giving such testimony; and witness subpoenas issued to insure the presence of witnesses at depositions or at trial whether or not the witness shall actually appear or be called upon to testify. In the event of any dispute or litigation between the Seller and the Purchaser in connection with any alleged breach or default upon the part of the Purchaser wherein the Seller deems it advisable or necessary to retain the services of an attorney, and which is settled prior to a judicial determination of the issue, or prior to litigation, by the Purchaser otherwise complying with the demands of the Seller as to the Purchaser's duties and obligations under the terms of this Agreement, the Purchaser will be deemed to have prevailed in such dispute or controversy, and to be entitled to the recovery of its reasonable attorney's fees incurred in connection therewith.

21. Seller's Default.

If Seller defaults in performance of the conditions and covenants of this Agreement, Purchaser's sole and exclusive remedy shall be a suit for specific performance or injunctive relief.

22. Duty of Purchaser to Pay.

§22.1 Assessment. Purchaser acknowledges that it has heretofore assessed its membership for the full amount of the purchase price herein reserved. It shall be the continuing duty and obligation of the Purchaser to assess its membership in accordance with the provisions of the new existing and applicable laws of the State of Florida dealing with condominiums, the Declaration of Condominium, and the By-Laws of the Purchaser for such monies as shall be necessary to pay the monies and other obligations provided for in this Agreement and to otherwise perform its covenants and promises contained herein.

§22.2 Purchaser's Action Against Unit Owners. In the event of an uncured default of the payment of any installment due hereunder by reason of the failure of any Unit Owner to pay his

BR 77-70P60146

allocable share, Purchaser shall take whatever necessary and reasonable actions it deems appropriate against such Unit Owner and his property including but not limited to, the filing of a claim of lien and the foreclosure thereof against the defaulting Unit Owner to enforce collection of same in accordance with the terms and provisions of the Declaration of Condominium and Florida law.

§22.3 Pledge Agreement and Note. Each and every Unit Owner, other than Seller shall execute a Pledge Agreement in the form annexed hereto as Exhibit E and Promissory Note in the form annexed hereto as Exhibit F, at or prior to conveyance of the Condominium Unit to such Unit Owner in order to further evidence and secure each Unit Owner's obligations hereunder, and it shall be Purchaser's obligation to obtain such Pledge Agreements and Notes and deliver them to Seller. The Note shall be in the amount of the Unit Owner's allocable share of the purchase price and all sums due thereunder shall be paid directly to the Recreation Area Management Firm as agent for Seller or to Seller, and the full principal amount set forth in such Note, together with accrued interest, shall be due irrespective of the termination of this Agreement or closing of title hereunder. Upon subsequent transfer of title by a Unit Owner of his Unit to a transferee who has been approved by the Association and who assumes the Note and Pledge Agreement pertaining to such Unit, the transferor shall be relieved from all further liability thereunder. Acceptance of a deed or other instrument or conveyance which contains language to the effect that the transferee assumes the Note and Pledge Agreement shall be deemed a sufficient assumption to release the transferor from liability. All Condominium Units located in the Condominium shall be deemed to be impressed with the lien of the aforesaid Pledge Agreement whether or not an executed copy thereof is delivered to Seller.

§22.4 Seller's and Developer's Exclusion. The parties hereto acknowledge that the Seller, as Developer of the Condominium, may, from time to time, own any or all of the Condominium Units in the Condominium. Anything herein to the contrary notwithstanding, the Seller, as owner of any such Condominium Units, shall not be responsible for and shall not pay: (i) any assessments for maintenance based upon any sums due hereunder during any period which the Seller shall have guaranteed that the sums due hereunder shall not increase over a stated dollar amount and during which Seller has obligated itself to pay all expenses incurred during such period that are not produced by the assessment at the guaranteed level by the other Unit Owners, (after the period of guaranty as set forth in Section 14 above, Seller, as Owner of Units in the Condominium, shall be responsible, as any other Unit Owner), and (ii) the purchase price portion shall remain ultimately due from subsequent owners of such Condominium Units. By reason thereof, the Unit Owner's payments for the purchase price referred to in Section 3.2 in this Section and elsewhere herein, shall be deemed in each and every case abated and deferred during the period that Seller is the Owner of a Unit in the Condominium. Accordingly, Purchaser recognizes, understands and agrees that the payment of a portion of the purchase price for the Recreation Area allocable to those Units in the Condominium owned by Seller may be made after closing of title to the Recreation Area and delivery of the Warranty Deed by the Seller to Purchaser.

23. Seller's Powers of Collection.

As part of the inducement to the Seller to make the conveyance provided for herein, during the period of this Agreement and for so long as any sums are due hereunder, the Purchaser hereby assigns,

BR-07770PG0147

transfers, and sets over to Seller, Purchaser's rights to collect assessments against the Unit Owners for payment of all such sums, and Purchaser hereby designates the Seller as its attorney-in-fact, with full power of substitution, for the purpose of enforcing the obligation of any member of the Purchaser to pay that portion of any assessments against him, attributable to him or payable towards the purchase price on the Recreation Area, or any other cost or obligation due and payable pursuant to the terms and provisions hereof. The assignment in this Section 23 consists of the right for Seller to exercise such rights in common with Purchaser, and not exclusively. It is the intention of the parties hereto that Purchaser, Seller and the Recreation Area Management Firm shall each have the power to collect assessments from, and enforce obligations against, the Unit Owners in Purchaser's name and Purchaser makes the above assignment while reserving the same rights for itself. Said powers shall include the rights in the Seller to file such action or actions as it deems advisable and necessary against such defaulting member in its own name or in the name of the Purchaser, and to collect, in addition to any delinquent assessment, attorney's fees, appellate attorney's fees and court costs incurred, together with interest on any delinquent assessment at the highest lawful rate from time to time, on demand. The Purchaser further designates the Seller as its attorney-in-fact with full power of substitution, for the purpose of making and enforcing assessments against the Purchaser's membership to pay monies required to satisfy the obligations of the Purchaser to the Seller pursuant to the terms and provisions hereof, as well as to enforce any of the other terms and provisions hereof.

24. Receipt for Full Payment.

Upon full payment by a Unit Owner of that portion of the purchase price attributable to his condominium unit, and upon payment of such funds to Seller, Seller shall deliver to said Unit Owner a receipt therefor, in recordable form, joined by Purchaser, reflecting that no further assessment shall be made against the said unit in connection with the purchase price of the Recreation Area, except such common assessments as may arise out of the foreclosure of other units in the Condominium by Institutional First Mortgagees.

25. Obligation of Unit Owner.

§25.1 Non-Disturbance. NOTWITHSTANDING ANY PROVISIONS OF THIS AGREEMENT TO THE CONTRARY, SO LONG AS A UNIT OWNER SHALL PAY ALL INSTALLMENTS DUE ON THAT PORTION OF THE PURCHASE PRICE DUE AND OWING TO THE SELLER OR ATTRIBUTABLE TO HIS CONDOMINIUM UNIT, AND SHALL PAY HIS PROPORTIONATE SHARE OF THE TAXES, ASSESSMENTS, UTILITIES, INSURANCE, MAINTENANCE, MANAGEMENT FEES, RESERVES, IF ANY, FOR CAPITAL REPAIRS, REFURBISHING AND ANY OTHER CAPITAL EXPENDITURES, AND OTHER RECREATION AREA EXPENSES AS SET FORTH HEREIN TO THE PURCHASER, OR, IN THE EVENT OF DEFAULT BY THE PURCHASER, PAY SAID AMOUNTS DIRECTLY TO THE SELLER, THE SELLER SHALL NOT AND MAY NOT ENFORCE ANY OF THE RIGHTS WHICH IT MIGHT OTHERWISE HAVE AGAINST SAID UNIT OWNER UNDER THE TERMS AND PROVISIONS HEREOF, NOTWITHSTANDING THAT THE PURCHASER IS IN DEFAULT OF THIS AGREEMENT, OR THAT ANY OTHER UNIT OWNER HAS FAILED TO PERFORM OR KEEP ITS OBLIGATIONS AS A MEMBER OF THE PURCHASER TO PAY HIS PROPORTIONATE SHARE OF SUCH RECREATION AREA EXPENSES, OR HIS PROPORTIONATE SHARE OF THE PURCHASE PRICE DUE AND OWING TO THE SELLER UNDER THE TERMS AND PROVISIONS HEREOF, PROVIDED THAT THE FOREGOING SHALL NOT PREVENT SELLER FROM ENFORCING ANY AND ALL REMEDIES IT MAY HAVE AGAINST PURCHASER.

§25.2 Recreation Area Association. In the event of a default on the part of Purchaser, such that Purchaser is not entitled to conveyance of an undivided share of the Recreation Area, those

BR 7770 PG 0148

Unit Owners of Purchaser who have made full and timely payment of all sums due hereunder shall be entitled to membership in a special Recreation Area Association to be organized and created by Seller prior to closing and delivery of the Warranty Deed. The Recreation Area Association shall be a Florida corporation not for profit, created solely to hold title to an undivided interest in the Recreation Area for the benefit of those residents of the Development who have made all the appropriate payments therefor, but who are members of condominium associations not otherwise entitled to ownership of an interest in the Recreation Area. Membership in the Recreation Area Association will not be transferrable apart from conveyance of a unit located at the Development. At closing, the said Recreation Area Association shall be entitled to an undivided interest in the Recreation Area on the same basis with all other purchasing condominium associations.

26. Future Decisions.

After closing and delivery of the Warranty Deed, all decisions concerning the sale, leasing, financing, reconstruction, renovation, repair, management or operation of the Recreation Area shall be determined in accordance with the then existing management agreement or in the event said management agreement does not provide, by approval and consent of not less than seventy-five (75%) percent of the members of the Master Association.

27. Suits to Protect the Recreation Area.

The Seller shall have power to: (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Recreation Area by any acts which may be unlawful or in violation of this Agreement; (b) preserve and protect its interest in the Recreation Area and in the income, revenue, rents and profits arising therefrom; legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the Recreation Area or be prejudicial to the interest of the Seller.

28. Easements.

\$28.1 Creation and Relocation. During the term of this Agreement, the Recreation Area shall be subject to, and, if requested, Purchaser shall, without cost or expense to Seller or other Co-Tenants, join in the creation of, all easements as from time to time and at any time requested by Seller, in its sole discretion, for the purpose of providing reasonable drainage, utilities, ingress, egress and service for the construction of additional recreational facilities and for any other uses of the Recreation Area herein provided. Seller's rights hereunder shall include the right to dedicate such easement and license areas and relocate and change the dimensions of same, without the consent and approval of Purchaser or its membership, and the foregoing shall not entitle Purchaser or its membership, an the foregoing shall not entitle Purchaser or its membership to any abatement or reduction in the sums due hereunder nor entitle Purchaser or its membership to avoid any of their other obligations hereunder. Purchaser hereby designates Seller as its attorney-in-fact, with full power of substitution, for the purpose of joining in the aforesaid easements.

\$28.2 Reserved Traffic Easements. The Seller specifically reserves unto itself, and to all those claiming by, through and under Seller, an easement for pedestrian and vehicular traffic over, through, and across sidewalks, paths, walks, halls, lobbies, and other portions of the Recreation Area as

may be from time to time intended and designated for such purpose and use for vehicular and pedestrian traffic; provided, further, that nothing shall be construed to give or create in any person the right to park upon any portion of the Recreation Area except to the extent that same may be specifically designated and assigned for parking purposes. An easement is further hereby reserved, subject to such conditions as Seller may from time to time impose, in favor of all owners of condominium units at the Development for all of the afore-recited uses.

29. Rights Granted to Seller.

§29.1 Development of Development. Until the Seller, or anyone claiming by, through or under Seller shall have completed development, promotion and sale of all Units to be located at the Development, Seller or anyone claiming by, through or under Seller shall have the following rights with regard to the Recreation Area notwithstanding any other provisions of this Agreement to the contrary:

- (a) The right to use and occupy exclusively, without cost or expense to Seller, any portion of the Recreation Area for sales, promotional or administrative purposes, provided that Seller shall not use more than 5,000 square feet of interior floor area in the clubhouse unless the same may be reasonably required.
- (b) The right to lease, concession or enter into agreements or franchises with any other persons, firms or entities for use of portions of the Recreation Area for such purposes and upon such terms as Seller shall determine in its own discretion, to provide facilities and services for the Development, provided Seller shall not lease more than ten (10%) percent of the total interior floor area of the main clubhouse for commercial purposes.
- (c) The right to use, occupy and demonstrate, on a non-exclusive basis, all of the Recreation Area for the purpose of promotion and aiding in the sale or rental of the condominium units on or to be constructed at the Development.
- (d) The right in its sole discretion to add additional facilities or improvements to the Recreation Area and Seller shall be the sole judge as to the size, contents, design, style, plans and specifications of all such additional facilities or improvements and the equipment and personally contained therein; and Seller shall also have the right in its sole discretion to add additional lands to the Recreation Area. All such additional lands and improvements shall, upon designation by Seller, be deemed part of the Recreation Area and subject to all of the terms and provisions hereof, and Purchaser shall be obligated to pay its proportionate share of all taxes, assessments, insurance, utilities, maintenance, management fees, reserves, if any, for capital repairs, refurbishing and any other capital expenditures and other expenses of operation of such additions as if they were a portion of the original Recreation Area, provided same shall not increase or otherwise affect Purchaser's obligation to pay the purchase price reserved hereunder. In the event Seller decides to construct such additional improvements, Seller shall also have the right to record such instruments in the Public Records of Broward County, Florida, as are necessary for the construction provided that title is delivered in accordance with Section 5 above.

BK 07770PG0150

- (e) The right to own, install, provide and maintain a closed circuit television system, telecommunications system, master antenna system, and related ancillary services and to the equipment including but not limited to conduits, wires, amplifiers, towers, antennae and related apparatus and electronic equipment both active and passive (the "Central System") in and upon the Recreation Area and an easement for ninety-nine (99) years for the placement and location of the Central System including, but not limited to conduits, wires, amplifiers, towers, antennae and related apparatus and electronic equipment, both active and passive, and (ii) an easement for ninety-nine (99) years for ingress to and egress from the Recreation Area to service, maintain, install, repair and replace the aforesaid apparatus and equipment; and (iii) the right to connect the Central System to such receiving source as Seller may in its sole discretion deem appropriate, including, without limitation, companies licensed to provide the CATV service in the City of Tamarac or Broward County, for which service Seller, its successors and assigns or designees shall have the right to charge the Master Association and/or individual Unit Owners a reasonable fee not to exceed the maximum allowable charge for CATV service to single family residences as charged within the general vicinity.

\$29.2 Term of Agreement. During the term of this Agreement, Seller shall have the following rights with regard to the Recreation Area notwithstanding any other provisions of this Agreement to the contrary:

- (a) The right, without being obligated to do so, to bring suit for specific performance or other injunctive relief against the Management Firm then operating and managing the Recreation Area or the right to sue for cancellation of any such management agreement in the event of the Management Firm's misfeasance.
- (b) The right to enter upon and inspect the Recreation Area and any portion thereof.

\$29.3 Limitation. All of the foregoing rights of Seller shall be exercised in a reasonable manner, and Seller shall endeavor to minimize the inconvenience to Purchaser and its members as much as practicable, but nothing herein contained shall serve in any way to reduce Purchaser's obligations for all payments due under this Agreement and for the full and faithful performance of all its covenants and obligations hereunder.

30. Ratification.

Each and every person, whether natural or corporate, who shall hereafter acquire or take any title or interest whatsoever in or to a condominium parcel in the Condominium, shall, by acceptance or recordation of the deed, grant, assignment, or other instrument granting, conveying or providing for such interest, or by the exercise of the rights or uses granted therein, be deemed to have consented to and ratified the provisions of this Agreement and reconfirmed the liens granted hereunder against his unit to the same effect and extend as if such person or persons had executed this Agreement with the formalities required for a deed, and shall be deemed to have subordinated and subjected each and every interest in such person to the terms of this Agreement, and shall likewise acknowledge that the terms hereof are fair and reasonable to Purchaser.

31. Covenants Running With the Lands; Survival.

The terms, conditions, provisions, covenants and agreements set forth in this Agreement shall be binding upon Seller, Purchaser and the Unit Owners, their respective heirs, legal representatives, successors and assigns, and shall be deemed to be covenants running with the land affected hereby and all of the units in the Condominium. All of the covenants, conditions and agreements set forth in this Agreement shall survive the closing and delivery of the Warranty Deed.

32. Florida Law.

It is intended by the parties that this Agreement be construed and enforced under the laws of the State of Florida.

33. Prorations.

Inasmuch as the Purchaser is now liable under this Agreement for the payment of its proportionate share of taxes, insurance premiums and other costs and expenses of the Recreation Area, there shall be no prorations between Seller and Purchaser.

34. Costs.

Purchaser agrees and shall be obligated at any time and at time of closing to pay for all closing costs, including but not limited to all costs of preparation of the Warranty Deed and other instruments of conveyance and all costs of State documentary stamps due on the Deed and this Agreement and the recording of said Deed and this Agreement and Exhibits to same.

35. Modifications.

Neither this Agreement nor the terms or provisions hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing properly executed by the party against whom enforcement of the change, waiver, discharge or termination is sought; provided, however, that Seller may make minor changes, deletions, additions and amendments to this Agreement prior to recordation for the purpose of correcting typographical errors, complying with the requirements of a construction lender, or for other reason provided, further, such deletion, addition or amendment shall not materially affect the rights of Purchaser in an adverse manner.

36. Notice.

The operating budget shall only require the approval of the Master Association to the extent required by Florida law.
- \$3.13 Experts.** Retain and employ attorneys-at-law, tax consultants and other experts and professionals whose services the Recreation Area Management Firm may require to effectively perform its duties and exercise its powers hereunder. The foregoing shall not be a limitation upon the rights of the Master Association to employ such professionals and experts on its own account as it may desire, but the employment of the same by the master Association shall in no way affect the Recreation Area Management Firm's right to employ and continue the employment of the professionals and experts which it has or will employ, nor shall the same in any way relieve the Master Association of its obligation to pay its share of the costs of professional and experts retained by the Recreation Area Management Firm as herein provided.
- \$3.14 Access.** The Recreation Area Management Firm shall have access to the Recreation Area and other common facilities, and all parts thereof, as may be necessary for the performance of its powers and duties hereunder. BR 770 PG 0160

\$3.16 Rules and Regulations. Promulgate Rules and Regulations for the use and enjoyment of the Recreation Area by the Master Association and its members, and the families, guests and invitees of the Unit Owners of the condominium associations (and homeowner's associations, if any). A copy of all such Rules and Regulations shall be posted at the clubhouse.

\$3.17 General Powers. The Recreation Area Management Firm shall have such other powers as are reasonably necessary to fulfill the Master Association's obligations under the Agreement.

\$4. Term. Unless sooner terminated, as herein provided, this Recreation Area Management Agreement shall commence on the date of the issuance of the Certificate of Occupancy (temporary or final) for the clubhouse (as clubhouse is defined in the Condominium Documents) and shall continue thereafter for a period of ten (10) years, and shall be automatically extended for a period of ten (10) years upon the same terms and conditions; provided, however, that this Recreation Area Management Agreement shall be subject to earlier cancellation at such time as Unit Owners other than Seller, or subsequent Developers of the Development, have assumed control of all of the associations operating condominiums (and homeowner's associations, if any) that are to be served by the Recreation Area and other common facilities, after which such cancellation may be effected by concurrence of the Owners of not less than seventy-five (75%) percent of the total number of Units in those condominiums (and homeowner's associations, if any) other than Units owned by Seller and any subsequent Developer of the Development. This Recreation Area Management Agreement shall be subject to earlier cancellation by the Recreation Area Management Firm upon ninety (90) days written notice to the Master Association. Cancellation as provided in this paragraph shall be effective on the first day of the month following such cancellation.

\$5. Liability. Everything done in managing the Recreation Area by the Recreation Area Management Firm under the provisions of this Agreement shall be done as agent for the Master Association, and all obligations or expenses incurred in the performance of the Recreation Area Management Firm's duties and obligations shall be for the account of, on behalf of and at the expense of the Master Association. The Recreation Area Management Firm shall not be obligated to make any advance to or for the account of the Master Association or to pay any sum, except out of funds held or provided by the Master Association or from its members, nor shall the Recreation Area Management Firm be obliged to incur any liability or obligation on account of the Master Association without assurance that the necessary funds for the discharge thereof will be provided. Since the Recreation Area management Firm will be acting at all times for and on behalf of the Master Association, it is understood and agreed that the Public Liability Insurance carried and maintained by the Master Association shall be extended to and shall cover the Recreation Area Management Firm, its agents and employees, as well as the Master Association, all at the expense of the Master Association. The Master Association agrees to indemnify and hold the Recreation Area Management Firm, its agents and employees harmless from any and all liability for any injury, damage or accident to any members of the Master Association, a guest or invitee, or any such member, or to any third person, arising out of or in the course of the performance of its duties hereunder. The Recreation Area Management Firm's assumption of obligations hereunder is limited to management and maintenance as agent and does not require the Recreation Area Management Firm to pay the costs and expenses which the Master Association undertakes.

\$6. Reimbursement of Costs. All of the foregoing management services to the Master Association shall be rendered without cost to the Recreation Area Management Firm and the Master Association shall pay or reimburse the Recreation Area Management Firm for all such costs and expenses which may be incurred by the Recreation Area Management Firm in providing services, materials and supplies to the Master Association which shall include the cost of all employees of the Recreation Area Management Firm for the time spent directly upon performance of matters required by the terms of this Agreement. All such costs and expenses incurred by the Recreation Area Management Firm for the Master Association shall be reimbursed by monthly payments on or before the first full day of the ensuing month.

BK 770PG0161

§7. Apportionment throughout Development. The parties recognize that the Recreation Area Management Firm will be performing similar services for other condominium associations (and homeowner's associations, if any) in the Development. Accordingly, notwithstanding anything contained herein to the contrary, such costs and expenses as are general to the Development may within the Recreation Area Management Firm's discretion, be averaged and charged on a weighted basis. Such weighing shall be determined by the Recreation Area Management Firm in accordance with the provisions on apportionment contained in the Agreement for Deed and Declaration of Condominium.

§8. Assessments. The Master Association agrees that all assessments due by Unit Owners in the condominium associations (and/or owners of residential dwelling Units in the homeowner's associations, if any) will at all times be maintained so that the amounts produced thereby shall be sufficient to provide the monies necessary to pay all items set forth in the Agreement for Deed, Declaration of Condominium, and hereunder, and to realize a sum sufficient to meet the requirements of the annual budget prepared pursuant to the provisions of Section 3.12 of this Recreation Area Management Agreement. The Recreation Area Management Firm shall be required to perform its services and make disbursements only to the extent that, and only so long as, revenues received from assessments or other sources on behalf of the Master Association shall be sufficient to pay the obligations of the Master Association. In the event it shall, at any time, appear to the Recreation Area Management Firm that the assessments and other revenue, if any, of the Master Association is insufficient to meet the obligations of the Master Association, the Recreation Area Management Firm shall so notify the Master Association, and the Master Association shall thereupon cause the condominium associations (and/or homeowner's associations, if any, as the case may be) to increase the monthly assessments of the Unit Owners in the condominium associations (and/or Owners of residential dwelling Units in the homeowner's associations, if any), respectively, in an amount sufficient to enable the Master Association to meet its obligations, and failure on the part of the Master Association to adopt such an increase within a reasonable time after being notified of the necessity thereof by the Recreation Area Management Firm may, at the option of the Recreation Area Management Firm, be deemed and treated as a material breach of this Recreation Area Management Agreement.

§9. Application of Collections. All assessments and other revenues, if any, of the Master Association which the Recreation Area Management Firm shall collect shall be applied as follows:

§9.1 Principal and Interests. First, to the payment of principal and interest due to Seller under the Agreement for Deed.

§9.2 Taxes and Insurance. Next, to the payment of premium on insurance policies carried by the Master Association, the Recreation Area Management Firm, and Seller, and all taxes and assessments on the Recreation Area and other common facilities, if any.

§9.3 Balance. The balance shall be utilized, applied, disbursed and otherwise expended or reserved by the Recreation Area Management Firm to pay the costs and services rendered by the Recreation Area

Management Firm under this Recreation Area Management Agreement provided that until December 31, 1990, or closing of title to the last Unit in the Fairfax Neighborhood, whichever is sooner (and provided further, that Seller's guaranty is in force and effect as described in the Agreement for Deed), any deficits shall be made up by Seller.

§10. Manager's Compensation. It is specifically understood and agreed that the Recreation Area Management Firm shall perform all of the services required of it hereunder at no cost or expense whatsoever to itself but solely at the cost and expense of the Master Association. As compensation, fee or profit for its services hereunder, the Recreation Area Management Firm shall receive a net fee, free of all charges and expenses in an amount equal to Two (\$2.00) Dollars per month per Unit in the Condominium or seven (7%) percent of the total monthly expenses set forth in the Estimated Operating Budgets for the Main Recreation Area and for Community Services (Items 9 and 10, respectively, in the Supplement to the Offering Circular, whichever is

higher; provided, however, that during the period Seller's guaranty described in the Agreement for Deed is in force and effect, the Recreation Area Management Firm's fee shall be Two (\$2.00) Dollars per month per Unit in the Condominium. Payment of fees and compensation to the Recreation Area Management Firm shall be due, in advance, on the first day of each and every month during the term hereof.

\$11. Interference. The Master Association shall not interfere nor permit, allow or cause any of its officers, directors, or members to interfere with the Recreation Area Management Firm in the performance of its duties or the exercise of any of its powers hereunder.

\$12. Default.

\$12.1 By the Association. If the Master Association or its members or Unit Owners shall interfere with the Recreation Area management Firm in the performance of its duties and the exercise of its powers hereunder, or if the Master Association shall fail to promptly do any of the things required of it hereunder, including but not limited to the assessment of its members of amounts sufficient to defray in full the Recreation Area management Firm's costs and expenses as herein defined, and to otherwise pay all of the sums mentioned hereunder, in the Agreement for Deed and in the Declaration of Condominium, then the Recreation Area management Firm, thirty (30) days after having given written notice to the Master Association of said default, by delivering said notice to any officer of the Master Association or, in their absence, to any member of the Master Association, may declare this Agreement in default. Unless such default is cured by the Master Association within thirty (30) days after such notice, the Recreation Area Management Firm may, in addition to any other remedy given it by this Recreation Area Management Agreement, bring an action against the Master Association for damages, or for specific performance, or for such other right or remedy as the law may provide. All of such rights of the Recreation Area Management Firm in the event of default shall be exercisable at the Recreation Area Management Firm's option and shall be cumulative, and the exercise of one or more remedy shall not operate to exclude or to constitute a waiver of any other additional remedy. In the event of any action at law or in equity by the Recreation Area Management Firm to enforce its rights under the provisions of this Recreation Area Management Agreement, or seeking damages by reason of any breach by the Master Association of its duties and obligations hereunder, the Recreation Area Management Firm shall be entitled, in the event it shall prevail in such litigation, in addition to any other relief provided by law to the recovery of reasonable attorneys' fees, appellate attorneys' fees, and court costs incurred in connection therewith.

\$12.2 By the Recreation Area Management Firm. Failure by the Recreation Area Management Firm to substantially perform its duties and obligations under this Recreation Area Management Agreement for a continuous period of sixty (60) days after written notice of default from the Master Association, specifying the default complained of, shall be grounds for the Master Association's cancellation of this Agreement, provided such cancellation is first approved by the Owners of not less than seventy-five (75%) percent of the total number of Units in those condominiums (and homeowner's associations, if any) other than Units owned by Seller and any subsequent Developer of the Development that have purchased an undivided interest in the Recreation Area. Cancellation as provided in this paragraph shall be effective on the first day of the month following such cancellation.

\$13. Cross-Default. The obligations of Master Association under this Recreation Area Management Agreement and under the Agreement for Deed shall be taken together as if imposed by a single agreement, and by any default by Master Association under either of said agreements shall be deemed a default under the other agreement, entitling the other parties to said agreements to any and all remedies provided therein or at law.

\$14. Miscellaneous. If any section, sub-section, sentence, clause, phrase or word of this Recreation Area Management Agreement shall be for any reason held or declared to be inoperative or void, such holding will not affect the remaining portions of this Recreation Area Management Agreement and it shall be construed to have been the intent of the parties that the remainder of this Recreation Area Management Agreement, after the exclusion of such parts, shall be deemed and held to be as valid as if such excluded parts had never been included herein. The singular shall include the plural, the plural shall include the singular, and the use of any gender shall include any and all other genders. Headings are for convenience of reference only, and are not to be considered a part hereof, and shall not limit or otherwise affect any of the provisions hereof.

\$15. Relationships. The Recreation Area Management Firm is an affiliate of Seller (Developer); both being wholly owned subsidiaries of Lennar Corporation.

\$16. Binding Agreement. This Agreement shall be binding upon the parties hereto and their respective successors, legal representatives and assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement the day and year aforesaid.
